

Ezra's Eagle: Prophecy of America's Fate in these End Times

This program will be my interpretation of a very significant apocryphal book, "2nd Ezra", that was left out of the canonical Bible but which seems, at least to me, to be an accurate End Times prophecy about the United States. For example, it follows a pattern that is typical in apocalyptic prophecy where the first narrated events have already occurred, and now, by the time Bible scholars understand its significance, the End Times prophecies are about to be fulfilled, not just in years but in a matter of weeks and months and perhaps even days. In a very short time, everyone will know whether Ezra is one of the greatest End Times prophets or a charlatan. Let's review chapter 11 of 2nd Ezra:

1) And it came to pass on the second night, I had a dream, and, behold, there came up from the sea an eagle, which had twelve feathered wings, and three heads.

All the commentators I have seen on YouTube tell us this eagle symbolizes the United States in these End Times and I agree with them. The twelve feathered wings symbolize specific American Presidents, as we will see. If this is a true prophecy, it means that the prophet Ezra saw America's End Times fate more than two thousand years ago!

2) And I saw, and, behold, she spread her wings over all the earth, and all the wings of heaven blew on her, and the clouds were gathered together around her.

Remember, in apocalyptic prophecy, the symbolic interpretation takes precedence over the literal interpretation. "Spreading her wings over all the earth" means that American influence is world-wide. Certainly this first prophecy of Ezra, chapter 11 is on the mark.

3) And I beheld, and out of her wings (or feathers) there grew other contrary wings (or feathers); and they became little pudgy wings.

Some translations say "wings" while other translations say, "feathers" and still other translations use both expressions. They all indicate that these "little" or "contrary" wings represent Presidents whose terms in office were shortened by assassinations or impeachments; in other words, by the enemies of democracy rather than through elections.

4) But her heads were at rest: the head in the middle was greater than the others, yet it rested with them.

Ezra describes the head in the middle as "greater" but that does not mean it is more important. As we will see, greater size indicates a longer time in office. And I want to give credit to Michael B. Rush who is acknowledged as the first to reveal this accurate

interpretation of 2nd Ezra which he called, “Ezra’s Eagle”. Unfortunately, neither Michael Rush, nor any other Bible scholar, recognize that these three evil heads refer to the three evil entities of the End Times which by now we should all know to be the False Prophet, the Antichrist, and Satan. This unholy trinity mimics the Divine Trinity. Incidentally, they are the same as the three red, white, and blue dragons in Dana Coverstone’s “Three Dragons Dream”.

5) Moreover I looked, and behold, the eagle flew with her wings, and reigned upon earth and over them that dwelt in it.

That phrase “reigned upon earth” verifies that Ezra knows what he is talking about, and is accurately describing the United States which is the world’s lone superpower.

6) And I saw that all things under heaven were subject to her, and no man spoke against her, no, not even one creature that is on earth.

This description might be considered an exaggeration of America’s influence but exaggeration is another typical characteristic of End Times Apocalyptic literature.

7) And I looked and behold, the eagle rose upon her talons, and uttered a cry to her wings, saying,

8) Do not all watch at the same time; let each sleep in her own place, and watch by course:

9) But let the heads be preserved for the last.

Thus, Ezra is telling us that her “wings”, or “feathers,” or “presidents” follow each other sequentially, that is, in chronological order. As you can see, in the illustration, (on the next page) the eagle’s feathers represent presidents of the United States.

10) And I looked and behold, the voice went not out from her heads but from the middle of her body.

Thus, we see that the evil heads, Satan, the Antichrist, and the False Prophet, do not hold influence over the United States at this time in our history and we have not yet become the “Whore of Babylon” as America is described by Saint John in the Book of Revelation. Eventually, however, Ezra will prophesy the enslavement of the American people.

11) And I numbered her contrary feathers, and, behold, there were eight of them.

These so-called “contrary” feathers indicate presidents whose allotted terms were cut short. We will need to understand this definition when we examine our current or would-be Presidents, Trump, Biden, and Harris.

12) And I looked, and, behold, on the right side there arose one feather, and it reigned over all the earth;

Here Ezra is beginning his sequence of American Presidents beginning with Herbert Hoover. He is shown as the top left feather on my Ezra's Eagle illustration. I have interpreted the "right side" as the right side of the Eagle which is the left side as we are facing it.

