

## My People Perish for Lack of Knowledge

This is the second program on my new book, the 'Holy Spirit Guide to End Times Prophecy', and you really need this book.

This is the first of four volumes and you will need all of them because your Bible is not complete as far as End Times prophecy goes. All End Times literature must be interpreted by a co-prophet such as myself. So when you flee into the desert with the Woman, and you flee away from the Antichrist, you will need to understand what is going on because you won't have the Internet, you won't have television; you will have to rely on books such as this.

Now, one of my important duties in these End Times is to call out false prophets. And one of the most popular here on YouTube is a

man by the name of J.D. Farag and you can always tell him because he likes to wear Hawaiian shirts. I think he's based in Hawaii. And one of the ways you can tell any false prophet is because they never show you how to defeat the Antichrist and that's through Mary's Rosary just as David chose five smooth pebbles against Goliath even though he only needed one pebble. He chose five to let us know how Jesus will defeat the Antichrist and that's through Mary's Rosary.

And J.D. Farag doesn't even know where the Antichrist is found in Scripture. He recently published a video on his top ten prophecies being fulfilled right now in these End Times. And I watched the video because I was interested in that topic; I've done top 10 videos like that myself. And the easy ones he gets but the ones about the Antichrist and Jerusalem he messes up on. So first of all, number 10 (he goes down in order) he says earthquakes are increasing. Well, that's pretty obvious, they are increasing in both number and intensity. All you have to do is to check with the United States Geological Service and they will tell you, it's an obvious fact. Number 9 he says there will be increase of knowledge in the End Times, a fulfillment of Daniel; and that's also very obvious. Technology has increased in the last ten years more than it has in the previous ten centuries. So those prophecies are pretty easy, pretty obvious.

His mistake starts though with his number eight and that is because

he says it is the Antichrist who causes everyone to take the Mark of the Beast. That is a huge error. So let's listen to what he says himself: *'Many are familiar with Revelation chapter 13 (Let me read verses 16 and 17) It says he (speaking of the Antichrist) causes all both small and great, rich and poor, free and slave to receive a mark in their right hand or on their foreheads.'* There's only one problem; it is the False Prophet who causes everyone to take the Mark of the Beast, NOT the Antichrist. I mean this is a basic error! All you have to do is to read chapter 13 of the book of Revelation. The first ten verses have to do with a Beast that comes up out of the sea, the Antichrist. The number 10 is a secular number. The next seven verses have to do with the False Prophet, the Beast that comes up out of the earth. Seven is a religious number in Bible prophecy. J.D.Farag should understand that because it's right there. I challenge you: read chapter 13 in the book of Revelation.

Farag's next big error is number four on his list and again, he makes another mistake because it is not the Antichrist that confirms a covenant in Daniel 9. Go ahead, J.D., let's see what you say: *'It's this seven-year peace agreement that is described in Daniel 9:27, very detailed prophecy, let me read it. He (again speaking of the Antichrist) will confirm a covenant with many for one seven a period of seven, some of your translations render it one week, a week of seven years.'* I admit, Mr. Farag, you're not alone in this huge error. The reason people do not understand that the Antichrist is not the one who confirms a covenant is because they don't know how to unseal Daniel. You must unseal Daniel before you can interpret Daniel.

The false prophets all assume that Daniel 9:27 follows Daniel 9:26 chronologically and that is a huge error. If you understand how Daniel sealed up the prophecy, you will know that Daniel 9:26 and 9:27 are parallel verses. There is a 'good guy' and a 'bad guy' in both verses. The first guy is the 'good guy'. In the near time fulfillment, it was Jesus. Jesus is the 'anointed one' in 9:26 and he is one who confirms the covenant, a Messianic covenant, in 9:27. And the 'bad guy' was the Roman general Titus in both verses.

So in the End Times, the same pattern is consistent. The 'good guy'; and now, I have said the 'good guy' is Benjamin Netanyahu. But it may be Donald Trump if he achieves a peace treaty in the Middle East. Then he is the one who confirms the covenant. In any case, the

'good guy', the first guy, in both 9:26 and 9:27 is not the same as the 'bad guy'. And the 'bad guy', in both 9:26 and 9:27; that is the Antichrist. So how can we expect people like J.D. Farag to understand that Mary's Rosary is the weapon which defeats the Antichrist if he doesn't even know where the Antichrist is found in Bible prophecy?

Another one of his huge errors which he makes on all of his videos if you watch any of them, is that he believes the Middle East conditions that we face now are leading up to the Ezekiel 38 war: huge mistake! The Ezekiel 38 war is the Gog-Magog war and that's the same as Armageddon and that is not what we see in the Middle East today. The events in the Middle East today are leading up to World War 3 where Israel is defeated. If J.D. Farag were a true prophet, he would be warning Israel that they must repent.

So I made a chart called my Middle East War Chart (and you can find that in my new book, by the way) and let's just compare the Gog-Magog war, as described in Ezekiel 38, with Armageddon, and compare those two wars, which are the same war, with World War 3. For example, let's look at the 'who', WHO fights this war. The Gog-Magog war in Ezekiel 38 is between God and Gog. In Armageddon, the war is between Jesus and the Antichrist. And we see that in Matthew and Revelation, obviously the same war, Jesus versus the Antichrist, God versus Gog. Much different than World War 3 which is between Russia versus America and Britain.

