

ADDENDUM TO  
**A True Testament**  
**of the**  
**MIRACLE OF THE BEADS**  
**on August 7, 2022**  
**during the WFRN Pilgrimage**  
**at William Tapley's refuge**  
**in Osage, Iowa.**

After the True Testament had been published, two important details came to light that are worth associating with the main document:

- Besides the fact that Father James Schultz celebrated Mass for the WFRN pilgrims on the Feast of the **Transfiguration**, it's rather remarkable that he just so happens to be the official Latin Mass priest in the New York Diocese of Syracuse and celebrates the Latin Masses in that city, at the **Transfiguration** of Our Lord Parish! Thus, it's evident that Father James was the very priest whom Heaven had planned for our pilgrimage. (It's also noteworthy that *Saint* James was one of the three Apostles who witnessed the **Transfiguration**!) Father James is one of Tapley's many nephews. Another nephew Tim, brother of Father James, assisted at Mass during WFRN's pilgrimage. Both brothers manage a Scapular Apostolate and YouTube channel:

- Recently, our curiosity was piqued as to exactly when Rachael had acquired the wooden Rosary that subsequently **transfigured**. In an email reply, Rachael reported that she checked her bank statements and believes that she obtained the "Miracle" Rosary on 1/14/2022. January 14 is the feast day of St. Felix of Nola, who has an interesting bio for these End Times:
