

Mary's School of Prophecy

Daniel 4 Pt 1 - Daniel Prophecies about Black Lives Matter, Antifa

Welcome everyone to Mary's School of Prophecy, and I don't think I'm going to get through all of Daniel 4. I will probably have to do another program tomorrow. Now the program tonight, I have a little clickbait there, you see where I said that Daniel prophesied about Black Lives Matter and Antifa? And I have to watch my step very carefully because you could be sure YouTube's AI is watching me very carefully when I talk about these, but I think they're going to be happy with what I said. I'm saying this because they are doing God's will. God is going to cut down the great tree in Daniel chapter number 4. It's by order of God. They are doing the Lord's work by destroying the Whore of Babylon and the great tree in Daniel 4 is the same as the harlot in the Book of Revelation. And what should be our response to the destruction of the Whore of Babylon? We should rejoice. That's what they do in Heaven. When we see Black Lives Matter and Antifa burning down our cities, we say, "Hooray".

I know that's going to be controversial because most Catholics on here are not going to say that, but that is what our response is and Heaven rejoices, and God is finally giving vengeance to the aborted babies. Chapter number 6, the souls under the altar are the babies that have been aborted, and God promises them vengeance, and that vengeance is now coming upon America, and it's only going to get worse, and we have to understand what's going on. Prophecy is being fulfilled, so Daniel does not mention specifically Black Lives Matter or Antifa but he does talk about the great tree being cut down by the "watcher and the holy one", who I believe are the two prophets Enoch and Elijah. So let's go through Daniel chapter number 4. By the way I originally did this ten years ago. Where is the church? Isn't there anybody in the church interested in how to understand Daniel?

I mentioned Barack Obama quite a bit when I first did Daniel 4 and that's because the number 4 4 4 refers to Barack Obama in Bible prophecy. It also refers to the United States in Daniel chapter number 7. That reminds me how many people understand that the first three beasts in Daniel 7 have already come and gone? The lioness, the bear and the leopard: those first three beasts are in the past history. We are in the middle of the Tribulation. The next beast that comes up out of the sea is the Antichrist. Nobody in the church is teaching you that. Nobody on YouTube is teaching you that. Nobody else on YouTube understands that the first three beasts have come and gone.

Anyway the third beast is Obama, and he's come and gone, but in Daniel chapter number 4, the great tree represents Obama, but also the United States, so the United States is not out of the woods as far as being destroyed. In fact that's what we are seeing. We are witnessing the beginning stages of the destruction of the harlot. And let me see if you want to follow these in your book, it's in the first volume of my four book series it's on page 207, the numerology in Daniel 4. And I titled it "The Downfall of Obama". It still is pertinent because it refers to the downfall of the United States: 4 4 4 represent both Obama and the United States as well.

So let's go through Daniel chapter 4 verse by verse, and as I say we're not going to get it completely done today,

Okay now first we need to do is need to do is to pray to the Holy Spirit. In the name of the Father, the Son and the Holy Spirit. Come Holy Spirit, fill the hearts of thy faithful and in kindle of them the fire of thy love. Send forth thy Spirit and they shall be created. And thou shall renew the face of the earth. And now let's pray the prayer to Our Lady of All Nations. Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations that they may be preserved from corruption, disaster and war. May the Lady of All Nations, who once was Mary be our Advocate. Amen.

The good news in Daniel 4 and I probably shouldn't spoil the ending but I'm going get to the ending tomorrow. We're not completely destroyed and the stub of the tree and I will go through that. It's actually positive. There's a positive outcome for the United States in Daniel 4. So let's go through Daniel chapter 4, and by the way the numbering of these verses is taken from the King James. Normally the Douay-Rheims is by far my preferred Bible. However in the Douay Rheims the first three verses of chapter 4 are tacked on to chapter number 3 and I think it's much better to have them as the first three verses of chapter 4 which is the way the King James has it. So these first numbers, if you are following from a Douay Rheims Bible, they are going to be off by three numbers, so let's look at Daniel 4 verse number 1.

1: "Nebuchadnezzar the king, to all peoples, nations, and tongues, that dwell in all the earth, peace be multiplied unto you."

What's interesting about this very first verse is Daniel does not write this chapter. This is the only chapter I think in the entire Bible that is written by a pagan. Nebuchadnezzar received an amazing vision of the End Times, one of the most important visions in all of Scripture, and it was given to a pagan. A lot of people ask me can people who are living in sin receive visions, and I say certainly they can, and this is good proof of it. And verse number 2:

2: "The most high God hath wrought signs and wonders toward me. It hath seemed good to me therefore to publish."

