

Evil “Holy Year of Mercy” Vatican Logo

Would you believe, the Vatican has come up with another Satanic and perverted logo? This time it's the official logo for the Holy Year of Mercy which Pope Francis has declared will start in October. And this is just one more sign, one more indication, that the holy city of Rome has indeed been taken over by the Gentiles, as prophesied in Revelation, chapter 11, verse number 2. The Catholic Church has a tremendous history of great art. Why did they have to come up with something as ugly as this logo?

Let's look at some of the previous possibilities they could have used, of Jesus carrying a sheep: Jesus as the Good Shepherd?

Why not use an image like this icon? Or maybe a more contemporary image?

Jesus should not be shown as an ugly figure carrying an ugly person. But let's read the official announcement because maybe I'm being a little too harsh: *'Vatican unveils logo, prayer, details of Holy Year of Mercy'*. Now the dateline on this is May 5th, that's just a couple days ago. The city, is the Vatican City from the CNS, that's the Catholic News Service. *'The Holy Year of Mercy will be an opportunity to encourage Christians to meet people's "real needs".'* Well, finally the church is going to meet people's "real needs". (I'm being sarcastic) *'with concrete assistance to experience a "true pilgrimage" on foot, and to send "missionaries of mercy" throughout the world to forgive even the most serious of sins, said Archbishop Rino Fisichella.'* The most serious of sins they are talking about is they are going to allow divorced remarried Catholics to receive Communion, which will be the taking away of the daily sacrifice from the prince, as prophesied by Daniel; and that will be proof, that Pope Francis is not a real pope, that he is indeed the False Prophet.

And this article continues: *'At the news conference, the council distributed copies in several languages of the Holy Year prayer and logo, which features Jesus the Good Shepherd taking "upon His shoulders the lost soul, demonstrating that it is the love of Christ that brings to completion the mystery of His incarnation culminating in redemption," the archbishop said.'* Well, most of that I agree with. *'The image, created by Jesuit Father Marko Rupnik, also shows one of Jesus' eyes merged with the man's'*. Wait a minute. That's supposed to be a man? Take a look at that big fat butt, and those thick legs. That is not a man. *'Shows one of Jesus' eyes merged with the man's.'* Well there's another one. Can you imagine this figure with three eyes? That one eye in the middle sure looks like the 'All Seeing Eye' of the Illuminati. *'Christ sees with the eyes of Adam'*. That's no Adam, that's an Eve. *'And Adam with the eyes of Christ.'*

We are going to take a little closer look at that logo, because that is not a man. They are showing Jesus carrying off a woman. Now I know some of you are going to say, 'well that figure has a beard,' it must be a man. Let's take a little closer look. Is that a beard or is that a heart? That's a heart shape. They're trying to show a relationship between Jesus and Mary Magdalene maybe? That is not a beard. It's not centered on his/her face. The face is smaller than Jesus' face. The nose is smaller, the eyes are smaller. That is a woman.

And now I'm going to tell you the real meaning of this image. It is not the Good Shepherd caring for a lost sheep. That is the False Prophet. See the very strange halo around his head? I've never seen a bi-colored halo. Those two light colored shapes are horns, coming out of our Lord's head. This is an image of the beast in Revelation with two horns, who looks like a lamb, but speaks like a dragon. That is an image of the False Prophet. And who is that lamb that he is carrying? That is the Bride of Christ, which the False Prophet is absconding with. This image is a secret occult image of Pope Francis subverting the Catholic Church.

This is just one more proof in my mind, that the Catholic Church is being trampled under by the Gentiles.
