

## Did Q Anon Prophecy Pope's Change to Lord's Prayer?

This will be part four in my series on the amazing prophecy that Q Anon gave almost a month ago now on November the 14th and in that prophecy there was a recitation of the Lord's prayer, the 'Our Father'. And I mentioned it was very interesting that he used the Catholic version of the Lord's Prayer. Well, over the weekend, would you believe, Q Anon commented on that prophecy! So let's read what he says; and as you can see the date at the top was December the 9th, that was Saturday and I believe 12:12 means it was in the afternoon:

News unlocks map.  
Future proves past.  
Why was the Lord's prayer posted?  
Which version?  
Why is this relevant?  
What just came out re: the Lord's prayer?  
What can be connected?  
Do you believe in coincidences?  
Re-review the map post relevant news drops.  
Godfather III.

**'News unlocks map'**, and I'm not quite sure what that refers to; some of you who are more familiar with Q Anon's work can maybe explain that. **'Future proves past'**, so right away Q Anon is talking about prophecy because true prophecy comes true and that's what he is saying here. **'Why was the Lord's prayer posted?'** Well, I would like to hear why, Mr. Q Anon; let us know (I shouldn't say Mr., he might be 'she'). **'Which version?'** I told you it was significant that he used the Catholic version. **'Why is this relevant'**, and I think he answers that question: **'What just came out regarding the Lord's Prayer?'**

Well, as I'm sure you know by now, Pope Francis wants to adjust the translation of the Lord's Prayer; he doesn't like the phrase **'lead us not into temptation'** because he says God does not lead us into temptation. And he may be right on that; there may be a little better word there. But God does give us tests and trials; for example; Adam and Eve in the garden were tested by the **'tree of the knowledge of good and evil'**. So God could have left the tree out and there would have been no tests whatsoever, but of course, we don't gain spiritual

strength and wisdom unless we are tested. So to 'lead us not into temptation', God does not force us to submit to the temptation: he tells us that we must resist the temptation. But on the other hand, Almighty God does put tests in our path and that is for our own spiritual development. So I kind of disagree with the Pope on that; there may be a better word but I haven't seen it yet.

**'What can be connected'** Q Anon asks, and that IS the connection: that Q Anon posted the Catholic version of the 'Our Father' back on November 14th and now Pope Francis wants to change the 'Our Father'. **'Do you believe in coincidences?'** Well no, I don't, Q Anon, but how did you know the Pope was going to change the 'Our Father' or suggest that the change be made? I believe in France they've already made the change. Did you, number one, have inside knowledge? Did you hear about this beforehand or were you guided by the Holy Spirit? You do not explain that entirely in your posting. **'Re-review the map post relevant and news drops.'** And I haven't; as I say, I'm not familiar with the rest of Q Anon's work; so if some of you have suggestions on it I'd like to hear them. **'Godfather III'**, well I've never watched any of the Godfather movies; I hate to see murders on the screen, it affects me and I have not seen any of those movies. I hate to see movies about the Mafia anyway. But I did read a synopsis of the Godfather III in Wikipedia and I guess shenanigans in the Vatican played a big part in that movie. And it was reported: the murder of Pope John Paul I.

Well, let me tell you where the movie got that from: Mary revealed to the seer of Bayside, Veronica Lueken, that Pope John Paul I was indeed murdered and she names the Cardinals who did it: Cardinal Casaroli, Cardinal Benelli and Cardinal Villot. And Mary told Veronica that they poisoned a drink of onion juice and that's what killed Pope John Paul I. And there's an interesting rumor that when Pope John Paul II came to Rome he brought along his own cooks from Poland. I'm not sure if that's true or not but it's kind of an amusing incident and I wouldn't blame him.

So what is significant about this is that Q Anon is giving true prophecy and we should not be surprised. By the way, I am sure all of his posts, or her posts, are approved by Donald Trump, and they may come from Donald Trump personally. Donald Trump is prophesied in the Bible to smash the 'gates of brass' and the 'bars of iron' in Isaiah 45, verse number 2. And that means that he is going to smash the One World

Government (bars of iron) and the One World Religion (gates of brass). So we shouldn't be surprised that Donald Trump is taking on Pope Francis and we shouldn't be surprised that Pope Francis, as the False Prophet, opposes Donald Trump. And these two gates of brass and iron are also prefigured in Daniel, chapter number four. Remember, the great and magnificent tree which is cut down symbolizes Western Civilization in these End Times. It is cut down by order of the Watcher and the Holy One. The stump that is left is banded with a band of iron and a band of brass: that symbolizes the constriction of Western Civilization by the One World Government and the One World Religion.

And now, I want to close by commenting that Q Anon's original post was Apocalyptic Literature. The title of it was: **'For the coming days ahead'**. Q Anon knew he was giving prophecy. Did the prophecy come from his own knowledge or was the Holy Spirit guiding him? He divided those 53 verses, or lines, of that original prophecy into three sections, in other words, the title plus his two signatures, Q and Q form the dividers. And the other 50 verses were divided into a 10 plus 10 plus 10 plus 10 division: that represents Mary's Rosary. And that is a typical feature of all Apocalyptic Literature. And so, did Q Anon understand that also? If he did not, he was inspired by the Holy Spirit; just as I think he was inspired by the Holy Spirit to post the Lord's Prayer, almost four weeks ago as a prophecy of what Pope Francis is suggesting.