Maybe God gave this vision to Nebuchadnezzar because he knew that Nebuchadnezzar had the power to publish it. In other words this was probably published for our time. And now we see the first significant numerology here. As you know in End Times prophecy, numerology is one of the most important aspects of apocalyptic literature. The other important one is the symbolic meaning. The numerology of Daniel 4, just like all apocalyptic literature, is very significant and like all End Times prophecy that I've discovered so far, the summary is that the Antichrist is defeated by Mary's Rosary. I know just by saying that, I'm going to lose viewers but it's the truth, and I've been preaching this for more than 10 years on here. So when are people going to wake up? That's why I believe there has to be a warning. There has to be something to wake people up. It's possible that no one will understand this until Armageddon and the purpose for all of my

discoveries is for the Millennium. That's possible, but in that case, the few, you who are the small stone, you will understand before anyone else.

Let's look at verse number 3:

“His signs, because they are great:” that's number one, **“and his wonders, because they are mighty,”** number two, **“and his kingdom is an everlasting kingdom,”** number three, **“and his power to all generations.”**

So right off the bat we see four items. Four is of course a very significant End Times number. It is the most important of all the End Times numbers in sacred numerology: 4 and then 7 and then 12 and then 28. I mean if I could ask Catholic Crusader, “Why is that so?” I'm sure he would give you the correct answer. That's because; well I'll let him answer that. Why are 4, 7, 12 and 28 the most important numbers in End Times prophecy? So let's look at chapter 4 verses number 4 through 7 of that chapter and let's look for the next 4 in the sequence.

This by the way is the first verse in your Dorian's Bible: it's verse number 4 in the King James, and I believe the King James is correct as far as the numbering of the chapters go, otherwise the translation that I'm using here is, by and large the Douay-Rheims.

4: **“I Nebuchadnezzar was at rest in my house, flourishing in my palace”.**

5: **“I saw a dream that affrighted me and my thoughts in my bed, and the visions of my head troubled me.”**

It's interesting that the leader of the world at that time, Nebuchadnezzar even he has nightmares. You would think that Nebuchadnezzar had nothing to fear in the world but he's afraid. He's afraid of a dream. It's hard to believe. Let's look at verse number 6.

6: **“Then I said forth a decree, that all the wise men of Babylon should be brought in before me, and that they should show me the interpretation of the dream.”**

He is looking for a co-prophet. Would you believe that? Because he's been playing the role of the prophet here, and like many prophets he doesn't understand the prophecy.

7: **“Then came in the diviners,”** number one, **“the wise men,”** number two, **“the Chaldeans,”** number three, **“and the soothsayers”**, number four, **“and I told the dream before them: but they did not show me the interpretation of the dream.”**

Sounds like all of the false prophets on YouTube. They don't understand Daniel, and neither do all the Chaldeans, the soothsayers and so on. They don't understand Nebuchadnezzar's dream, but fortunately we will find that Daniel does play the role of a co-prophet exactly right.

Verse number 8: **“Till their colleague Daniel came in before me, whose name is Baltassar, according to the name of my god who has in him the spirit of the holy gods: and I told the dream before him.”**

9: **Baltassar, prince of the diviners,”** Daniel in other words, **“because I know that you have in you the spirit of the holy gods, and then no secret is impossible to you: tell me the visions of my dreams that I have seen, and the interpretation of them.”**

10: **“This was the vision of my head in my bed: I saw, and behold a tree in the midst of the earth, and a height thereof was exceedingly great.”**

Nebuchadnezzar is describing a great tree. Now Daniel will explain that the tree represents Nebuchadnezzar, but remember this is an End Times prophecy. All of Daniel's great chapters are End Times prophecy and that's why Jesus refers to Daniel, and only Daniel in the Olivet Discourse when He's telling His disciples about the End Times. So this vision that Nebuchadnezzar has; he mentions vision, dream and thoughts. He describes his vision three different ways. This vision is of the End Times. Fortunately we have Daniel. He's a co-prophet.

And now you see this is the second four.

11: **“The tree was great and strong and the height thereof reached unto heaven: and the sight thereof was even to the ends of all the earth.”**

This numerology is not accidental people. Sacred numerology is extremely important in apocalyptic literature. Let's look at verse number 12.

