

Trump, Putin and Middle East Peace

Tomorrow, our president, Donald J Trump, will be meeting with his corresponding leader from the old Soviet Union and that would be Vladimir Putin, the President of Russia. And there are a lot of misgivings in this country, especially on the left, because they don't want peace and they've been trying

to sabotage this meeting from day one. And that's why, just this week, the Special Counsel, Robert Mueller, indicted 12 Russian nationalists. As Conservapedia says, that's like indicting 12 ham sandwiches; it's totally meaningless. But it's meant to undermine this peace meeting between Donald Trump and Vladimir Putin. The Deep State doesn't want peace. The United States has not been at peace since 9/11. We have been at war for 17 straight years and don't forget, the Deep State profits from war. And the Democrats have called on Donald Trump to cancel this meeting.

But the real problem, the real antipathy towards the President arranging for peace with Vladimir Putin, especially in the Middle East, comes from the false prophets here on YouTube. They attack President Trump and call him an antichrist if he brings peace in the Middle East. And that's all based on a false interpretation of Daniel, chapter 9, verses 26 and 27. So let me read those verses for you and I will explain them because rather than showing Donald Trump as an antichrist, if he brings peace to the Middle East, it will demonstrate just the opposite: that he is anointed by Almighty God. So let me read these verses for you because this is where the false prophets are undermining the peace process, just like the leftists in this country. Daniel 9, verse 27: **'And he shall confirm the covenant with many for one week'**. Now, there have been different interpretations that the 'confirming of the covenant' means a peace treaty with Israel; and I think that's fair to say. But the false prophets say that the 'he' in this passage, **'he shall confirm the covenant'**, is a black hat, he's a bad guy! And there's no reason for that. Why do they say that 'he' is a 'bad guy'? There's no antecedent for that: to indicate that he is the bad guy.

Well, what they do is, they point to the next part of Daniel, 9:27: **'and in the midst of the week he shall cause the sacrifice and the oblation to cease'**. So they assume that both 'he's' in Daniel 9:27 refer to the bad guy. And there's no reason to assume that. And then the rest of 9:27 also shows the bad things that the bad guy does: **'and there shall be in the temple the abomination of desolation and the desolation shall continue even to the consummation and to the end.'** Now here's where they go wrong: they do not understand how Daniel sealed up this prophecy. He sealed it up by rearranging the verses just as in most End Times Bible prophecy. If you understand the structure of Daniel 9, you know that the first 12 verses are actually 6 pairs of verses. The next 5 verses are not paired, but then the final 10 verses are also in pairs; and I've explained this many times on this program. That simply means that the two sixes are followed by three fives and that indicates that the Antichrist will be defeated by Mary's Rosary.

Now, it is not my job to convince you of that. In fact, one of the reasons I pray the Rosary every day now at 5:00 p.m. Eastern Time, and live stream it, is because I have kind of given up on convincing people of how Daniel sealed up his prophecy; it's up to Mary now, she will have to convince you and I'm not sure how she will do that. I'm sure she is going to convert Donald Trump, also as prophesied in Isaiah 45, verse number 3. So, let me show you how this paired

system works as far as Daniel 9:26 and 9:27 go, because those two verses are paired and they tell the same story and that's how you know that the first 'he' in 9:27, the one who 'confirms the covenant' is not a black hat, he's a white hat. So next I am going to put 9:26 and 9:27 together and this is how you should read the two verses. If you read them in this sequence then you understand who the two 'he's' are: **'And after 62 weeks the Anointed One shall be cut off but not for himself** (that's the first part of 9:26 and what follows that is not the rest of 9:26 but the first part of 9:27) **and he shall confirm the covenant with many for one week** (so you can see, the good guy who confirms the covenant, is the 'Anointed One'. Now, in the near time fulfillment, the Anointed One was Jesus Christ and the covenant He fulfilled was the Messianic covenant; that was the promise God gave to Israel and all of mankind for a Savior.

In the End Times, the Covenant He confirms is the Abrahamic covenant and there are many other prophecies of this covenant throughout the Old Testament and they always come after the Jews return to Israel in the End Times. So that is what Almighty God is confirming. In this case, He is confirming it through the Anointed One of the End Times. I've always said, if you check my previous videos, that this Anointed One is probably Benjamin Netanyahu; but not necessarily. I've also suggested that he is one of the two witnesses, that would be the prophet Elijah. In fact, sometimes I suggest that Benjamin Netanyahu is the prophet Elijah in sackcloth. The two witnesses, as you know, their identities are hidden; they are clothed in sackcloth. They are not clothed in 'sackcloth and ashes', just in 'sackcloth'. That means we don't know who they are.

So, this Anointed One in the End Times could be Benjamin Netanyahu or the prophet Elijah or the same person.

Donald Trump meeting with Putin tomorrow indicates that it is possible that this Anointed One is Donald Trump. Now, let me read the rest of these two combined verses, 26 and 27, so you'll see what the entire prophecy is all about: **'and the people of the prince that shall come shall destroy the city and the**

sanctuary (that's the bad guy; now comes the Antichrist) **and in the midst of the week he shall cause the sacrifice and the oblation to cease.'** So you have to look at part 2 of 9:26 and part 2 of 9:27. They DO follow each other chronologically and that's what the bad guy does. And here is the rest of this combined verse: **'and the end thereof shall be with a flood and there shall be in the temple the abomination of desolation and after the end of the war the appointed desolation and the desolation shall continue even to the consummation and to the end.'** So whether it is Benjamin Netanyahu or Donald Trump who confirms this covenant, afterwards there is a war, which is not Donald Trump's doing. Donald Trump is going to bring peace, I believe. I believe that is why the Deep State and the leftists in this country are so adamantly opposed to this peace meeting between Donald Trump and Vladimir Putin.

And we should support him; we should pray for this; it is very important in bringing peace to the Middle East. Anything the media, and the leftists, and the Special Counsel and those type of people oppose, we should support. That's how we know that it is very possible that Donald Trump will fulfill this prophecy of Daniel in 9:26 and 9:27. Please don't listen to the false prophets who say that if Donald Trump brings peace to the Middle East that will prove he's the Antichrist; just the opposite! That will prove he is NOT the Antichrist. And I'm praying for him and join me this afternoon at 5 p.m.

Mary can do a whole lot more than I can. As a watchman on the wall my job is not to convince you, my job is to explain it to you. It is you who need to be convinced and I know I need help in convincing people and I'm asking Mary every afternoon. Join me this afternoon at 5 p.m. live streaming Mary's Rosary and together, with Donald Trump, we can bring peace, not only to the Middle East, but to the entire world.
