

## **OBAMA AT NOTRE DAME SIGNIFIES THE END OF CATHOLIC CHURCH**

On this program I want to talk about Barack Obama and his speech at the commencement of Notre Dame University. I believe that this has prophetic significance for the Catholic Church. First, let's look at the Book of Revelation and see the future of the Catholic Church.

In chapter 12, verse 6, Saint John writes: "and the woman fled into the wilderness where she had a place prepared by God that they should feed her there for 1260 days". This refers to the remnant Catholics fleeing away from the apostatized Catholic Church. Notice that Saint John writes here that "they should feed her." Who is Saint John referring to when he says that "they should feed her"?

Let's continue on in Revelation, chapter number 11. In verse number 2, Saint John writes: "But the court which is without the temple measure it not, for it is given to the Gentiles." This temple is not a Jewish temple, but the Catholic Church, and being given to the Gentiles means that the New World Order will take over the Catholic Church, just like Notre Dame has invited Obama to speak at their commencement.

And Saint John continues: "And the holy city they shall tread under foot for 42 months". Now this holy city is not Jerusalem; this holy city refers to Rome. And Saint John continues: "And I will give power to my two witnesses that they may prophesy for 1260 days" Now we know who the "they" are; these are the two witnesses who will nourish the Catholic Church in the desert. Notice the time frame is exactly the same: 1260 days. But what happens to the Catholic Church after Enoch and Elijah are assassinated?

Now Saint John writes that the woman "flies into the desert on the two wings of a great eagle where she is nourished for two times, a time and half a time". Notice Saint John says "is nourished", He does not say "they will nourish her", because "they", meaning Enoch and Elijah, have been assassinated. So how does the remnant Catholic Church retain their faith in the desert? Here we take a look at the "two wings of an eagle". Notice that neither of these time frames, the first half or the second half of the tribulation, there is no Pope and no organized Church to feed the remnant Catholics.

In the first half of the tribulation they are nourished by the two witnesses, Enoch and Elijah; and in the second half they are sustained

by the two wings of the eagle, the Rosary and the Scapular. Thus we see that Catholics must not be surprised at Notre Dame inviting Obama to speak at their commencement.

The Catholic Church WILL be taken over by the New World Order. You WILL see Catholic hospitals performing abortions. You WILL see the conscience clause taken away from all Catholics. Catholics WILL be forced to flee into the desert!