13) And so it was, that when it reigned, the end of it came, and the place thereof appeared no more: so the next wing following stood up and reigned, and had a long reign;

This President with a "long reign" refers to FDR, Franklin Delano Roosevelt who succeeded Herbert Hoover and was elected to four terms. Therefore, the top right feather that represents FDR in the illustration is longer than any other. Most other interpreters use illustrations of Ezra's Eagle with all the Presidents on one side. However, the location of this second wing or feather is not specified in verse 13. And I

want to give credit to the YouTube channel, “Last Days Saint”, who came up with this arrangement, because, as we review these Presidents you will notice that all the Democrats are located appropriately on the Eagle’s left side, and all the Republicans are on the Eagle’s right side.

14) And it happened, that when it reigned, the end of it came also, like as the first, so that it appeared no more.

Ezra says that FDR had a “long reign” because he was elected President for four terms. By contrast, the term “contrary feathers” indicates Presidents who have shortened or interrupted terms of office and refers here to President Kennedy, who was assassinated, and President Nixon who was impeached.

15) Then came there a voice unto it, and said,

16) Hear you that have borne rule over the earth so long: this I say unto you, before you begin to appear no more,

17) There shall none after you attain unto your time, neither to the half thereof.

The voice addresses FDR, the second President in Ezra’s sequence, who will have the longest reign of any President in American history and be elected twice as many times. He is located at the top right of my Ezra’s Eagle chart. Notice his feather or wing is longer than any of the other Presidents. Ezra’s prophecies seem to be one hundred percent accurate so far.

18) Then arose the third wing, and it reigned as the others before, and it appeared no more also.

This third President was Harry Truman. As a Democrat, he is located directly below FDR on the left wing of Ezra’s Eagle.

19) So went it with all the wings (or feathers) one after another, as that everyone reigned with power, and then appeared no more.

Thus all 14 Presidents from Herbert Hoover to Barack Obama are to be found on Ezra’s Eagle. Verse 19 shows how the narration of 2nd Ezra follows along chronologically.

20) Then I looked and behold, in due process of time the wings (or feathers) that followed stood up on the right side, that they might rule also;

21) And some of them ruled, but within a while they disappeared suddenly; and some of them rose up but did not rule.

22) After this I looked, and, behold, the twelve wings appeared no more, nor the two little wings (or feathers):

The two little wings, as I said, represent Kennedy and Nixon. So all together, there are fourteen feathers on Ezra's Eagle, but now, they have all disappeared into history and we arrive at the crucial End Times prophecies in Ezra's Eagle. As is typical in apocalyptic prophecy, the near time prophecy is given and fulfilled in order to verify the accuracy of the End Times prophecies which have yet to be fulfilled. The End Times prophecies invariably contain warnings, in this case, to our contemporary United States. So, why does Almighty God give End Times warnings? Because the prophecies can be modified, or perhaps even eliminated through prayer and fasting. That is how Nineveh avoided the prophesied chastisements given to it by Jonah. As I often say, God reveals the future not to scare us but to prepare us.

23) And there was no more upon the eagle's body, but three heads that rested, and six little wings.

The two little feathers that are added to the twelve feathers are not explained but we can deduce they must be, as I said, for the two presidents whose terms in office were cut short, Kennedy and Nixon. Thus, I am sure they are warnings about the six End Times Presidents we will discuss. The phrase "some rose up but did not rule" may refer to Gerald Ford who was never elected to the presidency but, rather succeeded to that office following Nixon's resignation. Then, all fourteen wings/feathers disappear and the eagle is left with six little wings and three resting heads. So next, we look at the tail of the Eagle's body where I have placed the six short feathers, all the while the three heads remain at rest.

24) Then I saw also that two little wings separated themselves from the six, and remained under the head that was upon the right side: but the four continued in their place.

These two short feathers, along with the other four short feathers are located in the tail of Ezra's Eagle.

25) And I looked and behold, those two little wings that were under the wing planned to set themselves up and hold the rule.

