

Another 444 Bible Prophecy Warning to America

Yesterday, Almighty God sent us another very terrifying warning: four people were killed in three separate accidents out in California and Arizona, and that was another 444 warning to America. Just a couple weeks ago, maybe you remember, there were 4 mass killings affecting 4 families in 4 states in 4 days. None of this numerology is accidental. God is very angry that America is killing unborn babies, and He is especially angry at the Affordable Care Act which will force Christians to pay for other people's abortions, contraceptives, and sterilizations. The only one who will benefit from the Affordable Care Act, as far as making a lot of money, is Planned Parenthood.

And maybe you already understand that Margaret Sanger was one of the very few female precursors of the Antichrist: and on what day did she die? She died on September 6, '66. That was not accidental and neither are these four deaths. Let me read this article, these were all dated November the 13th: **'Officials say 4 Marines killed in accident at Camp Pendleton'**. And now, here's the headline if you want to read it, I got this right off the internet. **'Four US Marines were killed Wednesday during a range maintenance operation at Camp Pendleton, in California the Base said in a press release.'**

And that's not the only incident. This is also dated yesterday, the Associated Press: **'4 Dead, 4 Injured.'** Let me read this article dated November 13th, as I said Yuba City, California: **'A crash at a Northern California highway intersection left 4 men dead and 4 other people injured, authorities said.'** This next story is also dated November 13th and I'll let you read those headlines: **'Police: Four dead, including suspect, after hostage situation in Phoenix. A hostage situation ended tragically in Phoenix, Arizona with four deaths, including the subject. It happened around 4 p.m.'** How much more warning do you want from Almighty God?

Now, God did not kill these people; it was either human error or human evil. Satan would like to kill all of us if he could! But God does allow these tragedies to wake us up. He allowed His own Son to die for our benefit. Why does God allow killings in the multiples of the number 4 in order to wake up America? Because both America's and Barack Obama's number in Bible prophecy is 444, as I have explained many, many times on this program. In Daniel 11, according to the verse structure, 444 is followed by 666 which of course indicates the Antichrist. In Daniel 7, the Leopard with 4 heads and 4 wings

symbolizes both Obama and America. And the Leopard is followed by the fourth and final beast, which is, of course, the Antichrist.

God has been warning America and the world for the last three years, since the Fall of 2010, with millions of fish, bird, and animal die-offs, and with blood in the water. These are all End Times plagues, but America has not woken up. How many deaths will it take? Because God is now allowing human beings to die. Will it take 4 million killed in 4 cities from 4 nuclear bombs? Because God will allow that also until you realize that killing innocent babies is a horrible crime against humanity.
