

## UN Vote Fulfills Daniel 9 Bible Prophecy

A very amazing Bible prophecy was fulfilled a couple weeks ago when the United Nations voted 153 to 7, to divide the nation of Israel, and to establish a Palestinian homeland, and also to allow Jerusalem to be ruled by the Muslims. And the false prophets on YouTube have not touched this with a ten-foot pole, for the most part, or if they have, they have removed their videos. And the reason is, they recognize that 153 is a good number; it's a holy number, it is a miraculous number. It is the number of fish that Peter caught in the story of the miraculous draft of fishes, which itself is an End Times prophecy. The 153 fish symbolize Mary's rosary. The 200 foot or cubit distance of the boat from the shore, symbolizes Mary's rosary with the new Luminous mysteries added. That space, or distance, symbolizes also 200 weeks, the time of the Great Tribulation, very similar to the , 1335 days in Daniel.

And the turbulent water that Peter must traverse, in order to reach Jesus, symbolizes the turbulent water of the End Times, the Great Tribulation. And, of course, Mary's rosary and scapular are the two weapons which Jesus will use to defeat the Antichrist. So, we know 153 is a good number. So, why would the One World Government use that number to pass this resolution against Israel? And the very obvious reason is because, this warning comes from Almighty God. This is not a good sign for Israel, and you people in Israel, I hope you read the prophecies of Natan, because they are about to be fulfilled.

Now, let's look at Daniel 9:26 and 9:27, two of the greatest prophecies of the End Times; and they refer to exclusively the modern nation of Israel. Jesus said in the Olivet Discourse, "when you see the abomination of desolation spoken of by Daniel the prophet then...", and then He gives four different responses. That's because those four responses refer to the four groups who will reign with Jesus during the Millennium. And the first one in our Lord's sequence is "let those who are in Judea flee to the mountains". That is the second one in the End Times chronology. "Then let those who are on the rooftop not go down for any reason". That refers to the rapture of the Protestants. That has not yet occurred. The third one is "let those who are in the field not go back to take their cloak." The "field" represents the Catholic Church in the End Times. Those who must flee, represent the remnant Catholics. That abomination of desolation has already occurred, and I told you many years ago on this channel that that would be the first one. That

occurred when Pope Francis, the False Prophet, issued his apostolic exhortation, *Amoris Laetitia*, on April 8th of this year, 2016. That was also prophesied exactly by Daniel.

The date for this prophecy affecting the Jews and Israel, that was fulfilled to the day, as I will explain in a minute. Now, in *Amoris Laetitia*, the False Prophet's apostolic exhortation, footnote 351 established the right for people living in mortal sin to receive Holy Communion. This invalidated the Eucharist under all bishops, who go along with this evil and satanic exhortation. And, of course, notice that footnote number 351 is the opposite of Mary's rosary number, 153; the opposite of the number of fishes caught by Peter. However, in this UN vote of November 30th, 2016, the vote was 153 to 7; therefore it was an expression of Almighty God, not an expression of Satan.

So, let's look at Daniel 9:26 and 9:27 in Bible prophecy, as I said, two of the most important verses in all of Bible prophecy and let's see how they were fulfilled by this UN vote on November the 30th which was precisely the beginning of the 69th week in Daniel's prophecy. Remember, it was back in 1947 on November 29th, that the UN sent forth its "command to restore and rebuild Jerusalem", to use Biblical phrases, and what they did was re-establish the nation of Israel.

***Daniel 9:26 "And after sixty-two weeks"*** Okay now this is where the exact time frame comes in. That was 62 years after 1947. That was 2009. It has undoubtedly been after the 62 weeks. Daniel did not say after 69 weeks, because that was started November the 30th. Therefore, it had to occur before then. In fact, it occurred on that exact date as Daniel prophesied, 2500 years ago. ***"the anointed one shall be cut off,"*** now, some Bible prophecies say "the Messiah shall be cut off". That's not accurate. It should be the "Anointed One". That phrase must apply both to the near time fulfillment, in which the anointed one was Jesus the Messiah, but in the End Times, it is the modern king of Israel, and that would be the Prime Minister, and today, that is none other than Benjamin Netanyahu.

The phrase "cut off" for Jesus that meant his execution by crucifixion. For Netanyahu, it may not. It may simply mean that his mission is over with and he will no longer be able to prevent the partition of Israel. Now, the translation of these phrases is very important. It's very similar to our Lord in the Olivet Discourse where He said "when you see the body, there will the eagles be gathered together". Some Bibles say

"there where the corpses are, the vultures will be gathered together". The reason that is incorrect is because it cannot describe both the near time fulfillment, when Titus destroyed Jerusalem and the End Times fulfillment where the body is Jesus and the eagles that are gathered together are the armies that are with Him at Armageddon. And therefore "cutting off" and "anointed one" must fulfill both near times prophecy and the End Times prophecy, which we have just seen on November 30th.

**"but not for himself"** and, of course, Jesus died for the nation of Israel and all of mankind. And Benjamin Netanyahu is going to sacrifice himself for the modern nation of Israel.

Now, as I have explained many times before, both Daniel 9:26 and Daniel 9:27 tell the same story. In fact, if you break it up into these four components, they read very well if you follow 9:26 and 9:27.

