

## **Mary's School of Prophecy Is Donald Trump's Peace Plan from the Antichrist?**

Once more on this program we will continue looking at President Donald Trump's peace plan and, is it a fulfillment of Bible prophecy, and I'm going to be discussing primarily a program published the day before yesterday by Steve Cioccolanti and he's very popular pastor here on YouTube. Here is the title of his program. It's a very long title. "Prophecy 2020: Trump's Middle East Peace Plan Unveiled: Does it Make Trump the Antichrist?" And I warned you that this would be a conclusion of many of the false prophets who interpret Daniel 9:26 and 27 incorrectly because they say that the one who confirms a covenant is a bad guy, and therefore must be the Antichrist, and that's all based on a very poor interpretation of Daniel. They don't understand that you must unseal all End Times prophecy before you can interpret it, so that's what we will be talking about, but before we get started I think we should say our prayer.

Catholic Crusader sent this along and I think it is a good prayer for our Lady of All Nations to be the patroness of this program. In the name of the Father, the Son and Holy Spirit. Amen. **Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from degeneration, disaster and war. May the Lady of All Nations, the Blessed Virgin Mary, be our Advocate. Amen.** And notice Mary calls herself the Lady of All Nations, plural. In other words Mary is not a globalist.

Okay I think what I will do is start by going through Steve Cioccolanti's program which is very inconclusive, I mean he really says very little but he stretches it out to a whole hour, so I will give you the highlights as far as they relate to Bible prophecy and I will note that he has 37,000 views already in two days on his video. This video will be lucky if it gets a thousand views, so that goes to show you that we are in the End Times. Until Mary somehow converts the Protestants, I think it's going to continue to be that way, because Catholics are in general not interested in prophecy and we know Protestants are interested in prophecy, because that is the code word for Protestants in the Book of Revelation. That is, they are called prophets. Jews are called servants. Catholics are called the elect and martyrs are called the faithful. Those are the four terms in the Book of Revelation for the four groups who will reign with Jesus during the Millennium.

So I'm going to start playing Steve Cioccolanti's video because I want you to hear his words from his own mouth. So the first thing I'm going to do is I'm going to go through his program chronologically, in other words in the way that he's got it set up. So if you haven't heard his program, I will be starting at the two minute and 49 second mark, which is kind of interesting because Steve Cioccolanti kind of admits that he doesn't know who it is that confirms the covenant. He says it might be the Antichrist, so I hope you're listening Steve, because I'll tell you who confirms the covenant in just a few minutes. So let's start with the correct place [here](#) on his program.

***"Daniel chapter 9 verse 27, 'Then he', this is the Antichrist, 'shall confirm' it may be the Antichrist. Now it's always assumed, so I'm doing what a lot of***

*prophecy teachers do, which is, you read a pronoun and then you translate it. Now it's probably true, but it may not be true. There may be another person involved here. You understand? So listen carefully. 'Then he', possibly the Antichrist, 'shall confirm a covenant'. Now this is plain as day. A lot of prophecy people will then say, 'Oh somebody's going to make a peace treaty.' No it doesn't say that. It doesn't say that. Somebody will make a peace treaty, but that's not who we're looking for. We're looking for someone to confirm; confirm a covenant."*

Okay Steve is correct on that, and he's correct and it might not be the Antichrist. Of course it is not the Antichrist, but he's right. The people we've discussed here on this program already; let's see Irvin Baxter and J D Farag, they both claim that it is the Antichrist who confirms this covenant and they change it from confirming a covenant to signing a peace treaty, and I don't know why they changed that, but anyway let's take a look at 9:26 and 27. I know I've shown this many, many times before on this program but it is the most important End Times prophecy verse in all of the Old Testament for the modern nation of Israel, and I'm going to read the quote that he just quoted from. Daniel 9:27.

