

## Natan's Vision and the Third Secret of Fatima

This will be a continuation of my series on the amazing vision which that Jewish teenager, Natan, received several months ago during a near-death experience in Israel. And I have been demonstrating how his vision completes one of the most amazing prophecies in both the Old and the New Testament and that is the rescue or 'sealing' of the 144,000 from the Twelve Tribes of Israel as described by John in the book of Revelation.

On this program I want to show how Natan's vision completes the

Lucia Dos Santos

prophecy which Mary gave to Lucia Dos Santos at Fatima and, only recently, the Vatican has released the Third Secret of Fatima and on this program I want to show you how Natan's vision and the Third Secret of Fatima fit together like a hand in a glove. They complement each other. They actually tell the same story. Natan tells the story from the perspective of the Prophet Elijah. Lucy tells the story from the perspective of the Prophet Enoch.

First, let's begin by reviewing the prophecy that Natan received and then I will read for you the 'Third Secret of Fatima' and I'll let you decide. See if you don't agree with me that these two prophecies are related and they are being revealed for us now because the prophecy is about to be fulfilled. The Jews in Israel are about to see the Abomination of Desolation spoken of by Daniel the Prophet which Natan makes clear is the Third World War and as Jesus said, **'When you see that abomination, let those who are in Judea flee to the mountains'** and we have discovered, through Natan's amazing vision, that mountain is the Mount of Olives. So let's begin by reviewing what Natan saw.

**'Now what I also saw is that Har Hazeitim, the Mount of Olives next to Jerusalem, well those who have the merit to be saved (this is the Remnant of Israel) so that mountain will split in two (and that is also prophesied in Zachariah) and the moment that the mountain splits into two, in that second, the Mashiach (or Messiah or Anointed One) will be revealed to everyone. Meaning before everyone. Everyone will simply see that it's the Mashiach, and will**

**understand it's the Mashiach. Here he is, revealed to everyone.'** And what Natan is describing here is the Prophet Elijah, as I have been saying on this program, many, many years now, and I also believe that the Prophet Elijah is currently in Israel. I believe he is wearing sackcloth; that means his identity is hidden. And as I have suggested before, I believe that he is, in fact, the Prime Minister of Israel and that is Benjamin Netanyahu. I could be wrong. It could be some other well known personality in Israel. Natan says, on this program, that he is a secular leader, not a religious leader.

And Natan continues: **'No, they will rise up...you know how on Har Hazeitim there are graves?'** The Mount of Olives is a traditional cemetery for Jerusalem and there are now streets from Jerusalem that go through the cemetery. When Jordan was in control of the area, they built four roads much to the consternation of the Jews who lived there because they had to tear up quite a few of the graves. So **'two of the dead people will arise.'** Now this is very interesting. Although he mentions graves, he does not say the two people will arise out of those graves. We know from the book of Revelation that the two witnesses lay in the streets; the people do not allow them to be buried. We also know from what Natan is saying here is that more than two will be killed, the dead people, two of them, will arise: **'Two dead people will come back to life.'** That is exactly what we find in the book of Revelation. **'One from here, and one from there, and it will split in two. That is how it will happen.'**

Now, Natan continues talking about whom he calls the Mashiach or the Messiah, however, the Prophet Elijah is not the Redeemer of Israel. The Prophet Elijah is the 'Eleventh Hour' Mashiach, in other words he saves the people of Israel, the Remnant, from this Abomination of Desolation. **'He repented. Yes. He didn't commit any transgressions he didn't commit any transgressions since he repented.'** This shows us that Natan is not describing Jesus who is the 'Midnight Messiah', the one who redeems Israel. He is talking about the Eleventh Hour Messiah, the one who comes just before Jesus. **'He didn't commit even one transgression. It can't be that the Mashiach is someone who committed transgressions. Now, it can be someone who we actually know very well** (and as I have been saying on this program, I believe it is the Prime Minister Netanyahu) **who we know very well. Lots and lots of people know him, according to what I understood and everyone will be very, very surprised that he of all people is the Mashiach'** and of course

that would be surprising. And Natan continues: ***'I also saw that the moment that Har Hazeitim splits into two, then the Mashiach (the Messiah) will stand at the entrance but he won't see who is religious or who has a beard or who a person is. What he will see, he sees according to a person's holiness, he will smell each person, he will smell if someone has holiness, if he is pure (in other words the odour of sanctity) if he does mitzvot (that is if he performs acts of kindness or good deeds) to see if he really has true fear of Heaven, and not the fear of punishment, and things like that.'***

So, a lot of the Jews are not going to qualify; they are not going to repent as Natan says they must. And Elijah is only going to seal a remnant of Israel and they will go into the Mount of Olives. Maybe the Mount of Olives forms, perhaps, a cave. It will be some kind of a refuge for the Jews in Israel. And notice, by the way, the plus sign over Natan's head, it looks something like a cross, and the minus sign over Rabbi Levi's head.

