

Q Anon's Most Shocking Message Yet

Last night we got an extremely shocking post from Q Anon about the possible assassination of the POTUS, that would be Donald Trump. And the only reason I'm doing this video is because quite a few people, I believe, interpreted his message the wrong way. For example, they say Pope Francis is involved and I am going to point out on this program that much more likely, Vice President, Mike Pence is involved and his evangelical prayer group. So let's go through this message one by one, each line at a time, and I think you will agree with me; and I'd like to have your input, just make your comments below.

What would happen if texts originating from a FBI agent to several **[internals]** discussed the assassination (possibility) of the POTUS or member of his family?
What if the texts suggest foreign allies were involved?
Forget the Russia set up **[1 of 22]**.
This is only the beginning.
Be careful what you wish for.
AS THE WORLD TURNS.
Could messages such as those be publicly disclosed?
What happens to the FBI?
What happens to the DOJ?
What happens to special counsel?
What happens in general?
Every FBI/DOJ prev case could be challenged.
Lawless.
Think logically.
We haven't started the drops re: human trafficking / sacrifices **[yet][worst]**.
Those **[good]** who know cannot sleep.
Those **[good]** who know cannot find peace.
Those **[good]** who know will not rest until those responsible are held accountable.
Nobody can possibly imagine the pure evil and corruption out there.
Those you trust are the most guilty of sin.
Who are we taught to trust?
If you are religious, PRAY.
60% must remain private **[at least]** - for humanity.
These people should be hanging.
Q

PRAY.
PREY.
Notice the similarity?
Q

'What would happen if texts originating from an FBI agent to several (internals) discussed the assassination (possibility) of the POTUS or members of his family?' It is unbelievable that they would assassinate members of Donald Trump's family; that would be, undoubtedly, his wife Melania or maybe his son Barron. But now, who would be more 'internal' than the Vice President, Mike Pence? certainly not Pope Francis. And I think this is a plot between agents in the FBI and Vice President Pence.

'What if the texts suggests foreign allies were involved?' Well, I'm going to speculate here that could be Saudi Arabia. Certainly there are a lot of elements within Saudi Arabia who have no use for Donald Trump. **'Forget the Russia setup (1 of 22). This is only in the beginning.'** In other words, the Russiagate hoax being perpetrated by the Democrats is minor compared to what is really happening behind the scenes. **'Be careful what you wish for.'** Now, I think that is a commentary on people like Roy Potter or David Seaman who debunk what Q says because he is not revealing everything and Q is telling us he can't reveal everything and he shouldn't. So that's a put down of those disclaimer people.

'As the world turns.' That is a specific comment to another assassination of a President and that was John F Kennedy because *'As the World Turns'* was the name of the soap opera on television when the word came through from Walter Cronkite that John F Kennedy had been assassinated in Dallas. So that's the connection and it shows that this whole message from Q Anon last night is about the assassination of Donald J Trump. **'Could messages such as those be publicly disclosed?'** Q is telling us that the assassination of Kennedy, those facts probably should not be exposed. And here's why: **'What happens to the FBI? What happens to the DOJ? What happens to Special Counsel? What happens in general?'** And this is true; all of those agencies would be disavowed; you couldn't trust them. **'Every FBI/DOJ previous case could be challenged and there would be lawlessness; think logically.'**

So Q wants us to realize that he cannot expose everything about FBI or DOJ involvement in that assassination and maybe also in this assassination regarding the president, Donald Trump, because there would be lawlessness and it would make previous true cases that the FBI and DOJ were involved with; it would discredit all of them and that would result in lawlessness. **'We haven't even started the drops'**

regarding human trafficking and sacrifices yet and those are the worst.' And I agree with Q, those are the worst. **'Those good who know cannot sleep.'** Donald Trump says he's having trouble sleeping. **Those good who know cannot find peace. Those good who know will not rest until those responsible are held accountable.'** So this is not always going to be a secret about what's going on as far as people plotting to assassinate him or these child traffickers; they are going to be exposed. **'Nobody can possibly imagine the pure evil and corruption out there.'**

I have been watching some videos by 'You Are Free TV' and she says Vice President Pence was involved in human trafficking out in Indiana. Although she doesn't give any proof, there are others who say the same thing. I think that is what Q Anon is referencing here. **'Those you trust are the most guilty of sin.'** Notice that word 'sin'. This is not white-collar crime that Q is talking about. He's talking about things like ritual satanic child abuse. **'Who are we taught to trust?'** We are taught to trust our pastors, and that is exactly who Q is talking about here: the pastors. And Vice President Pence has brought in a group of pastors weekly to pray with the President.

And I want to show you this picture because this, I believe, is where this assassination attempt could very well take place.

And I might as well read the caption for this: *'President Donald Trump bows his head in prayer while surrounded by US Vice President Mike*

Pence, faith leaders and evangelical ministers after signing a proclamation declaring a day of prayer in the Oval Office.' Now, look very closely at that picture: who is the most vulnerable in this picture? I mean you could assassinate him just like Kim Jong-Un's half brother was assassinated: just by rubbing poison on the President's face. These people have their hands on the President. I predict that Donald Trump is going to cease this prayer group meeting in his office. This is an extremely dangerous situation especially if what Q is talking about is true.

'If you are religious, PRAY'. And we should pray for our President and he often suggests this, both Q and Donald Trump, that we should pray for him. And for you Catholics especially, you should pray Mary's Rosary, as I have been saying for years and years on here. **'60% must remain private (at least) for Humanity.'** In other words, Donald Trump cannot expose this plot against him and Q is telling us that 60% of the information must remain private. **'These people should be hanging.'** Q is right. Do you think America is ready for the hanging of a Vice President? That is a scary thought. This whole post reminds me of an incident in Bible prophecy in the book of Esther where there is a plot against King Ahasuerus by two of the eunuchs in his palace within, in other words, 'internals', and the eunuchs in the book of Esther symbolize pastors because they are celibate. And I'm wondering if that passage in the book of Esther is a prophecy of this plot against the POTUS by Pence and the evangelical pastors?

And shortly after this post, this was last night, as I say, around 7 p.m., he added a short addition called; **'Pray. Prey. Notice the similarity.'** Well, P-R-E-Y, the prey would be Donald Trump. P-R-A-Y would be the praying Vice President. **'Notice the similarity.'** Well, there is a similarity, of course, between the Office of the President and the Office of the Vice President. So, I believe my interpretation of Q's posting is correct. I pray that it is not and I would hope that some of you can debunk what I am saying and prove that I am wrong but I'm afraid I am correct.