<b>DANIEL 9:26</b>	<b>DANIEL 9:27</b>
<p><b>B)</b> And after sixty-two weeks the Anointed One shall be cut off but not for himself.</p> <p><b>C)</b> And a people of the prince who shall come shall destroy the city, and the sanctuary:</p> <p><b>F)</b> and the end thereof shall be with a flood,</p> <p><b>G)</b> and after the end of the war the appointed desolation.</p>	<p><b>A)</b> And he shall confirm the covenant with many, in one week:</p> <p><b>D)</b> and in the midst of the week he shall cause the sacrifice and the oblation to cease:</p> <p><b>E)</b> and there shall be in the temple the abomination of desolation:</p> <p><b>H)</b> and the desolation shall continue even to the consummation, and to the end.</p>

9:27 A “**And he shall confirm the covenant with many, in one week**”, and as Steve says, the other people who say this is the Antichrist, they really have no reason for saying that, and if you understand the structure, if you understand that you must unseal Daniel first, then you know that Daniel 9:26 and 9:27 are paired verses. In other words if you look at “B”, those two sections, the top half of the both charts that I have there, refer to the same person, and that is the Anointed One. In other words, the one who confirms the covenant with many in one week is the Anointed One. And in these End Times I have suggested all along that this is Netanyahu and in fact I believe this peace deal that Donald Trump signed was basically Netanyahu's peace deal. I think that he probably got everything he wanted. He certainly seemed very happy if you watched him at the public

announcing of this peace deal. And it was, I believe formulated mostly by Jared Kushner, his son-in-law. And what I am saying is that the Jews are going to reject this, and they will reject it by defeating Benjamin Netanyahu at the election, a little less than a month from now. We'll see if that plays out now. I certainly think we should pray that they do re-elect Benjamin Netanyahu. It still may not work out for him, because if he is the Anointed One, that means he is going to be cut off.

So let's look at the next part of this program, which is at the 5 minute 44 second mark. This is where he says the one who causes the desolation, and now he does say that this is the Antichrist, and I think he's wrong on this also. So let's listen to what he has to say here.

***“Somebody is going to come who will make desolate. He will be the anti-Semite. He will be anti-Jewish, and he will be the Antichrist.”***

Okay so let's take a look at Daniel 9:26 and 27 again. He says the one who makes desolate is the Antichrist. Well I used to think that myself, and so I can't really criticize him too much, but that's not who Daniel says it is. Let's look and see there.

And the one who causes the desolation is in C and D : **“And a people of the prince who shall come shall destroy the city, and the sanctuary: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and the end thereof shall be with a flood, and there shall be in the temple the abomination of desolation: and after the end of the war the appointed desolation and the desolation shall continue even to the consummation and to the end.”**

So, it might be the Antichrist. I don't believe it is any longer. I believe that this “prince who shall come” is a different person. It's the bad guy in this passage, and notice he does two things. The good guy, the Anointed One does one thing, and this is all fulfilled in the near-time when the Anointed One was Jesus. He is the one who confirmed the Messianic covenant. This person in the End Times who confirms the covenant, who I suggest is Netanyahu, is confirming the Abrahamic covenant. He is confirming the boundaries of Israel, and that the land of Canaan was given to the Jews in Israel in perpetuity. And I believe Donald Trump's peace plan confirms that covenant. In fact I believe this confirmation of the covenant; I think we are at the end or near the end of the seven years of peace, for the seven-year peace treaty.

That's in Daniel 9:27 A: **“And he shall confirm the covenant with many in one week.”** The “one week” is a week of years. That's seven years, and I think that we are near the end of those seven years, not near the beginning. If you remember Irvin Baxter yesterday said, “Does the seven years begin with this publication of the peace treaty or when it is signed?” And I said it's neither one. We are at the very end of that week, and we are about to enter the second part which is when the Anointed One is cut off, and then the prince who comes, who causes the desolation. I don't think it's the Antichrist, and the reason I say this, is that I think the Antichrist comes after all of the desolation. He is going to come to offer a solution to the problem. His destruction is all behind the scenes. He's not going to

make himself known. It's the same way in the Catholic Church. The False Prophet is paving the way for the Antichrist to set up his kingdom in the Vatican. That's where the Antichrist sets himself up first. He eventually goes to Jerusalem, but he starts first in the Vatican, but before that comes about, the False Prophet has to pave the way just as John the Baptist paved the way for Jesus.