Here we will start a new sequence. We've just had 4 4 4. That represents the United States. It represented Barack Obama until Donald Trump was elected, which gives us hope that that aspect of World War 3 which was found in chapter 11 of Daniel, we have successfully manoeuvred around Barack Obama, but this expression of World War 3 we have not yet safely gotten by this, chronologically speaking. 4 4 4 refers to the United States, and we find that in Daniel 7, because it's just like Obama. The United States has four heads and four wings just like Obama. That's because the four heads and the four wings represent the military branches on the Joint Chiefs of Staff. It has dominion. That means that the United States is considered the world's number 1 superpower and it is like a leopard. It looks like a leopard because it is racially diverse. That's what Daniel is referring to. The electorate has spots of many different colors and that refers to our racial diversity. And this is starting a new sequence and that is the 6 6 6 sequence of the Antichrist, talking about this great tree which represents Western civilization.

12: **“Its leaves were most beautiful,”** number 1, **“and its fruit exceedingly much:”** number 2, **“and in it was food for all:”** number 3, **“under it dwelt cattle, beasts of the field”**; that's one number. The beasts in this case, Daniel calls them cattle and beasts of the field to separate them from later when he's talking about the beasts of the End Times. That would be the False Prophet and the Antichrist,

but these beasts are beasts of the field like cattle: **“and in the branches thereof the fowls of the air”**, number 5 **“had their abode: and all flesh did eat of it”** number 6.

So, in other words Daniel is describing Western civilization. It's beautiful and bountiful. I mean if anybody is starving in this country it's because they're using their food stamps to buy alcohol. There is no reason for anyone not to have food for example. The biggest problem among poor people in the United States is obesity, and Daniel describes it to a tee. This beautiful tree provides everything for everyone. What a wonderful prophecy 2500 years ago.

Verse 13 and this is verse 10 in your Douay Rheims. **“I saw in the vision of my head upon my bed, and behold a watcher, and a holy one came down from heaven.”**

The false prophets will tell you that the watcher and the holy one are the same person, and I shouldn't be too hard on them because I thought at one time they were the same person, but they're actually two different people. There is a watcher number 1, and a holy one, number 2. I believe the watcher is Enoch and I believe the holy one is Elijah.

Verse 14: **“He cried aloud”**: see now he says, “He”. So that's only one of the two that does this crying out. I think this is Elijah, “and said thus” number 1, **“Cut down the tree and”** (2) **“chop off the branches thereof:”** (3) **“shake off its leaves, and”** (4) **“scatter its fruits:”** (5) **“let the beasts fly away that are under it, and the birds from its branches.”** (6).

Now the beasts in this case are not the wild beasts of the End Times. These are the domesticated animals. These are like cattle and so on. So when the tree is cut down, you can expect famine because all of these animals and creatures are going to scatter and that's what Black Lives Matter, Antifa and all of the anarchists want. They want to destroy Western civilization and we find out here that this is God's will, and that's because we don't deserve any better, and I can tell you why. It's because we have allowed abortion to continue in this country. And remember the Isaiah 45 train that was smashed? The Republicans controlled both houses in the first year of Donald Trump's presidency, and they refused to defund Planned Parenthood. We're too decadent, and that's why God is allowing all of these uprisings. He's not only allowing it, He's directing it through Enoch and Elijah. Remember Elijah calls fire down from Heaven? Well, look at all the fires that are burning in the cities. I think Minneapolis had 1500 buildings burned. I mean we'd like to blame the hooligans and so on, but this is on orders from on High, because we have we have abandoned our Christian heritage, that's why.

Let's see. I read verse 14, another six items, and now in verse 15, six more items and this numerology is not accidental.

15: **“Nevertheless leave the stump of its roots in the earth,”** number 1, **“and let it be tied with a band of iron,”** number 2, **“and of brass”** number 3, **“among the grass, that is without,”** number 4, **“let it be wet with the dew of heaven,”**

number 5, **“and let its portion be with the wild beasts in the grass of the earth.”** (6)

Notice that contrast. Before we saw the cattle and the domesticated beasts, but now it's cut down and their portion is with the wild beasts. This is symbolic of the two beasts of the End Times. That would be the Antichrist and the False Prophet.

Okay those are all three sixes. Now what do we get after the three sixes? And this is the same in all. I don't care whether it's Ezekiel, Zechariah, Jeremiah; you name it. A series of sixes is always followed by a series of fives. That's because the Antichrist is defeated by Mary's Rosary, just like David chose five smooth pebbles against Goliath when he only needed one. Why did he choose five? To let us know how to defeat the Antichrist, because it's going to be up to us.

