

## Revelation 12 Sign: Is Trump Now a Catholic?

I know a lot of you my subscribers are wondering how I will react to Donald Trump not making an official pronouncement that he has become a Catholic. However, there are some indications that he has, in fact, already become Catholic. And I never said that he would become a Roman Catholic; I mentioned that many times and the reason is because the Roman Catholic Church is being trodden under by the Gentiles, as prophesied in Revelation 11, and that comes just before the events in Revelation 12. And I was thinking at Mass this morning, I was looking at the right side of the altar where we have the red, white and blue American flag, and on the left side of the altar, we have the Papal flag, yellow and white. As you know, the yellow and white represents the two rivers that flow in heaven, flowing with milk and honey. And I was thinking back to Donald Trump's speech at the rally he gave in Alabama on Friday night, that would be the 22nd, but when he gave the speech the time in Jerusalem was already the 23rd, so I think that counts as significant. It struck me as very interesting that he was supporting a candidate by the name of 'Luther Strange' and I thought at the time, no Catholic, now this is symbolically speaking, of course, no Catholic would support someone named Luther. Certainly he would as far as politics go, but not as far as the symbolism. But then I got to thinking, what if his name was 'Luther is Strange'. So maybe Donald Trump was speaking as a Catholic; maybe that was his first Catholic pronouncement!

And it's also very interesting at that rally that he spoke out against those football players, who are multimillionaires, who refuse to stand for the national anthem and who refuse to respect the American flag. They are trying to, and when I say 'they', that's the news media, they are trying to make this into some kind of racist incident. I think the first football player who refused to stand was Colin Kaepernick. I don't follow the NFL any longer, not since they blackballed Tim Tebow, but I think he was the first. And I don't know if he's an African-American; he looks more white than black to me; that's neither here nor there, but it's not racist. I served in the military myself and most of my fellow military people, the soldiers I served with, 40% were African American. In fact, many of my officers were. So this is not at all racist; most African American football players stand for the national anthem. I mean this country has made them multimillionaires why shouldn't they stand? And I'm going to play this little clip so that you hear what Donald Trump says himself: **'Wouldn't you love to see one of these NFL owners,**

***when somebody disrespects our flag, to say get that son of a bitch off the field right now, out, he's fired; he's fired!***

I know you might say it's not Catholic of Donald Trump to call anyone a S.O.B., but Jesus himself called his enemies names; he called the Scribes and the Pharisees 'whitened sepulchers'. He called Herod a 'fox'. That's not much different than calling people who dis America sons of dogs; in fact it's very identical.

It's also very interesting to me that the two hurricanes coming up the East Coast are named after Mary and Joseph. I don't think these are all coincidences. I think Donald Trump has converted or is in the process of converting. I'm not sure if he will ever make a public pronouncement. I know that's what people want in order to fulfill the prophecy but if he acts Catholic, and the main thing he will do, if he is in fact now inspired by Mary and Joseph, the real Mary and Joseph, he will be able to persuade Congress to cut off funding for that evil, satanic organization called Planned Parenthood which rips apart unborn babies and sells their body parts. If he does that, and up until now he has not, then he will be fulfilling a Bible prophecy, he will be converting and he will bring many Protestants with him.

And I urge you Protestants to consider converting; you are found in the Revelation 12 sign. You are the male child who is caught up to heaven, if you convert, if you come to the truth through Mary. And the woman is Mary; the woman is not Israel. Please don't listen to the false prophets. Well, I'm not sure if that will convince you about Donald Trump becoming Catholic or not. I was hoping for something more positive, something more open, and that may yet come. Let me know what you think. Put your comments below.