So just as John the Baptist paved the way for the Christ, the False Prophet paves the way for the Antichrist. He sets the stage, and he does so by ruining the Catholic Church at the Vatican. Then the Antichrist can step in and people will accept him. It's just the fact that he might be a little different than the False Prophet. Even the good people, even the elect can be led astray by the Antichrist, because of his strategy which is pretty clever.

So let's look at now if you're following along, at 22:36 minutes. ***“Israel, the reality is Israel will never have all of the Promised Land without repenting and believing in the Messiah.”***

Okay now, as you and I know, I've discussed this many times. I don't think the Jews have to convert as Steve is saying here. They don't have to convert to Christianity. I used to think so, of course for many years also. They won't convert until they see Jesus return, at Armageddon and they see the holes in His hands. That's what Zachariah prophesized, and I think they're right. Remember the two witnesses in the Book of Revelation? They seal the remnant Jews, the 144,000. They seal them. They don't convert them. That means they will be protected. They won't be converted until the very end. As the Jewish teenager Natan says, the Jews in Israel have to convert to Judaism. That's what they have to accept. They have to repent of falling away from the Ten Commandments. As we all know they are promoting Tel Aviv as the Sodom and Gomorrah gay capital of the world and that's what they have to repent of.

The false prophets in Israel, as we found out in Jeremiah 23, lead the Jews in Israel astray by two means. Number 1, they say they can defend themselves. All they need are weapons; more and more weapons, more and more Iron Dome and they're safe. And number 2, they don't have to worry about the Ten Commandments. Those are the two huge errors that they make. That is what will cause their downfall, according to Jeremiah 23, and we've gone all over that.

So let's look at the next part where he talks about Revelation 11, and we did this with I think it was yesterday with Irvin Baxter, but he says pretty much the same things about Revelation 11. Steve Cioccolanti does and it's a mistake. Let's just see what he says here.

***“And Revelation chapter 11 predicts that the Gentiles will share the land till the second coming. Nothing will change that but the Messiah. Let me read it to you. Revelation chapter 11:1 (NKJV) “Then I was given a reed like a measuring rod. And the angel stood, saying, ‘Rise and measure the temple of God, the altar, and those who worship there. But leave out the court which is the outside the temple.’ This is so Gentile like. In case you don't know what the outside of the temple is or the outer Court, it's the outside part.”***

Okay so now let's look at Revelation 11, verses 1 and 2, and like practically all Bible scholars, in fact even Catholic Bible scholars, they don't understand that the holy city in the End Times is not Jerusalem. Instead it is Rome. John reverses the two cities, Rome and Jerusalem. In John's time the holy city was Jerusalem, the great city was Rome, but in the End Times it's just the reverse. The great city is Jerusalem and the holy city is Rome, and if you understand that, then you can understand the prophecy. So let's look at Revelation 11 verses 1 and 2, and I've showed you this before, just this week, but Steve is commenting on it, so I thought we ought to read it again, and this is what he just read. It's a different translation (DRB) but the same words basically.

Rev 11:1 And there was given me a reed, like unto a rod. And it was said to me: Arise, and measure the temple of God and the altar and them that adore therein.

Rev 11:2 But the court which is without the temple, cast out and measure it not: because it is given unto the Gentiles. And the holy city they shall tread under foot, two and forty months:

**“And there was given me a reed, like unto a rod.”** The angel gives John a rod. **“And it was said to me: Arise, and measure the temple of God and the altar and them that adorn therein. But the court which is without the temple, cast out and measure it not: because it is given unto the Gentiles. And the holy city they shall tread under foot, for 42 months.”**

The holy city is the Vatican, the holy city of Rome. “The court which is without the temple”, refers to all of the formalities of the Catholic Church; all of the organizational part, all of the buildings, all of the universities, the colleges, all of the parochial schools, all the convents, all the monasteries, all of the seminaries. All of those will be given to Pope Francis’ new One World Religion. The only ones left will be those who worship at the altar. That refers to those of us who are in the remnant Catholic Church. We are the “stone cut from the mountain” in Daniel 2. We are the “daughter of the robber” in Micah 5. We will separate ourselves from the robber. The Roman Catholic Church is called the robber, because it will take the daily sacrifice away from the Prince. It will steal the Eucharist, and this division, as I say, Jesus also talks about in Matthew 24, when he talks about the field.