DANIEL 9:26	DANIEL 9:27
And after sixty-two weeks the anointed one shall be cut off, but not for himself:	And he shall confirm the covenant with many for one week:
and the people of the prince that shall come shall destroy the city and the sanctuary:	and in the midst of the week he shall cause the sacrifice and the oblation to cease:
and its end shall be with a flood,	and there shall be in the temple the abomination of desolation:
and after the end of the war desolations are determined.	and the desolation shall continue even to the consummation and to the end.

In other words, **"after sixty-two weeks the anointed one shall be cut off, but not for himself"**, **"And he shall confirm the covenant with many in one week"**. The "he" is the same as the "anointed one". This is, in the End Times, Benjamin Netanyahu. "He shall confirm the covenant with many for one week". The "one week" is the seven years beginning in 2009. That time is up. Benjamin Netanyahu's mission of defending the coherency of the nation of Israel, in other words, Israel was given to the Jews in perpetuity by God Almighty; that time is up. The "confirming of the covenant" is the covenant where God gave the land of Canaan to the nation of Israel. By the way, this has absolutely nothing to do with the Antichrist signing some sort of fictitious peace treaty with Israel, as the false prophets like to proclaim, and have been proclaiming for 50 years.

And now, at this point, I want to read why God is judging Israel and in order to know that we have to read verses 11 and 12. And you need to look at some of my other previous videos where I explain the structure of Daniel, chapter number 9. These verses are in pairs and the structure tells us that. Verses number 11 and 12 help explain Daniel 9:26 and 9:27.

**Daniel 9:11 "And all Israel"**(that's the modern nation of Israel) **"have transgressed thy law"** (they have broken the covenant. God's covenant with Israel is not unconditional, it is conditioned upon the Jews and Israel following Torah. They have broken Torah. They no longer consider, for example, the story of Sodom and Egypt to be legitimate. They spend hundreds of millions of dollars promoting Tel Aviv as the gay capital of the world. They have broken this covenant.) **"and have turned away from hearing thy voice and the evil and the curse which is written in the book of Moses, the servant of God, has fallen upon us because we have sinned against him."** That is what the UN resolution is bringing and is going to bring upon Israel, very soon, the abomination of desolation.

**Daniel 9:12 "And he has confirmed his words which he spoke against us,"** This covenant will be confirmed also, the covenant which God made with his people, Israel, that if they follow Torah they would not be ruled by their enemies. It's the Jews who have broken this very important covenant and the punishment is imminent, as we see in the UN resolution. **"And he has confirmed his words which he spoke against us and against our princes that judged us that he would bring in upon us a great evil such as never was under all of heaven according to that which has been done in Jerusalem."** We can expect this very soon and if you read verses 16 and 17, they also refer to these verses, (Daniel 9:26 and 9:27). They are a lament by Daniel. What that means is that prayer can change this. He prays to God Almighty 2500 years ago that this punishment will not befall Israel. However, it will befall Israel. Just as we see the breaking up of the Catholic Church right now, the fulfillment of that abomination of desolation, we are going to see the breakup of Israel. So, what is the result of this UN resolution? There have been many, many resolutions in the United Nations against Israel; they've all been ignored. This one will not be ignored. This one comes from Almighty God. That's the significance of the number 153.

And what will be the result of this abomination of desolation as prophesied by Daniel? And we'll look at the next part on the chart of Daniel 9:26 and 9:27 **"and the people of the prince that shall come shall destroy the city and the sanctuary:"** I have always said that the prince who shall come is Vladimir Putin. It could be someone else, but I believe he is the one. The people that go with him are the people of Iran and other Muslim nations. Russia and Iran are prophesied by the "two she bears they come out of the woods" in Second Kings. They maul the 42 youths. If you remember, 42 is a number for Israel in these End Times. The "4" symbolizes the 4,000 years of the Old Testament; the "2" symbolizes the 2,000 years of the New Testament. And therefore Israel, the modern nation of Israel, is associated with 6,000 years. They will be attacked by the "prince that shall come and he shall destroy the city and the sanctuary". Now, it's possible in these End Times that will mean the partition of Israel, and the relinquishing of the Jews to Jerusalem. It could very well be that it will not be a violent fulfillment; but one thing for sure it is imminent.

And now we look at verse 27 which says the same thing **"and in the midst of the week he shall cause the sacrifice and the oblation to cease"**. So the prince who shall come will eliminate the practice of Judaism. They will have to give up their hope, for example, of having a third temple, which could never be fulfilled anyway. That won't be fulfilled until after Armageddon. And the rest of Daniel 9:26 and 9:27, by the way, notice how these verses follow each other, **"and its end shall be with a flood", "and there shall be in the temple the abomination of desolation"**. This is one of the AODs that Daniel prophesies about. As I say, the first one of the End Times has already occurred; that was when Catholics must flee the Roman Catholic Church, because they will become the remnant Catholic Church.

**"And after the end of the war"**(this is the Daniel war; this precedes the Ezekiel war) **"desolations are determined", "and the desolation shall continue even to the consummation and to the end"**. These two verses tell the exact same story. The amazing thing is that now, the second abomination of desolation has occurred. The next one is probably the rapture of the Protestants. Remember, that occurs when nuclear war breaks out. That occurs at the exact same time, and then the fourth abomination of desolation has to do with the persecution and killing, martyrdom of Christians, by the Antichrist. Those two abominations of desolation have not yet occurred. However, since the first two have occurred, get ready!