So, these two little feathers, or wings, are numbers 15 and 16 on the Ezra's Eagle chart. They are not the same as the two little feathers, numbers 19 and 20, which are under the right side head of the Eagle (at your left as you are looking at the Eagle). Since they follow Barack Obama they must refer to first, Donald Trump, feather number 15, and Joe Biden, feather number 16.

26) And I looked and behold, there was one set up, but suddenly disappeared.

Ezra says that Donald Trump, a short feather, feather number 15, "suddenly disappeared" because he was pre-ordained to serve two terms but his time was cut short, and I think, we all know by now how God's plan was thwarted, but we are not

allowed to talk about it here on YouTube. Remember, Ezra is prophesying all this 2000 years ago!

27) And the second also, this disappeared more quickly than the first.

Here is another amazing prophecy from Ezra that recent Bible scholars on YouTube admit will either prove or disprove Ezra's veracity. If Biden's term is shorter than Trump's, we will know within six months, and more likely sooner. If the Democrat party believes it will be to Kamala Harris' advantage to run as President Harris, the first woman President, you can bet they will find some way to remove Biden before the election. Biden needs to realize he is more valuable to them as a martyr! Is that the meaning of the "casket in the Rotunda" prophetic dream by Dana Coverstone?

28) And I looked and behold, the two that remained were planning between themselves to reign together.

The "two that remained" must be feather numbers 17 and 18, Kamala Harris and Tim Walz. Some may object and say that Ezra's Eagle shows only American Presidents and neither Harris nor Walz are Presidents. But, please notice, Ezra says they are merely PLANNING to reign together.

29) And when they were planning, behold, there awaked one of the heads that were at rest, namely, the one that was in the middle; for that was greater than the other two heads.

So, the head in the middle, that is, the False Prophet wakes up first. That was to be expected since he is the largest feather; in other words, his End Times reign is longer than either Satan's or the Antichrist's. Evidently, according to Ezra, the False Prophet will insert himself into American politics and that actually happened just this past week, in case you didn't notice. Pope Francis attacked both Harris and Trump; Harris because of her pro-abortion stance and Trump because he is against illegal immigration. This will have more effect than any of the media pundits realize.

30) And then, I saw how it allied the two other heads with itself.

So, if Ezra's Eagle prophecy is true, we can expect to see manifestations of both Satan and the Antichrist very shortly. The False Prophet's role is to announce the Antichrist just as Saint John the Baptist announced Jesus Christ. In Dana Coverstone's, "Three Dragons Dream", he is the white dragon and similarly appears before the red dragon, Satan, and the blue dragon, the Antichrist, before they appear.

31) And, behold, the head was turned with them that were with it, and did eat up the two little wings that were planning to reign.

Wow, another amazing prophecy. If this prophecy from Ezra is true and not apocryphal prophecy, we can expect to see both Harris and Walz, either drop out of the race or be soundly defeated in the election. Again, we are about to see Ezra's credentials either verified or debunked very quickly.

32) Moreover, this middle head gained control of the whole earth, and with much oppression dominated its inhabitants, and it had greater power over the world than all the wings that had gone before.

If anyone doubts the power of the Papacy, Francis has a billion loyal adherents which is 3 to 4 times more than any president. Not only that, but Catholics form the largest constituency in the Democrat party. It wouldn't take many more public proclamations from Pope Francis to doom the candidacies of Harris and Walz.

33) And after this, I looked, and behold, and, lo, the middle head suddenly disappeared and was no more, like as the wings had done.

This prophecy lines up with Dana Coverstone's dream about the red, white, and blue dragons.

34) But there remained the two heads, which also ruled over the earth, and its inhabitants.

Satan is a copycat so it is not surprising that the False Prophet would exit the world scene just as John the Baptist was martyred before Jesus.

35) And I looked and behold, the head upon the right side devoured the one that was upon the left side.

This is another incredible prophecy from Ezra. Since Satan cannot die, he must be the one who kills the Antichrist. This is entirely possible since Jesus said Satan was a murderer from the beginning, plus, there is no honor among thieves but, I can't think of any place in Scripture where this prophecy is also revealed. Will Ezra soon be recognized as one of the greatest prophets or a charlatan?

36) Then I heard a voice, which said unto me, Look before you, and consider what you see.

