

## Micah 5 Prophecy: Fate of Israel on 23rd Sept 2017

This will be part 6 in my series on the amazing End Times prophecies in Micah, chapter number 5, and so far we've seen that he gives prophecies about Donald Trump, as the leader of America, and also of the remnant Catholic Church in these End Times. And also it is a warning to the End Times nation of Israel; and both of these basic events will occur on September 23rd, 2017, when the Great Sign prophesied in Revelation, chapter 12, appears in the constellations. And this is my artist's rendering of the Great Sign. It does not show the Blessed Virgin Mary as Virgo but you can see that interpretation on the computer program Stellarium.

My interpretation here is of a woman about to give birth and that is what fulfills Revelation 12. And I believe this does refer to the nation of Israel. So let's start by looking at Micah's prophecy chart; and I have rearranged the verses so they give an End Times prophecy, not only in the verse arrangement, but also as far the message in the verses as they follow in sequence.

And we've already discovered that the verses to the left, that is 1, 5, 3, 2, 4 and 6 refer to Donald Trump and the verses on the right, that is seven through 12, are prophecies about the nation of Israel. So let's start by looking at verse number 8: '**And the remnant of Jacob shall be among the Gentiles in the midst of many peoples** (and of course we see that even today; the Jews are scattered throughout the world) **as a lion among the beasts of the forests, and as a young lion**

***among the flocks of sheep: who when he shall go through and tread down, and take, there is none to deliver.***' And this goes with Micah's previous prophecy that the remnant Jews are like a dew fall from heaven, that is, a blessing upon the peoples of the earth. And that term 'remnant of Jacob', as I've said many, many times, not only in Micah 5, but also Isaiah 45, is Micah's and Isaiah's code word for the End Times remnant Jews. And I think Micah is right when he says they are like a lion among the flocks of sheep. I think Micah is telling us that, yes indeed, the remnant Jews of Jacob are a very powerful force in today's society, especially in Trump's administration.

But that contrasts strongly with the next verse, verse number 11: '***And I will destroy the cities of your land*** (now God has just been praising the remnant of Jacob, how powerful they are and they are a dew from heaven and now He says he's going to destroy their city. Well, He's not talking about the cities of the remnant of Jacob because they are in the midst of many peoples; He is talking specifically about the cities in the nation of Israel; that is what He means when He says 'your land') ***and will throw down all your strongholds and I will take away sorceries out of your hand and there shall be no divinations in you.***' So God is going to execute this punishment on Israel. And he can work through other nations, as he did with Nebuchadnezzar in the Old Testament. Verse number 14: '***And I will execute vengeance in wrath and in indignation among all the nations that have not given ear.***' Not only will the nation of Israel be punished by Almighty God in these End Times, this tells us what is wrong with the nation of Israel: they have not given ear to the Old Testament, as also the prophet Natan said. They have not followed Torah, and Daniel says the same thing.

Now we move down to line three on Micah's chart, verse number 9: '***Your hand*** (still talking about the remnant of Jacob) ***shall be lifted up over your enemies and all your enemies shall be cut off.***' So, the remnant of Jacob has a tremendous victory in these End Times. However, God says in the next verse, He continues this contrast between the saved remnant Jews and the apostate nation of Israel: '***And I will destroy your graven things and your statues out of the midst of you: and you shall no more adore the works of your hands.***' And, of course, we know that in the book of Revelation, John describes Jerusalem as a 'Sodom and an Egypt' and we see that all the time. So, although the remnant of Jacob will be saved and they will

be a powerful force in these End Times, the nation of Israel will be destroyed.

And now, I want to let you know that if you go to my website you can find the verses on Micah's chart in correct order. And first you have the chart and then you have a good picture of Donald Trump. My web manager chose a very good image. And then there are three or four pages with the verses in their correct order; and you can find it under the same tab, under the 'Old Testament prophets', you can find Isaiah, chapter number 45.

And you have to do the same thing; you have to rearrange the verses; and another nice picture of Donald Trump. And then again four or five pages of the verses in their correct order; and you can download that for free; keep it for your files. It's very important and it's educational and interesting, what Isaiah and Micah are prophesying about, not only Donald Trump, amazing prophecies about how he will be converted to Catholicism and also how Israel will be destroyed, although a remnant of Jacob will be saved. And as I have been saying all along on this series of programs; this is scheduled to occur on September 23rd, 2017. Of course, Jesus said he would 'shorten the days'. And by the way, this cannot possibly refer to the Rapture. Don't listen to the false prophets; how many times did Jesus say you cannot know the day or the hour? I mean, if you're going to claim that September 23rd, 2017, is a date for the Rapture, you're ruling out March, April, May, June, July and August as possible dates for the Rapture. And that is totally non theological, it's unscriptural, it's false by any stretch of the imagination.