I think that indicates that what Natan says is true. What the Rabbi, Rabbi Levi interprets, is not true. He does not have an understanding of this vision although he did a wonderful job bringing this to the forefront so I congratulate him for that. Nor does Natan understand the vision. He does not understand that, for example, his vision completes the prophecies of Fatima and that should not be surprising. Even the great Prophet Daniel did not understand his vision.

So now, let's look at the Third Secret of Fatima which was given to Lucia Dos Santos on July 13th, 1917, and this has been called the 'Third Secret of Fatima.' This is the one which refers to the Prophet Enoch who Lucia calls the 'Bishop dressed in White'. Now, I should mention here that just as the Prophet Elijah, clothed in sackcloth, is in

fact Prime Minister Benjamin Netanyahu, Enoch also is undoubtedly clothed in sackcloth and he is this 'Bishop dressed in White'. In other words, he is Pope Benedict. And one of my subscribers, ulphil08, suggested that last week, on my other program, and I agree with you 100%, this 'Bishop dressed in White', and the Prophet Enoch are, in fact the same; Pope Benedict.

**'After the two parts which I have already explained,'** the first two secrets of Fatima have already been fulfilled. They refer to the rise of Russia, the spread of her error throughout the world. They refer to the end of the First World War, the coming of the Second World War, and if her requests to pray the rosary are not adhered to then there will come a Third World War including the destruction of nations. We have not seen that part yet and we have not seen this 'Bishop dressed in White'. **'At the left of Our Lady and a little above, we saw an Angel with a flaming sword in his left hand; flashing, it gave out flames that looked as if they would set the world on fire; but they died out in contact with the splendour that Our Lady radiated towards him from her right hand: pointing to the earth with his right hand, the Angel cried out in a loud voice: 'Penance, Penance, Penance!'** And that is basically the same message that Natan gave in his vision. He received the word from Almighty God that the Jews in Israel must repent if they hope to be sealed by the Mashiach, the Prophet Elijah. **'And we saw in an immense light that is God: something similar to how people appear in a mirror when they pass in front of it, a Bishop dressed in white, we had the impression that it was the Holy Father'.**

Notice Lucy says here 'WE thought he was the Pope'. In other words, there is some controversy because today, there are two Popes and as I have been saying on this program, I don't believe Pope Francis is a true Pope whereas Pope Benedict is the true Pope. I believe he is the 'Bishop dressed in white' that Sister Lucy is talking about and when she says 'we' she includes her two cousins Jacinta and Francisco. They also saw this vision and they have been made into saints in the Catholic Church. **'Other Bishops, Priests, men and women Religious going up a steep mountain** (we know from Natan's vision that this is the Mount of Olives) **at the top of which there was a big Cross of rough-hewn trunks as of a cork-tree with the bark; before reaching there the Holy Father passed through a big city half in ruins** (from Natan's vision we know what city Lucy saw and that is the city of Jerusalem, 'half in ruins' because it is experiencing the

Abomination of Desolation which we now know from Natan's vision is World War III) ***and half trembling with a halting step, afflicted with pain and sorrow, he prayed for the souls of the corpses he met on his way.*** So we see that there are more than just the two witnesses Enoch and Elijah here. There are other people that accompany this Bishop in White. ***'Having reached the top of the mountain, on his knees at the foot of the big Cross he was killed by a group of soldiers who fired bullets and arrows at him.'***

Currently there is no big cross on the top of the Mount of Olives but notice Lucy says that it is a 'rough-hewn cross', in other words, it is very likely a temporary structure just put up here probably by Islamic militants who are now in charge of the city of Jerusalem and they are making fun of this group of people who they are about to execute. ***'He was killed by a group of soldiers who fired bullets and arrows at him, and in the same way there died one after another Bishops, Priests, men and women Religious, and various lay people of different ranks and positions.'*** One of the lay people is Benjamin Netanyahu in my opinion. ***'Beneath the two arms of the Cross there were two angels each with a crystal aspersorium in his hand, in which they gathered up the blood of the Martyrs and with it sprinkled the souls that were making their way to God.'***

I think we can see that there definitely is a comparison between the vision Natan received and the vision Lucy received. One is of the sealing of the Twelve Tribes of Israel from Elijah's perspective; that is what Natan saw. That occurs after they are resurrected from the dead. Sister Lucy saw this event before the resurrection and she saw the Prophet Enoch. So in conclusion, let me know what you think. I believe there is an amazing connection between these two visions, between these two prophecies. I believe Almighty God in these End Times is giving us the entire picture, all we have to do is connect the dots between the Prophet Daniel, the Prophet Zachariah, John in the book of Revelation, the Olivet Discourse and now, even Natan's vision and the Third Secret of Fatima.
