

## **Mary's School of Prophecy Donald Trump in Bible Prophecy (Isaiah 45 and Micah 5) Pt 2**

Now we are talking about Isaiah 45 and Micah 5 as it relates to Donald Trump but there are quite a few sub-themes in those two chapters also, and we melded the two chapters together. This is unique as far as I understand in all of Bible prophecy. I've never heard anybody even suggesting that before, but as we showed yesterday, there are quite a few demonstrations that the prophecy is much easier to understand when these two chapters are melded together.

The sub-themes are, that there will be a division in the three main denominations, in other words there's a separation of the remnant Catholics from the Roman Catholic Church. There will be a separation of the remnant Jews from the nation of Israel and there will be a separation even among Protestants, because many of them will have to leave their denominations and join the Catholic Church. In this case not the Catholic Church of Pope Francis but the remnant Catholic Church, and we see that division also throughout these two chapters.

And I believe, just about every time either Isaiah or Micah use the pronoun "he", unless there's a specific somebody else involved, they are talking about Donald Trump. Now originally they were talking about King Cyrus, but King Cyrus is a stand-in for Donald Trump, and we have to understand that all of the proper names in these two chapters symbolize something else. And of course that's a characteristic of End Times prophecy, that the symbolic interpretation always takes precedence over the literal interpretation.

Okay so I did a little review already. I've already mentioned some things and I think I will review everything. It won't take about a minute to just review everything we've learned so far. The first thing we've got to say is the prayer. This is the prayer Catholic Crusader sent, and this is the prayer to Our Lady of All Nations.

In the name of the Father, the Son, and the Holy Spirit, Amen. Lord Jesus Christ, Son of the Father, send now Your spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from degeneration, disaster and war. May the Lady of All Nations, the Blessed Virgin Mary be our Advocate. Amen.

Thanks for sending that along Catholic Crusader, and first of all I want to review this Republican train crash. The Republicans were on this train. This was two years ago after the State of the Union. (*1<sup>st</sup> Feb 2018*). The train carrying the Republicans to their annual retreat crashed and ran into a garbage truck and that number on the engine 14 5 symbolizes Isaiah 45.

Does this mean, and I haven't figured this out yet; does this mean that Isaiah 45 is no longer in effect? In other words Donald Trump will be impeached. Is that what it means?

Now this is the truck that it crashed into, "Time Disposal". That symbolizes the end of time. That was a very significant action.

Here is the chart we are working from. (See page 3) This is when you combine Isaiah 45 and Micah 5, and we come up with a new chapter which I call Isaiah / Micah 50 and all the I's represent Isaiah 45. All of the M's represent Micah 5, and we looked at all the verses in the left-hand column but I would like to review those very quickly, and then we'll start on the verses in the second column.

Here are the first four verses;

- I-1** Thus says the Lord to my anointed Cyrus, whose right hand I have taken hold of, to subdue nations before his face, and to turn the backs of kings, and to open the doors before him, and the gates shall not be shut.
- I-5** I am the Lord, and there is none else: there is no God, besides me: I girded you, and you have not known me.
- I-3** And I will give you hidden treasures, and the concealed riches of secret places: that you may know that I am the Lord who call you by your name, the God of Israel.
- I-11** Thus says the Lord the Holy One of Israel, his maker: Ask me of things to come, concerning my children, and concerning the work of my hands give you charge to me.

## ISAIAH 45 + MICAH 5 = I - M 50

I - 1	I - 17	M - 10	M - 8
I - 5	I - 22	M - 13	M - 11
I - 3	I - 2	M - 2	M - 14
I - 11	I - 4	M - 4	M - 9
	I - 6	M - 6	M - 12
M - 1	I - 12		
M - 5		I - 8	I - 15
M - 3	I - 18	I - 14	I - 21
M - 7	I - 23	I - 20	I - 26
	I - 7	I - 25	I - 10
	I - 13	I - 9	I - 16
	I - 19		
	I - 24		

and we noted yesterday that the last verse I 11; the verses in Isaiah that normally follow this. 12, 13 and 14 do not follow this verse at all, and they don't make any sense, because the Lord says; **“Thus says the Lord the Holy One of Israel”**; Israel remember is a code name for the remnant Catholic Church, **“his maker:”** whenever there's “he” or “his”, and if there's no clear antecedent, that's referring to Donald Trump. **“Ask me of things to come, concerning my children, and concerning the work of the hands give you charge to me.”**

And we notice that the first four verses in Micah, we find the word “children” twice, once in Micah 3 and once in Micah 7. Then we find “daughter” in Micah 1. I don't think I went over the meaning of any of those verses, so let's do that, and I was going over the fact that those verses followed Isaiah much better than Isaiah 12, 13 or 14. So let's take a look at Micah 5 verse 1, and I don't think I did analyze this.

