colleteryan56 *Whoever prayed for my bird during the Rosary: He came back and he's at home in his cage!* I wish I could take a picture for all you lovely people (who) prayed for me.

Sandra Lavini Is Mary E's son also named William, Sam? You always say "Mary E's son William." Just wondering.

C

colleteryan56 Sam, Jesus brought him back!!!!

When Sam read aloud Collette's above comment, he ask incredulously, "Really? Just like that?!"

C

colleteryan56 A miracle! We live in the woods (and) they (the saints) found him!!!!

Continuing to read aloud, Sam said, "Wow, that's beautiful! Thank you for sharing that. Amen. Thanks and praise to Our LORD Jesus, for returning your bird! That's cool."

J

Josephine H Oh, Collette, so glad. Thank you Jesus!

C

colleteryan56 (the saints found him) during prayers.

C

colletteryan56 I can't stop crying!

L

Larry Tischler A prayer of of thanksgiving for the bird returning.

K

Kathleen Christine Di Valerio Sam, I also wanted to make sure you and Diane know I can have a room for you and Diane, if you don't want a hotel. And thanks Sam.

C

colletteryan56 We were looking for it in the woods, and my husband said, "Where are you going?" I said, "I gotta go in and pray, and my prayer people will help me bring back my bird."

Sandra Lavini No. That WFRN email box is connected to a personal email. Kathleen needs to set up another email.

Peter Perrine

Welcome home @colletteryan56's bird.

Sandra Lavini I WILL reach out to folks in my contact list who attended last year and tell them to reach out to Kathleen, if interested.

D

Diane Thornton Glad bird returned.

Sandra Lavini Paula did that actually. I wonder if William should drive that distance on his own.

I

Indy Anna-Triarri @Sandra Lavini, Yes, Mary E's son's name is William.

I

Indy Anna-Triarri Prayers for the cat. Praying he/she isn't suffering.

Collette posted on Thirdeaglebooks 5/17/2023 (the next morning):

c

colletteryan56 Well, I had my miracle yesterday when my little parrot got out of the house, flew around 10 acres of forest; and, during prayers at 8 o'clock, he came back during my 3rd decade.

c

colletteryan56 Thank you Jesus! Thank you Warriors that prayed for me yesterday. It worked! I cried all night in thanks.

c

colletteryan56 It's funny: While my husband and I were walking around the woods trying to follow (it, from) 5 to 8. I said, "I have to go in," and he asked why? Said, "I have to pray; then he'll come back."

c

colletteryan56 Oh Paula thank you.

c

colletteryan56 It was a miracle!

c

colletteryan56 It was perfect! And let's pray, and I did pray that Mr. Tapley gets a great report.

c

colletteryan56 **BLUE** (the parrot's name, in response to Paula's on-air question)

c

colletteryan56 Thank you Paula.

*Collette posted this **newest** comment on Pieta Rosary 6/5/2023:*

c

colletteryan56 The Lord! The Lord! The Lord! sent my bird home, and all you guys praying! You had to be here—but it WAS a miracle!

Some observations by Paula:

This latest WFRN miracle is the **3rd¹ miracle** bestowed upon Hailstones *during our united recitation of the Most Holy Rosary!* And Collette's miracle was received during the **3rd² Glorious Mystery**—the Descent of the Holy Ghost, Who is often symbolized by a *bird*. Collette and her husband had been following their pet parrot named **BLUE [= Mary]** around **10** acres of woods [= **10** beads in a decade of the Rosary] from 5 to 8pm—in other words, for **3³ hours they pursued the parrot**, until it finally returned to them. The date of the miracle was Tuesday 5/16/2023. Note: **May 16 is the Feast Day of St. Simon Stock**, who received the **Brown Scapular** from the Blessed Virgin. *This connection is not a coincidence and manifests the meaning of the 'two WINGS (!) of a great eagle'— Mary's Rosary AND Scapular!!*

At the beginning of the posted chats on the night of the miracle, there were **3⁴ closely-placed emojis that foretold the upcoming miracle**: A peace dove (Holy Ghost); a baby bird (Collette said her parrot is a baby bird); and prayer hands (she beseeched intercessory help to find him)! And then, providentially, there were **3⁵ blue bird emojis** randomly posted in the remainder of the chats. [All other emojis are described within brackets, rather than overwhelming this document with large graphics.]

That's a total of **5** significant **3**'s. So, $5 \times 3 = 15$ decades in the original three-mystery Rosary.

Incredibly, the date of 5/16/2023 can be reduced to the number **10** in seven ways!

1. $5 + 16 + 20 + 23 = 64 = 6 + 4 = \mathbf{10}$
2. $5 + 16 + 20 + 2 + 3 = 46 = 4 + 6 = \mathbf{10}$
3. $5 + 16 + 2 + 23 = 46 = 4 + 6 = \mathbf{10}$
4. $5 + 16 + 223 = 244 = 2 + 4 + 4 = \mathbf{10}$
5. $5 + 1 + 6 + 2 + 0 + 2 + 3 = 19 = 1 + 9 = \mathbf{10}$
6. $5 + 1 + 6 + 20 + 2 + 3 = 37 = \mathbf{10}$
7. $5 + 1 + 6 + 20 + 23 = 55 = 5 + 5 + \mathbf{10}$

6 Are not five sparrows sold for two farthings, and not one of them is forgotten before God **7** Yea, the very hairs of your head are all numbered. Fear not therefore: you are of more value than many sparrows [Luke 12:6-7]
