

## Pope Celebrates Martin Luther on Halloween

Today your host is anonymous and I am wearing a Halloween costume in order to feel an affinity with Cardinal Bergoglio who likes to wear the Halloween costume of a pope. He is not a true Pope! And I feel affinity with Antje Jackelen who claims to be the Archbishop of Sweden in the Lutheran denomination.

I hate to tell you, Jackelen, that Jesus never ordained any women. And I hate to tell you, Cardinal Bergoglio, we still have a true Pope, Pope Benedict, and together those two, Francis and Jackelen, will be celebrating in Sweden, on Halloween, the 499th anniversary of Martin Luther posting his famous 95 theses on the doors of Wittenberg Cathedral and they will be celebrating the breakup of Christianity.

So, let's see where both Martin Luther and Pope Francis are found in Bible prophecy because they are described by Saint John, in the book of Revelation, as stars that fall. First of all, chapter 9, verse number one, is where we find Martin Luther: **'And the fifth angel sounded the trumpet and I saw a star** (John calls Martin Luther a star. It's very possibly he may have been made a pope if he had not abandoned his Catholic priesthood) **fall from heaven unto the earth and to him was given the key of the bottomless pit.'** He is about to release a lot of demons. Verse number 3: **'And there came out of the smoke locusts upon the earth** (these are the tens of thousands of Protestant denominations that have followed Martin Luther) **and unto them was given power as the scorpions of the earth have power'**. And verse number 5: **'and to them it was given that they should not kill them** (the people of the earth) **but they should be tormented five months.'**

Remember, this is Apocalyptic Literature. Those 'five months' do not mean a real five months; they symbolizes five centuries. Those five

centuries are almost up. These two individuals, the Lutheran so-called Archbishop and the so-called Pope, will be celebrating 499 years of the breakup of Christianity and the 500th anniversary is next year on Halloween of 2017. And verse number 10: **'They had tails and stingers like scorpions and they had the power to hurt people with their tails for five months.'** Once again, notice that very important time frame which Saint John mentions twice.

So now, let's see where Pope Francis, that is Cardinal Bergoglio, is found in the book of Revelation, chapter 8, verse number 10: **'And the third angel sounded the trumpet:** (now notice that the third angel follows the fifth angel, that's because if you want to understand the true chronology of the book of Revelation, you have to go to my [thirdeaglemedia.com](http://thirdeaglemedia.com) website and download Saint John's cryptogram) **and there fell out of the heaven a great star** (so Pope Francis, Cardinal Bergoglio, is also described as a great star, just like Martin Luther who is a precursor of the False Prophet) **burning as a torch and it fell upon the third part of the rivers,** (the rivers refer to the Catholics and the Catholic Church) **and upon the fountains of waters.'** The fountains would be the clergy and the hierarchy of the Catholic Church and what this means is that one-third of the 'waters', the people in the Catholic Church, will follow the False Prophet, Cardinal Bergoglio.

Verse number 11: **'And the name of the star is called Wormwood.** (I've been telling you for many, many, years here on my channel, Wormwood is not some kind of a meteor or comet; it is an individual. That's why Wormwood is capitalized.) **And the third part of the waters became wormwood,** (Pope Francis, Cardinal Bergoglio, is going to deceive one-third of the Catholics and they are going to follow him into apostasy) **and many men died of the waters** (this is a spiritual death) **because they were made bitter.'** What we are seeing here is one of the great deceptions of the End Times brought about by Satan and the False Prophet. All of these Halloween costumes being worn are part of the great deception: Pope Francis, Martin Luther and the Lutheran Archbishop of Sweden, they are all interlopers. They are not who they appear to be.
