

# HOLY SPIRIT GUIDE TO END TIMES PROPHECY

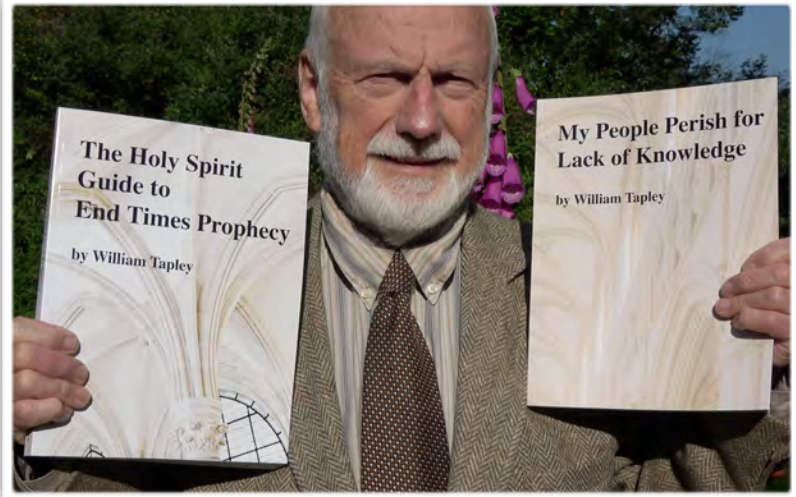

William Tapley publishes two new prophecy books

## Holy Spirit Guide to End Times Prophecy

This book is the first volume of a four book set which will be a compilation of all of the transcripts of my prophecy videos uploaded to YouTube. Volume one spans the years from 2008 - 2011. Thirty-five pages are devoted to the greatest Old Testament prophet of the End Times, Daniel. But who will survive the four Abominations of Desolation which Daniel warns about and which Jesus refers to in the Olivet Discourse? The four groups who survive into the Millennium are extensively described in this book: they are the Raptured Protestants, the Protected Catholics, the Holy Martyrs and the Converted Jews.

## My People Perish for Lack of Knowledge

This book is volume two in my series and it covers the years from 2012 - 2014.

## Why I wrote These Books

Last year I decided that I needed a hard copy of all my transcripts about End Times prophecy as uploaded to my YouTube channel, thirdeaglebooks. I had already posted them to my website, thirdeaglemedia.com. However, I soon learned it was 'easier said than done'. Printing a book is actually cheaper and easier.

I knew I had to accomplish this goal because censorship on YouTube is increasing exponentially and sooner or later it will engulf all true prophecy channels, including my own. Previously, I had urged my 50,000 plus subscribers to download my transcripts for the vital information they will need during the Great Tribulation in anticipation of this upcoming victory by the Deep State over truth on the internet.

As I started to copy more than 1000 sheets of paper, collate them, buy extra ink and paper, punch holes in the sheets and assemble them in a loose leaf binder, I realized there had to be a better way. Not only that, but the expense in time and money

was enormous. Would a printed version of the book be less of a burden for people to buy rather than all the time and resources they would invest in doing it themselves?

The answer is a clear 'yes'. Each printed book is a full size 8 1/2 by 11. Each book contains 315 pages of text, charts and illustrations which you will need to decode and decipher End Times prophecy at your location in either a safe refuge or in the 'desert'. The results are these first two books in my series, '**The Holy Spirit Guide to End Times Prophecy**' and '**My People Perish for Lack of Knowledge**'. I urge you to buy these books now before all communication between conservative Christians is banned. Please use the order form printed below.
