

Mary's School of Prophecy

Jeremiah 23 – Pt 9

Today we're going to talk about Wormwood, because he is an expression of the False Prophet. I'm going to prove that today by the way, and that is a good indication also that Wormwood in the Book of Revelation is the False Prophet. In fact I stated long before I even talked about Jeremiah 23 that Wormwood in the Book of Revelation referred to the False Prophet. And it's interesting that none of these revelations about Jeremiah 23, I mean Bible scholars, Jewish, Protestant, Catholic have studied all of the Bible for 2,000 years and no one has ever understood that Jeremiah 23 is an End Times prophecy. When I say End Times, I don't mean about the Jews returning to Israel because most people understand that, but I mean as a prophecy of the very end, the time we are living in right now.

And it's interesting that why would the Lord keep this hidden? And I think that there must be a difference, in other words, the Jews returning to Israel were obviously favoured by the Lord. They were fulfilling Bible prophecy and that's why they won their first three wars of independence against their Arabic neighbours but, according to Daniel, and according to the Jewish teenager Natan, they will not win the next war. The next war will be a defeat for Israel, and Jeremiah 23 explains why, as does Daniel 9. Daniel 9 is very interesting by the way, because you really feel sorry for Daniel if you read Daniel 9 verses 16 and 17, where he laments the defeat of Israel in the End Times.

Okay, the first thing we will do is do the prayer and this is the prayer that was given to Ida Peerdeman in Amsterdam, and this is for Our Lady of All Nations. So let's pray this together. In the name of the Father, the Son and the Holy Spirit. Amen. Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations that they may be preserved from degeneration, disaster and war. May the Lady of All Nations, the Blessed Virgin Mary be our Advocate. Amen.

And that prayer is very pertinent if you watched Michael Voris's program today where he says Pope Francis hates the United States, and I can see where he does, and in fact he hates all nations. He hates national entities. He wants a One World Government and a One World Religion and of course that is one of the missions of the False Prophet, and that's because he is going to introduce and bring in the Antichrist. The Antichrist is a world dictator over all of the world, all of the planet.

That's the symbolism of the triangle with the all-seeing eye at the very top of the triangle. That all-seeing eye represents any dictatorship, but for the Illuminati and One Worlders, it represents the Antichrist. And all the One Worlders are feverishly now trying to find the Antichrist because all of them are feeling a lot of pressure from Donald Trump, especially here in the United States. People like Hillary Clinton, Barack Obama, all of these people who are part of the pyramid'; they are in this

great deal of distress and they very much would like to know if one of them are going to be the leader, and it doesn't look like it. It looks like there must be another party and I'm not sure what will bring him to the fore, but it will be evil. It will be the epitome of evil.

So I will review the cryptogram once more, because this is my discovery, that in order to understand the End Times prophecy of Jeremiah 23, you must rearrange the verses. And this is not unusual in End Times prophecy and I've explained this before.

JEREMIAH'S CRYPTOGRAM								
line 1	1	6	11	16	21	26	31	36
line 2	2	7	12	17	22	27	32	37
line 3	3	8	13	18	23	28	33	38
line 4	4	9	14	19	24	29	34	39
line 5	5	10	15	20	25	30	35	40

We've looked at the first four lines so we are going to look at line 5, and I want to review the two verses that we looked at yesterday, which were verses 5 and 10 and we found that they were parallel verses. I'm not exactly sure why they are in this prophecy, except to reveal Enoch and Elijah, the good prophets of the End Times, because the title of Jeremiah 23 is "Woe to the pastors", and he talks about the false Catholic prophet, that would be Bergoglio. He talks about the false Protestant prophets and the false Jewish prophet. So let's just review this comparison between verse 5 and verse 10.

And first we see in verse 5, **"I will raise up to David a just branch: and a king"**. This does not represent the same person. These are two different people, and the second person has four characteristics. He shall reign be wise, shall execute judgment and justice. And now verse 10, we have two lands. The first is a land full of adulterers, and the second is the land that hath mourned, and this land that has mourned has four characteristics, cursing, dried up, evil and not right.

5. Behold the days come, saith the Lord, and I will raise up to David **a just branch:** and **a king** shall **reign**, and shall **be wise**, and shall **execute judgement** and **justice** in the earth.