Mt 24:17 And he that is on the housetop, let him not come down to take any thing out of his house:

Mt 24:18 And he that is in the field, let him not go back to take his coat.

Mt 24:19 And woe to them that are with child and that give suck in those days.

Mt 24:20 But pray that your flight be not in the winter or on the sabbath.

Matthew 24:18 **“And he that is in the field”**, that’s the Catholic Church, **“let him not go back to take his coat.”** So Jesus also talks about the separation; the stone coming out from the mountain, the daughter coming out from the robber, and the Catholic leaving the Roman Catholic Church. We are a remnant, and we must flee from the church taken over by the False Prophet,

and eventually taken over by the Antichrist.

So let's look and see what he talks about next. So as I say, Steve doesn't understand Revelation, just as even a lot of Catholic scholars don't understand. So let's look at the 41 minute mark. We're coming to the end of his program. I think his program lasts an hour, almost, and here he says the Antichrist breaks the covenant, and that's not quite right. So let's see what he says here.

***“It's not the person who makes peace who's the Antichrist, but the person who breaks the peace. I wish I could say that 50 times on YouTube, but nobody's going to get it, very few. If they get it, they're not going to quote Pastor Steve Cioccolanti. I don't know. I don't know sometimes it's just so hard to get the truth through to people. It's not the person who makes peace who's the Antichrist. See he's the person who breaks the peace.”***

Okay, so he's right about that, the Antichrist does not confirm the covenant, as we've been saying all along, but I don't think he's right also that it is the Antichrist who breaks this peace. I believe it is the “prince who shall come”. He could be the Antichrist. I don't think he is. I think the Antichrist is a little too smart for that. He lets someone else break the peace. He wants to be known as a peacemaker.

Okay so now let's look at the last section I want to look at here, and Steve Cioccolanti asks, is Donald Trump the Antichrist, which is the title of his program, and he finally gets around to it. I guess quite a few evangelicals have been saying that Donald Trump is the Antichrist, because of this peace deal, and of course that's not true anyway. We know that from who Donald Trump is, but we know that the one who confirms the covenant is the good guy, so if it is Donald Trump, as I say, I don't believe it's him, I think it's Benjamin Netanyahu. So let's get this final word from Steve Cioccolanti at 54:54 minutes.

***“Somebody takes the deal then a Palestinian or another Muslim leader will then break the covenant. They will break the deal. That guy is anti-Semite, hates the Jews. That guy is the Antichrist, hates the Christians. No matter what he says, there's lying and deception in his heart. So is Trump the Antichrist?”***

No. His program is [here](#) if you want to click on it and watch it, and he gives the same answer that Trump is not the Antichrist, but I'll let him do it, because he talks quite a long time. He talks about four more minutes of his program in which he talks about Trump is not the Antichrist. As you can see, Steve is a little bit better actually than either of the other two people we've had, Irvin Baxter and J D Farag. Both of whom believe the Antichrist is the one who signs a peace treaty with Israel and as Steve Cioccolanti pointed out, it's a confirming of a covenant is the actual terminology, and the covenant is the Abrahamic covenant in which Israel is guaranteed her land.

The only problem is, that we know from Daniel chapter 9 verses 10, 11 and 12, Israel loses that right to govern their land, although they stay in the land, they have to face the Daniel 9 war which is because they don't repent. They don't accept and they don't convert to Judaism. That's what they have to accept. They don't even

have to become Christian. Okay I think that completes my little study. Quite a few people are doing programs on Donald Trump's peace plan. I haven't thoroughly searched all of the other people. I'm sure I can find others. I mean this person is very popular. He's now up to 38,000 views on this video, all right. So he's gotten more views since just this afternoon, than I will get in this video for the entire life of this video, and that's because people with itching ears go after false prophecies. They don't want to hear the truth, certainly people in Israel. They want to be given pillows and cushions, which will be much to their ultimate disadvantage.

Okay, so may God bless all of you and may all of you have a very blessed day.
