

## **Will the False Prophet be a Roman Catholic Cardinal?**

Recently, I made a very interesting discovery: in the book of Revelation, Saint John gives us a very important clue as to the identity of the False Prophet. Of course, I realize most people like to speculate on who the Antichrist will be, but don't forget, the False Prophet comes before the Antichrist. In fact, it's the False Prophet who causes everyone to take the Mark of the Beast, not the Antichrist.

In these End Times, there will be 4 evil entities: Satan, the False Prophet, the Antichrist, and the One World Tyranny. In order to discover who the False Prophet is, let's take a look at these 4 evil entities. In Revelation 12, verse number 3: '**And there appeared another sign in heaven: and behold a great red dragon, having seven heads and ten horns: and on his head seven crowns.**' This great red dragon is Satan.

Let's look at the second of these 4 evil entities, in chapter 13, verse number 1: '**And I saw a beast coming up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads names of blasphemy.**' Most bible scholars agree this beast from the sea refers to the Antichrist. He is the one, Jesus told the Jews, whom they would accept: '**another will come in his own name and him you will accept**'. The ten horns with crowns on this beast indicate that all the world's political leaders will endorse him. The seven heads with blasphemous names indicate that all the world's religious leaders will support the Antichrist.

Next, the third evil entity, chapter 13, verse 11: '**And I saw another beast coming up out of the earth, and he had two horns, like a lamb, and he spoke as a dragon.**' This beast is the False Prophet; and a fourth evil entity, chapter 17, verse 3: '**And he took me away in spirit into the wilderness. And I saw a woman sitting upon a scarlet colored beast, full of names of blasphemy, having seven heads and ten horns.**' This last Scarlet Colored Beast is the One World Communist Tyranny.

As you know by now, 4 is an extremely important End Times number in Biblical numerology. The book of Revelation is actually organized around the number 4 and not the number 7, as is commonly misunderstood. And, Saint John very often breaks down the number 4 into a 3 plus 1 combination, which gives it a divine authority because 3

is a number of the Trinity but also, so is the number 4 because 4 symbolizes the Father, Son and Holy Spirit equals God, 4 different groupings.

So now, let's look at how Saint John organizes these 4 evil entities of the End Times into several different 3 plus 1 combinations. And, after we have studied this I think we will see he is giving us a clue as to who the False Prophet will be. For example, there are 3 beasts and 1 dragon. There are 3 which have seven heads and ten horns and 1, that is the False Prophet, who only has two horns. There are 3 individuals who go to hell, but there is One World Tyranny that, of course, cannot go to hell. There are 3 that exist for seven years or more and there is 1 who exists, or perhaps I should say rules, for 42 months, and that would be the Antichrist.

So, as you can see there are many 3 plus 1 combinations, and now, let's look at the most important one. If we take a closer look at these 4 evil entities, we will find that one is associated with the color red, and that would be the red dragon, or Satan, and there is a Scarlet Colored Beast, which is also expressed by the color red, and that would be the One World Communist Tyranny. But, it's interesting that there are only two evil entities which Saint John associates with the color red. Doesn't that indicate that there might be a third connected with the color red? That would complete another 3 plus 1 combination (1).

Now, it could be the Antichrist who has the color red, but I doubt it, because the Antichrist comes after the False Prophet. If I'm right about this, Saint John is setting this up so we will understand better who the False Prophet is. In other words, the beast which comes up out of the earth and has two horns like a lamb and speaks like a dragon must also be associated with the color red.

Therefore, I am going to suggest that this False Prophet will be a Cardinal in the Roman Catholic Church. A Cardinal is definitely associated with the color red. That's what the word 'cardinal' means. We have cardiologists, for example, who do cardiograms. Those have to do with the heart and cardio means red.

Thus, we see that Saint John sets up quite a few 3 plus 1 permutations and combinations of the 4 evil end times entities. And, I believe one of the reasons he does this is to reveal this hidden permutation and combination. Since two of these entities are already associated with

the color red it's very likely that a third one is also associated with the color red and that would be the False Prophet. And, if the False Prophet is associated with the color red, might that not indicate that he is a high-ranking Cardinal in the hierarchy of the Roman Catholic Church?

So now, look at some other places in the book of Revelation where I believe Saint John describes the False Prophet, and let's see if a Cardinal could fit that description. For example, in Revelation 8, verse 10, Saint John describes Wormwood. Now, I know a lot of people believe Wormwood is an actual asteroid or comet, but remember, a symbolic interpretation in End Times Bible prophecy always takes precedence over the literal interpretation. Revelation 8, verse 10: '**And the third angel sounded the trumpet and a great star fell from heaven** (I don't believe this is the heaven above us; I believe this refers to a high-ranking Church official) **burning as it were a torch, and it fell upon the third part of the rivers** (could that indicate the Catholic Church, a third part of the rivers) **and on the fountains of waters.**' The fountains would be the hierarchy of the Catholic Church, the bishops and the archbishops and so on. Revelation 8, verse 11: '**And the name of the star** (now in this case "star" would be a very famous person, just like we have movie stars) **is called Wormwood** (this is of course, his symbolic name) **and the third part of the waters became wormwood** (in other words a third part of humanity) **and many men died of the waters** (now this would be a symbolic death) **because they were made bitter.**' The bitter waters refers to false dogma which this apostate Cardinal will teach.

To reinforce this idea that the False Prophet will be a high-ranking Catholic who apostatizes, that is, he renounces his Catholic faith, I believe Saint John gave us an example in the person of Martin Luther. Now, I have nothing against Lutherans; please don't call me anti-Lutheran. Personally, I believe many fine Lutherans will be raptured ahead of me, for example, but, Martin Luther was one of the worst of the reformers, which is, of course, why he is the most famous in the media.

Let's take a look at how Saint John describes Martin Luther, Revelation 9, verse 1: '**And the fifth angel sounded the trumpet** (again just like Wormwood, an angel sounds a trumpet) **and I saw a star** (in other words, another famous, high ranking person) **fall from heaven** (again, spiritual heaven) **upon the earth** (in other words, Martin Luther

renounced his Catholic faith and, in fact, he married a nun) ***and there was given to him the key of the bottomless pit.***'

Saint John says that this particular star which falls from heaven unleashes a plague of locusts which lasts for five months. Those five months symbolize five centuries. Martin Luther posted his famous ninety-five theses on Halloween of the year 1517. And, when you add five hundred years to that you get what I believe to be the date for Armageddon, and that is Halloween of the year 2017.

And so, in conclusion we see that Saint John uses all the important aspects of End Times Bible prophecy, and that would be symbolism, numerology, and historical pre figures, in order to give us all the clues we need to understand that the False Prophet of the End Times will be a high-ranking Cardinal in the Roman Catholic Church. And, as I have pointed out many times, it's extremely important to know who the False Prophet will be because he is the one who will cause everyone on earth to take the Mark of the Beast, and not the Antichrist.
