

Two Canonizations and the Mystical Number 153

This weekend marks the canonization of two of the wonderful little seers of Fatima, Jacinta and Francisco Marto, and I'm looking forward to watching this ceremony on television although, we must remember, that the taken over Vatican will very possibly introduce some kind of evil logo to mar the festivities.

Saint Jacinta de Jesus Marto and her brother Saint Francisco de Jesus Marto

And on this program I want to talk about the relevance of that in comparison to the great mystical number 153, which is the number of Hail Mary's in a complete, three mystery Rosary, and that number is very significant, and it also has quite a few interesting mathematical properties; look it up if you're interested. We first see it in Genesis 3:15, (3-1-5), where Mary is prophesied to crush the head of the serpent. And we see it in this first appearance of Mary at Fatima one hundred years ago on May 13th, in other words, (5-1-3), and of course, the number 153 is extremely significant in Bible prophecy in the miraculous draft of fishes where Peter catches 153 large fish and that is also an End Times prophecy which I've talked about many times.

On this program I want to refer to 2nd Kings where we also see the number 153 and its Marian significance. If you remember that story, the king sends a delegation to Elijah after he finds out that Elijah

knows that he is sick and he sends a captain along with fifty men and they try to command Elijah to go see the king and Elisha says ***'if I'm a man of God may fire come down and consume the captain and his fifty men'*** and of course, that's exactly what happens. However, the king is not deterred, he sends another captain along with 50 more men and Elijah does the same to them. The third time the king sends a captain and 50 men, the captain is much more humble; God is appeased and He sends Elijah to the king. As you probably have added those up that's a total of 153 men who finally appease Almighty God.

But why didn't God and Elijah listen to the first fifty one, the first captain and his fifty men? Well of course, the captain was very arrogant; but 51 is also the opposite of 15, the number of Mary's Rosary in Bible prophecy: 5 plus 5 plus 5, which will defeat 6 plus 6 plus 6. The reverse of a Marian number is always evil and of course, when he sent the second 51, that only totals 102 individuals. It wasn't until 153 total were sent that God's anger was appeased. That is a lesson for us in these End Times. Please note, by the way, that between the first appearance of Mary to the three Shepherd children on May 13, (5-1-3), until the great Miracle of the Sun, on October 13th, is 153 days! That is not accidental!

Now, we do see the reverse of 153, that is Satan's backwards expression of the number, in Pope Francis' apostolic exhortation, *Amoris Laetitia*, and that is in footnote 351, the evil representation of Mary's Rosary number. In that footnote, Pope Francis says there are occasions where people living in mortal sin may receive Holy Communion. That will eventually result in the Abomination of Desolation for Catholics. And as I say, pay attention to the canonization ceremonies this weekend. Let me know what you see. I'm sure we will see some kind of expression of Pope Francis, the False Prophet. I am sure he will mar what should be a glorious event in the Catholic Church. And please be aware of the significance of those dates between May 13th and October 13th. And of course, towards the end of that time period, the Great Sign appears in the constellations. So those of us, especially Catholics, who are aware of End Times Bible prophecy, these are very amazing times indeed.