And this is followed in also in Genesis 3:15. Our Lord is found in Genesis 3:15. **“I will put enmity between you and the woman”**. That's between the serpent and the woman. The woman has to be Mary. Jesus is there. He is the one putting the enmity. **“I will put enmity between you and the woman and between your seed and her seed.”** The seed of the serpent is the Antichrist and we are the seed of the woman. It's up to us to defeat the Antichrist. Now our Lord is the Commander-in-Chief of course just like David slew with a pebble, but don't forget the pebble. We are the pebble. We are the stone cut from the mountain.

Okay now, we looked at all three of the sixes. Now we're looking at the fives. Verse number 19: **“Then Daniel, whose name was Baltassar, began silently to think within himself for about one hour:”** there's probably a significance there with the one hour, **“and his thoughts troubled him. But the king answering, said: Baltassar, let not the dream and the interpretation thereof trouble you. Baltassar answered, and said: My lord, the dream be to them that hate thee, and the interpretation thereof to your enemies.”**

And then Daniel acts as a co-prophet and explains the prophecy. Verse 20 which is 17 in your Douay Rheims. **“The tree which you saw”**, number 1, **“which was high”**, number 2, **“and strong”**, number 3, **“whose height reached to the skies,”** number 4, **“and the sight thereof to the ends of the earth:”** number 5.

So now we are going to find a series of five items defeating the three six verses. The three verses that have sixes in them: 6 6 6 will be defeated by 5 5 5. Daniel uses this numerology all the time.

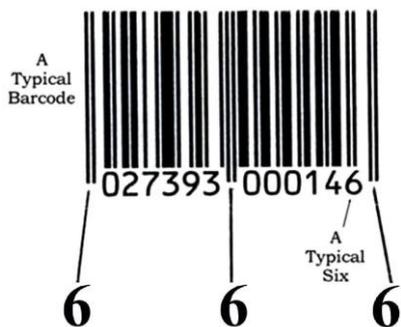

Verse 21: **“And the branches thereof were most beautiful,”** this is a description of Western civilization, number 1, **“and its fruit exceedingly much,”** number 2, **“and in it was food for all,”** as I said food for all. There's no reason for anyone being hungry in the United States. Why do you think all of these immigrants want to come to this country? **“under which the beasts of the field dwelt,”** number 4, **“and the birds of the air had their abode in its branches”**, number 5.

Verse number 22: **“It is you, O king, who are grown great and become mighty: for your greatness has grown, and has reached to heaven, and your power unto the ends of the earth.”**

So the tree represents King Nebuchadnezzar according to Daniel. Well we know in End Times Bible prophecy that a king and the kingdom are interchangeable. Therefore this tree represents Nebuchadnezzar and also Babylon, and we know the harlot Babylon in the Book of Revelation symbolizes the United States and Great Britain, the decadent West, and that's the meaning of the four, the three verses with fours in them: 4 4 4. Four is America's number in Bible prophecy.

So I think that's all I have for tonight. Well that's almost half an hour so I think we can look at some of your chat. I would like to have people talk about Daniel 4 because it's an extremely important prophecy. The church has had ten years to understand Daniel. Most of what I just told you is in my book, the Holy Spirit Guide to End Times Prophecy. Some of you have bought this book. Some of you even understand what I just talked about.

I am convinced that there has to be some kind of warning. If there isn't a warning, people are never going to understand Daniel. There has to be some kind of incentive. Either that or Armageddon will come and all of my work will be available in the Millennium, and then people have a thousand years to discover and to understand Daniel 4, and maybe that's exactly why these things have been given. I mean we talk about Isaiah and Jeremiah and Micah and so on, who are great prophets, but at the time they were persecuted. Jesus said you have slain the prophets from Abel to Zechariah and that's exactly what happens to the prophets. And their prophecies are now accepted, so it's very possible that all of my work will not be understood or analysed or studied until the Millennium and we're very close to the Millennium.

Okay everybody, Catholic Crusader says, *“Remember everyone when we see 11:11 a.m. or pm, I actually see it all the time. This is apocalyptic.”* It is. That's an End Times number. You have four ones, 1 1 1 1 and 11 is also an End Times number. In fact actually if you see 11 11 11, if you have a barcode, like if you have a box of cereal, look at the barcode on it. The starter number or the first number, the middle number and the last number are two thin lines if you look

at it. Those two thin lines look like the number 11, and they represent the number 6. - 6 6 6. All barcodes use that system of the three starter numbers. They're paying homage to Satan 6 6 6. They do that because they wanted their barcode system to be accepted, because they knew they would make millions of dollars from it and they did. Everything has got a barcode on it now, but they gave homage to Satan to get that to succeed.

Until I see all of you again, may God bless all of you and may all of you have a very blessed evening.