**“Now shall you be laid waste”**. And who is Micah talking to? I presume he is talking to the “daughter of the robber”, and that would be us, those of us in the remnant Catholic Church, and he says that we will be laid waste. I suspect that means we will go into the desert as also prophesied in the Book of Revelation, and Jesus said we must leave the field, and we will go into the wilderness and I'm sure that's what Micah is prophesying here. The “daughter of the robber”; the “daughter”

is a prophecy of one of the things that Isaiah said; one of the people, one of his children. The other children that he talks about are the remnant of Jacob, in other words the Jews in the End Times. Here he is talking about the Catholics. The “robber”, as I have said many times is the Roman Catholic Church, and the reason is because it steals the Eucharist; **“they have laid siege against us.”**

**M-1** Now shalt you be laid waste, O daughter of the robber: they have laid siege against us, with a rod shall they strike the cheek of the judge of Israel.

**M-5** And this man shall be our peace, when the Assyrian shall come into our land, and when he shall set his foot in our houses: and we shall raise against him seven shepherds, and eight princes.

**M-3** Therefore will he give them up even till the time wherein she that travails shall bring forth: and the remnant of his brethren shall be converted to the children of Israel.

**M-7** And the remnant of Jacob shall be in the midst of many peoples as a dew from the Lord, and as drops upon the grass, which waits not for man, nor tarries for the children of men.

Now I am not sure who “they” is in this. There is no antecedent for this. It could be the “robber”. I would not be surprised if we will be attacked by our own Roman Catholics, the ones who do not flee into the desert with us. The siege will be laid against us by that. Now it could also be the Deep State. The Deep State will oppose us, and there may not be much difference between the Deep State and the Roman Catholic Church. In other words those who follow Pope Francis so I’m going to say that “they” refers to the Roman Catholics who will persecute the Catholics who are faithful, mainly faithful to Pope Benedict; **“with a rod shall they”**, in other words the same people, the members of the robber shall, **“strike the cheek of the judge of Israel.”**

And I've mentioned before that the judge of Israel would be the Pope, and in this case the true Pope, Pope Benedict. And I've been saying for years now that he will be martyred, because I believe he is the bishop dressed in white as found in Fatima, and I think that's what Micah is prophesying about here.

Micah 5 verse number 5: **“And this man shall be our peace, when the Assyrian shall come into our land”**. Once again there's no antecedent for “this man”, but I believe any time you have a “he” or you have a person who is not described, I’m sure this is Donald Trump. He shall be our peace.

Now the next part it's not so easy to figure out; **“when the Assyrian shall come into our land”**. Well the “Assyrian” is easy to figure out. That's a standard precursor of the Antichrist, but what is “our land”. Now the land of Donald Trump would be the United States. Will the Assyrian, that is the Antichrist, enter into our

land? Well that's very likely and that's what I have been saying all along, but as I was studying this today, would the "land" be the Catholic Church? In other words the Antichrist shall come into our land. And we know that from La Salette that Rome will lose the faith and become the seat of the Antichrist. Is that what Micah is prophesying here? The Antichrist in our land, because who were we talking about? We were talking about the "daughter of the robber". When the Antichrist shall come into our land, that is the Roman Catholic Church, **"and when he shall set his foot in our houses"**. What would houses be? The houses would be our churches, and I've been warning you about these Catholic Churches that are putting huge screens up besides the altar. There is a purpose. That purpose will be so that the Antichrist can give you your Sunday sermon. He will give you your marching orders every Sunday. He will be part of the Homily. I believe that's what is going to happen, and I think that is what Micah is warning about here.

**"When he shall set his foot in our houses: and we shall raise against him"**, that's against the Antichrist; **"seven shepherds and eight princes"**. Well seven shepherds would be religious leaders, all people like Cardinal Burke for example or Archbishop Vignano, and eight princes would be leaders in the political realm against the Antichrist; seven shepherds and eight princes.  $(7+8=15)$ . And of course notice that adds up to the number 15. Fifteen is a number in Bible prophecy for Mary's Rosary so these will be holy people, who we will raise up. Now why do we have to raise them up? Well the reason is because we'll soon see I believe in the next verse, Micah verse 3.

**"Therefore will he give them up even till the time wherein she that travails shall bring forth"**. Once again I believe that "he" refers to Donald Trump. And what is he going to do? He's going to abandon us, as it says here. He will give them up and "abandon" is probably a better translation, and that's why we will need the seven shepherds and the eight princes. He will abandon them till the time wherein she that travails shall bring forth.