37) And I looked and behold, a creature like a lion chased out of the forest roaring: and I heard how he uttered with a man's voice to the eagle and said,

38) Hear you, I will speak with you, what the most high Yahweh shall say to you,

39) Are you not the one that remains of the four beasts, whom I made to reign in My world, that the end of My times might come through them?

This lion is undoubtedly the “Lion of Judah” who is Jesus Christ. The four beasts refer to the four beasts in Daniel 7, which come up out of the sea: the Lioness, which is Britain, the Bear which is Russia and the Leopard which is the United States. Since they represent both kings and kingdoms, the Lioness was Margaret Thatcher, the Bear was Dimitry Medvedev and the Leopard was Barack Obama. The “fourth Beast” that remains represents both the Antichrist and his kingdom, the One World Government. Therefore, the Lion of Judah is accusing Ezra’s Eagle of morphing into the kingdom of the Antichrist.

40) And you the fourth that has come, and has conquered all the beasts that have gone before, and had power over the world with great fearful terror and over all the earth with much grievous oppression; for so long as you have dwelt upon the earth with deceit.

41) For you have judged the earth but not with truth.

42) For you have afflicted the meek, you hast injured the peaceable, you have hated those who tell the truth, you have loved liars, and destroyed the dwellings of them that brought forth fruit, and have cast down the walls of them who did you no harm.

Although Ezra does not use numerology as often as other End Times prophets, notice there are six evils itemized here.

43) Therefore is your insolent, wrongful dealings come up before the Most High God, Yahweh, and your pride before the Almighty.

44) The Most High God, Yahweh, has also looked upon His times, and, His ages are completed, and His abominations are fulfilled.

45) Therefore you will surely disappear, you eagle, and your terrifying wings, and your most evil little wings and your malicious heads, and your most evil talons, and your whole worthless body:

Notice again there are six evils mentioned.

46) So that the whole earth may be freed from your violence, and may be refreshed and return, being delivered from your violence, and that she may hope for the judgment and mercy of Him that made her.

So, God will allow the unholy trinity of these End Times to take over America but He will also bring them to an end in the same way that He appointed Haman in the Book of Esther; but he also hung Haman and the ten sons of Haman. Haman symbolizes the Antichrist and his ten sons symbolize the ten kings of Antichrist. Moving on to Chapter 12;

1) And it came to pass, while the lion spoke these words to the eagle, I looked,

2) And, behold, the remaining head and the four wings disappeared. And the two wings that had gone over to it arose and set themselves up to reign, and their kingdom was small (that is short), and full of tumult.

I predict this likely pair will be Donald Trump and RFK Jr. Notice Ezra says they “reign together”. None of the others on Ezra’s list of presidents reign as a pair. These two wings separate from the Eagle because they will bring in a new system. This “Unity Party” is also prophesied by Kim Clement who says they will be neither left nor right.

3) And I looked, and, behold, they also disappeared, and the whole body of the eagle was burnt so that the earth was exceedingly terrified.

4) Then I awoke in great perplexity of mind, and I said to my spirit, behold you have brought this upon me because you search out the ways of the Most High Yahweh.

5) Behold I am still weary in my mind, and very weak in my spirit; and not even a little strength is left in me, because of the great fear with which I have been terrified this night.

6) Therefore will I now beseech the Most High Yahweh, that He will comfort and strengthen me to the end.

7) And I said, Oh Yahweh that bear rule, if I have found free unmerited favor before Your sight, and if I have been accounted righteous before You, beyond many others, and if my prayer has indeed come up before Your face;

8) Comfort and strengthen me, and show me, Your servant, the interpretation and meaning of this terrifying vision, that You may fully comfort my soul.

9) For You have judged me worthy to be shown the end of the times and, the last events of the time.

10) And He said to me, This is the interpretation of the vision which you have seen:

11) The eagle, whom you saw come up from the sea, is the fourth kingdom which was seen in the vision of your brother Daniel.

12) But it was not expounded to him, therefore now I declare it to you.

As I said before, the fourth Kingdom in Daniel 7 is the One World reign of the Antichrist.

13) Behold, the days shall come, that there shall rise up a kingdom upon earth, and it shall be more terrifying than all the kingdoms that have been before it.