10. Because the **land is full of adulterers**, because the **land hath mourned** by reason of **cursing**, the fields of the desert are **dried up**: and their course is become **evil**, and their strength **not right**.

So these two verses are parallel to each other, and you would never understand that these two verses are parallel if it weren't for Jeremiah Cryptogram, because of course in your Bibles, verse 5 and verse 10 are separated by quite a distance; separated by five verses. So this is a good indication that Jeremiah's Cryptogram, as I have published it, is accurate, and that is how we will understand the End Times prophecy. So now let's go on. This is line 5 on my cryptogram and we've looked at 5 and 10, so now we come to the crucial verse, verse number 15, where Jeremiah warns about Wormwood.

5. Behold the days come, saith the Lord, and I will raise up to David a just branch: and a king shall reign, and shall be wise, and shall execute judgement and justice in the earth.

10. Because the land is full of adulterers, because the land hath mourned by reason of cursing, the fields of the desert are dried up: and their course is become evil, and their strength unlike.

15. Therefore thus saith the Lord of hosts to the prophets: Behold I will feed them with wormwood, and will give them gall to drink: for from the prophets of Jerusalem corruption has gone forth into all the land.

20. The wrath of the Lord shall not return till he execute it, and till he accomplish the thought of his heart: in the latter days you shall understand his counsel.

“Therefore thus says the Lord of hosts to the prophets”. “Prophets” as we know unless it's got some kind of modifier, refers to the Protestant prophets. That's Jeremiah's code word. It's the same code word that John uses in the Book of Revelation talking about Protestant prophets. **“Behold I”**, this is Almighty God speaking, **“I will feed them”**, that is the false Protestant prophets, **“with wormwood”**, and Wormwood is **the** False Prophet; **“and will give them gall to**

drink". I believe Wormwood and gall refer to the false Eucharist. It's a perversion of the Body and Blood of our Lord. And Jeremiah adds, **"for from the prophets of Jerusalem corruption has gone forth into the whole land."**

Now that second sentence really does not add to the first part in which Jeremiah is talking about the false Protestant prophets and wormwood. And I will show you the reason why he brings in the false Jewish prophets, and that is so that this verse refers to all three categories of false prophets, and that's very important. That's why he brings that in.

Ordinarily if you were to write a verse and tell them that you're going to feed the Protestant false prophets with wormwood and gall, there's no reason to mention the Jewish false prophets. It looks like an afterthought but it's not. The reason is to set up the following diagram, which I am going to show you, about how we know that Wormwood is a Catholic priest.

	verse 11	verse 33	verse 34	verse 15
Protestant	prophet	prophet	prophet	prophets
Catholic	priest	priest	priest	wormwood
Jewish	my house	this people	the people	prophets of Jerusalem

There is the chart which shows you the four verses in Jeremiah 23, which list all three categories of false prophets; verse 11, verse 33, verse 34 and verse 15 up at the top. And on the left side I've got the three categories of false prophets; the Protestant, the Catholic, and the Jewish.

So let's look at verse 11 and we see that the terms are "prophet", "priest", and "my house", and God often uses the term "my house" or "my people" to refer to His chosen people. That's His house. Verse 33 uses very many of the same terms; "prophet" for the false Protestant prophets, "priest", which is always singular for the false Catholic prophet, that would be Bergoglio, and for the Jewish, the term is "this people".

In verse 34, it's very similar, "prophet", "priest", and "the people". And verse 15, there is a very significant change. We still have "prophets" for the Protestant, and at the bottom we have the "prophets of Jerusalem" for the Jewish false prophets, but as you can see, instead of the word, "priest", Jeremiah substitutes the word "wormwood".

Of course this is very significant, and this is called extrapolation. It's like solving for an algebra problem. So it's very obvious that these are the four verses in which all three classes of false prophets are listed. I think they are the only four verses, and instead of the word "priest", he substitutes the word "wormwood". And so, solving for "x", we know that "wormwood" equals "priest", in other words a Catholic priest. And the word "priest", is as I say, singular throughout. So let's look at those four verses where we find those three.

11. For the prophet and the priest are defiled: and in my house I have found their wickedness, saith the Lord.

33. If therefore this people, or the prophet, or the priest shall ask thee, saying: What is the burden of the Lord?....

34. And as for the prophet, and the priest, and the people that shall say: The burden of the Lord....

15. Therefore thus saith the Lord of hosts to the prophets: Behold I will feed them with wormwood, and will give them gall to drink: for from the prophets of Jerusalem corruption has gone forth....