Now back when I did a series on the Great Sign. Remember the Great Sign September 23rd 2017, when all the stars and the planets and the Sun and the Moon lined up, according to Revelation 12? We saw, if you followed that at all, I'm sure you did if you watched any of my videos on Stellarium, in that constellation program, we saw the woman clothed with the Sun, with the Moon under her feet on her head a crown of twelve stars which consisted of the constellation, Leo plus the planets Mercury, Mars and Venus, and she gave birth to Jupiter, and it occurred a little over two years ago, on September 23rd 2017. And would you believe that Wikipedia has given me credit for discovering that sign? Finally! I mean I argued about it for years here on YouTube, but I was the first one to post a video showing that that prophecy was fulfilled on that date, in the constellations. And one of the things that I said would happen on that date would be that Donald Trump would be converted and I based that on this verse from Micah.

**"Therefore will he abandon us until the time wherein she that travails shall bring forth."** And that occurred in the constellations on September 23<sup>rd</sup>; **"and "the remnant of his brethren"**, that would be the remnant of the Protestants shall be converted to the children of Israel. And that lines up with exactly what Kim Clement

says. He says Esther will convert the Protestants, and his brethren would be the Protestants, because he's a practicing Presbyterian. And the woman in travail is Mary. You know I always thought that the woman in labor could not be Mary in Revelation 12, but she's in labor because she's converting the Protestants. I believe that is the correct interpretation, and that's what Micah is saying here, and that's what I believe Revelation 12 is also talking about.

Now obviously it did not occur on that date, so I'm not sure what the significance of that date is. We saw the sign, the Great Sign and the Bible calls it a Great Sign; we saw it occur, as I say, a little over two years ago, but I still think there must be some significance to that date. Is something going to happen for example 777 days after that date? If you follow Q at all, he makes a big deal about timing of events in that sense. And I would not be surprised, and I have said lately that it's possible that Donald Trump has been converted, and maybe he did convert on that date, and we don't know. He just doesn't say so because it's not going to help him at all politically that's for sure, but there he is, holding Our Lady of the Immaculate Conception.

When Fr. Andrew Mahana-Maronite exorcised the White House, he took a statue of our Lady of Fatima and President Trump asked the priest if he could keep it when he first moved in.

I believe that's a statue of Our Lady of the Immaculate Conception, and of course he's holding a rosary, but I would have to say that his Protestant brethren did not convert on that date, as Micah says that they will do.

Let's go back and continue these verses.  
**“The remnant of his brethren shall be converted.”**

Now the Douay Rheims Bible uses the word “convert”. Other Bibles say “turn to”, but we are talking about a religious turning, because he is going to be turned to the children of Israel. And I

think it is better to use the word “convert”, when you're turning someone from one religion to another, that's conversion, and I think “convert” is the correct term here. And I believe that Donald Trump will convert if he hasn't already, with his Protestant brethren, and I believe that will come about through the labor of Mary. That's one reason she earns the title Co-Redemptrix, because she is suffering.

She is suffering now to bring forth the Protestants into the true faith, and that's why Mary was weeping at La Salette.

Now let's look at the last verse, verse number 7. **“And the remnant of Jacob”**, okay so remember the last verse in Isaiah 45:11, God was going to tell about His children, so he's already been talking about the remnant Catholics and the daughter of the robber, and that they must separate from the robber, and they will go into a wilderness and they will be persecuted by the rest of the Roman Catholics. Here he is talking about the other children he's concerned with, and that's the remnant Jews who will be saved.

**“And the remnant of Jacob”**, remember that word “remnant” and we talked about this last night remember? We talked about the seed of Jacob. What's the difference between the seed of Jacob and the remnant of Jacob and we had talked about that. I didn't want to go into too much because I knew I would be going into it today. The seed of Jacob; that would be all the Jews, the entire nation of Israel, the modern End Times nation of Israel; that would be the seed of Jacob. There's no lessening of the number but there is with the remnant. That refers to a few of the Jews, and that's who God is referring to here. These are his children, the remnant of Jacob. Notice that the term is different than the remnant of Israel. Israel refers to the Catholics in these End Times, the remnant Catholics, and that's because Israel is his new name, the New Testament name. Jacob is his old name. That refers to the older denomination; that would be the Jews.

**“And the remnant of Jacob shall be in the midst of many peoples”**. And of course we know that the Jews are spread throughout the world at this time, **“as a dew from the Lord”**. So these are not the Jews who were part of the synagogue of Satan. These are fulfilling God's Word, the dew; **“and as drops upon the grass which waits not for man, nor tarries for the children of men.”** So I thought I would get to more than that, but I think that's a long enough lesson for today. We talked about the meaning of those four verses and that completes the left-hand side of the column. We already looked at the first four verses of Isaiah 1, 5, 3 and 11. Today we analysed the verses, 1, 5, 3 and 7 from Micah 5, so tomorrow we will start with the second column, and I think that's enough for tonight.

So may God bless all of you, and may all of you have a very blessed evening.