14) And twelve kings shall reign in it, one after another:

15) But the second that is to reign, shall have more time than any of the twelve.

As I said before, this prophecy refers to FDR.

16) This is the interpretation of the twelve wings which you saw.

17) As for your hearing a voice that spoke, coming not from the eagle's heads but from the middle of her body, this is the interpretation:

18) That after the time of that kingdom, there shall arise great strivings, and it shall stand in peril of failing: nevertheless, it shall not fall then, but shall regain again its former power.

This sounds very similar to the vision that George Washington received at Valley Forge where the Blessed Virgin Mary appeared and showed him America's victory over all the world's nations that fight against us. Will this victory come under Donald Trump and RFK Jr?

19) And whereas you saw eight little wings (or feathers) clinging to her wings, this is the interpretation:

20) That in her there shall arise eight kings, whose times shall be short, and their years swift.

21) And two of them shall perish when the middle of their time approaches: (Kennedy and Nixon) **and four shall be kept for the time when its end begins to approach:** (Biden, Trump, Harris, and Walz) **but two shall be kept unto the (very) end** (Trump and Kennedy)

22) And whereas you saw three heads resting, this is the interpretation:

23) In the latter days shall the most High raise up three kingdoms, and they shall renew many things in it, and they shall have the dominion of the earth,

24) and its inhabitants, more oppressively, than all who were before them: therefore they are called the heads of the eagle.

25) For these are they who shall accomplish His final wickedness, and shall perform His last actions.

Yes, Ezra is here referring to GOD's final "wickedness". Yes, it is Almighty God who appoints the unholy trinity over the entire planet, as also prophesied in Scripture. I often call this mankind's final exam. Those who pass this test will be worthy to survive into the Millennium.

26) And whereas you saw that the great head appeared no more, it signifies that one of them shall die upon his bed, and yet with pain.

If Pope Francis is also the False Prophet, as I claim, we will likely see this scenario very quickly. It also lines up with Dana Coverstone's Three Dragons Dream.

27) For the two that remain shall be slain with the sword.

28) For the sword of the one shall devour the other who was with him: but at the end he shall fall by the sword in the last days.

Thus the see he Antichrist will be slain by Satan and Satan will be cut down by the two-edged sword that comes out of the mouth of Jesus Christ.

29) As for you seeing two little wings (feathers) from under the wings passing over the head that is on the right side;

30) This is the interpretation: It signifies that these are they, whom the Most High Yahweh has kept for the eagle's end: this was the reign that was brief and full of trouble, as you saw.

I believe Trump and Kennedy will extricate themselves from the two party system and become these two whom Almighty God will preserve until the end, and they will reign during World War 3 and into Armageddon, thus the phrase, "full of trouble". They will see the invasion of America as prophesied by Dmitru Duduman, as well as by George Washington. Duduman said that Russia will control the East Coast, China will control the West Coast and Cuba will be in charge of the Gulf coast.

31) And the lion, whom you saw rising up out of the wood, and roaring, and speaking to the eagle, and rebuking her for her unrighteousness with all the words which you have heard.

32) This is the Anointed, which the Most High Yahweh has kept until the end of days, who will arise from the posterity of David (obviously this is Jesus) and will come and speak to them; He will denounce them for their iniquities and their wickedness and will cast up before them their blasphemies.

33) For first He shall set them living before His judgment seat, and shall rebuke them, then He will destroy them.

34) For the rest of My people shall He deliver with mercy, those that have been pressed upon throughout My borders, and He shall make them joyful until the end comes, the day of judgment, whereof I have spoken to you from the beginning.

35) This is the dream that you saw, and this is the interpretation.

36) And you alone were worthy to learn this secret of the Most High Yahweh

37) Therefore write all these things that you have seen in a book, and put it in a hidden place:

38) And teach them to the wise among your people, whose hearts you know are able to comprehend and keep these secrets.

39) But you still wait here another seven days, so that it may be shown to you whatever the Most High Yahweh sees fit to show you. And with that, he went his way.

In conclusion, if 2nd Ezra, chapters 11 and 12 are true, it is an amazing prophecy. And, it shows that America will have a tremendous role in End Times events. Also, we won't have to wait long to find out if Ezra's End Times prophecies about America will come true.