So these are the four verses that were at the top of the chart. Verse number 11 is: **"For the prophet and the priest are defiled: and in my house I have found their wickedness, saith the Lord."** All three categories; verse 33 is, **"If therefore this people"**, that's God's people, **"or the prophet,"** that's the Protestant, **"or the priest"**; we now know who **the priest** is, singular, **"shall ask thee, saying: What is the burden of the Lord?"** etc.

Verse number 34: **"And as for the prophet,"** the Protestant prophet, **"and the priest,"** Pope Bergoglio, **"and the people"**, that would be the Jewish people, **"that shall say"**, etc. And then of course in verse 15, we have the key to understanding who wormwood is. **"Therefore thus saith the Lord of hosts to the prophets:"** the Protestant prophets, **"Behold I will feed them with wormwood,"** the false Catholic prophet Pope Bergoglio, **"and will give them gall to drink: for from the prophets of Jerusalem corruption has gone forth"**.

So now you know why Jeremiah adds that phrase, **“for from the prophets of Jerusalem corruption has gone forth”**, and that is so that all three false prophets are listed in verse number 15.

So let's finish reading the bottom line on Jeremiah's Cryptogram which is line number 5, and we've already read the first three lines, up to verse 15, so now let's read verse 20. And here we begin to read what God is going to do to the false prophets

“The wrath of the Lord shall not return till he execute it, and till he accomplish the thought of his heart: in the latter days you shall understand his counsel.”

That's the days we are in now, and how are we going to understand His counsel? There's only one way and we are doing it, and that is through a co-prophet. That's the only way you can understand the way Jeremiah sealed up his prophecy.

25. I have heard what the prophets said, that prophesy lies in my name, and say: I have dreamed, I have dreamed.
30. Therefore behold I am against the prophets, saith the Lord: who steal my words every one from his neighbor.
35. Thus shall you say every one to his neighbor, and to his brother: What hath the Lord answered? and what hath the Lord spoken?
40. And I will bring an everlasting reproach upon you, and a perpetual shame which shall never be forgotten.

And verse 25: **“I have heard what the prophets said, that prophesy lies in my name, and say: I have dreamed, I have dreamed”**. And I'm sure all of you know by now, which prophets he is talking about. The prophets who have dreams refer to the Jewish false prophets, and remember I told you the distinction between prophets who have visions and those who have dreams. Your young men shall have visions; your old men shall have dreams. Therefore Jeremiah is talking here about the false rabbis in Israel, in this verse.

Verse number 30: **“Therefore behold I am against the prophets,”** this would be the false Protestant prophets, **“saith the Lord who steal my words every one from his neighbour.”** And this is typical of the false Protestant prophets. One false Protestant prophet will say something, and they all climb onto it, and say the exact same thing. They say it must be true. He says it's true, it must be true, and I think I will stop there, and we'll do the rest of it tomorrow, the rest of the bottom line on Jeremiah's Cryptogram.

And if I have time, I'm going to enumerate the punishments that God is going to bring on the false prophets, and He is going to send them to Hell. And the reason is, not just because they are deceiving people, but they are going to cause their destruction. As Scripture says, "My people perish for lack of knowledge", and obviously right now there's people here getting the truth. If you type in "Jeremiah" on YouTube, you'll see thousands and thousands and thousands of videos, or Google "Jeremiah 23". None of them are telling you the truth, and what this means is that, there are very few who are going to be saved, who are going to receive the truth.

And I am convinced that this small stone, that you and I consist of, is being cut out of the mountain in Daniel 2. The mountain is the Roman Catholic Church, and we do start out small, and I am sure that you are going to be co prophets in your refuges. That's why you are learning this information, so as to pass it on to others who have not tuned in to this channel, and who don't understand how to unseal End Times prophecy.

And you should get my books, and let me just remind you how to get those. You can go to my website thirdeaglemedia.com and click on the Newsletter tab, click on July and there's an [order form](#) in there because you really do need the text books. And I hope most of you have your text books and are following them, because you only have one more study on Jeremiah 23. We will do the rest of line 5, and we will also, if I could get a chance, go over the punishments which God is going to give to the false prophets.

So may God bless all of you and may all of you have a blessed day.