And we find that in Daniel, Revelation and Jeremiah. Now, that's my interpretation. But the wars are completely different than the Gog-Magog war. Let's look and see who the battle is WITH. In Ezekiel 38 we find four or five countries mentioned but they symbolize the four compass directions. And that means 'many people', as Ezekiel says, 'many people'. That's the same as Armageddon in Revelation 16 where the 'whole world' is mentioned and in Matthew 24 where Jesus says 'all tribes'.

Those two wars are the same war and completely different than World War 3 in Daniel 8 which is the Ram versus the Goat or in Revelation, the Scarlet Beast versus Babylon. Those two are the same war also but they're completely different than the Gog-Magog war in Ezekiel 38. Let's look at where these three wars are fought. Ezekiel 38 says in verse 8, 'on the mountains of Israel'. That's where the battle of Gog versus Magog is fought. In Revelation 16:16, and Revelation 14:1 the war is battled on Mount Zion where Jesus returns. Those are the mountains of Israel, the same mountains. Gog-Magog is the same war as Armageddon. World War 3 as we find in Daniel, Revelation, and Jeremiah is on 'many waters'; completely different than on mountains.

Let's look at WHEN these wars occur and Gog-Magog war occurs at the end of Tribulation. Armageddon in Matthew 24:9, says immediately after Tribulation, the same time period. However, World War 3 according to Matthew 24:8 comes at the 'beginning of sorrows,

wars and rumors of war', not at all the same war. This is what we are leading up to in the Middle East, wars and rumors of war, not the Battle of Armageddon. Let's look at the WRATH in Ezekiel 38, the wrath is MY fury, God's wrath. The same as in Revelation 19 and 16 where it's Jesus' wrath, or God's wrath. That's because these are the same two wars. In World War 3 in Daniel 8, it's the Goat's anger against the Ram. The Goat stands for International Communism against Capitalism, against us. In Revelation 17:16, it's the Beast's anger, the Scarlet Beast. That's the same as the Goat and that will defeat the Whore of Babylon which represents us. And I encourage you to look up all of those Scriptural references. The same way with the 'cities that fall'. In one case, in Armageddon and Gog- Magog, it's from an earthquake, it's from God. Look at 'hail and fire'. Look up all of those references. Look at 'Babylon' or the 'birds of prey'. You will see for yourself.

And I don't know, I guess J.D. Farag hasn't looked at these verses. I published this years and years ago here on YouTube. I don't know why people don't pick up on it. I mean it's obvious. I published this chart back in, I think it was 2012. It's been out there at least 7 years. People still say that the events in the Middle East are leading up to the Ezekiel 38 war. That's a huge error. How can these people tell you how to defeat the Antichrist if they don't understand Bible prophecy? You must unseal Bible prophecy before you can't interpret. It's like having a jar of money: did you ever see a jar money in the store? They'll have a contest to guess how much money is in it and you'll see \$20 bills or \$5 bills or \$1 bills and you look at and you know, maybe there's \$500 in there, maybe there's \$1,000. You can get a rough idea but it isn't until you UNSEAL the jar and count the money that you get an exact picture.

And that's the same way with Bible prophecy. You have to unseal the prophecy, unseal Daniel, before you can interpret Daniel. Nobody on YouTube, except yours truly, knows how to unseal the prophecies of the End Times. You practically always have to; for example, adjust the chapter and verse structure. As in the example I gave was Daniel 9:26 and 9:27. No wonder people think the Antichrist is the one who confirms a covenant because they don't understand the Daniel 9:26 and 9:27 tell the same story. In fact, I mentioned this on the back of my book; read this back blurb on the back cover. It's got my picture, by the way. So if you want a copy of this book, and you will have to have this, not just your Bibles, in the refuges. You will have to have

this; the Bibles are not complete as far as End Times prophecy goes. You must interpret those End Times passages. You won't find this truth on the internet.

Very shortly, my channel will be taken off. My website will be taken down. You will need these volumes; there will be four of these books. In order to get this book, I'll tell you now how to get it. You can send me \$20 donation in the form of cash or a money order (no checks). And you can find my address on my [www.thirdeaglemedia.com](http://www.thirdeaglemedia.com) website which is listed below in the description box. If you would like two copies, it's \$35. If you go to my Pay Pal account, you can save the money of a postage stamp. Just click on \$21 for one copy <https://www.thirdeaglemedia.com/donate> (and I have to charge a little more because Pay Pal takes their cut) or you can order two copies for \$36. Be sure to let me know what your address is, otherwise I can't send you this book.

And like I say, I'm doing these videos because these books are critical. And there are so many false prophets on YouTube who are leading people astray. Jesus warned. The Bible says 'my people perish for lack of knowledge'. J.D. Farag's video (and I'll put a link to it below) has over a hundred thousand views.

<https://www.youtube.com/watch?v=XybwbqvGEzI>

There are a hundred thousand people who are being led astray, who do not have the knowledge of the End Times. They are being told lies about the Antichrist. And I don't blame J.D. Farag. I mean, he's probably learned that from other false prophets. But if you want the truth, I can't do any more than tell you where to find it! So until the next video on my book, I wish God's blessings on all of you.
