

World War 3 will be North vs South & East vs West

On this program I want to talk about the extensive nature of World War 3. Now if you look at Ezekiel, that prophet is talking almost exclusively about Armageddon, whereas the Book of Daniel is almost all about World War 3, and a great deal of Revelation is also about World War 3.

Daniel and Saint John describe this last Great War, as a battle between North and South and East and West, therefore indicating how extensive this terrible war will be. Let's look at Revelation chapter 18.

In chapter 11 Daniel says that World War 3 will be precipitated when the King of the South, that is Barack Obama provokes the King of the North, that is Vladimir Putin into attacking the west, and we see this described in Revelation chapter 18 verse 8. 'Therefore shall her plagues come in one day, death and mourning and famine and she will be burned with fire, because strong is the Lord who judges her.'

Although communism will defeat capitalism, notice that this punishment against America and Great Britain primarily comes from the Lord God Himself. And in verse number 10 we see the merchants, weeping and moaning over the destruction of Babylon. 'Standing afar off for fear of her torments saying, alas, alas that great city Babylon that mighty city, for in one hour is her judgment come.'

Saint John calls Babylon, and that is the United States and Great Britain, a city. Some people mistakenly think that it must be a city like New York, but Saint John often describes a city as a country and a country as a city and vice versa. This is not unusual for Saint John to describe a nation as a city.

And Saint John continues in verse number 17. 'For in one hour so great riches have come to naught. And every shipmaster, and all the sailors, and as many as work in the sea stood afar off.' Now when you hear the false prophets saying that Babylon is the Catholic Church, just have them read chapter number 17 in Revelation.

Babylon is clearly a commercial enterprise. How can they say with a straight face, that if the Vatican were bombed with a nuclear weapon, do you think the merchants of the world stand afar off and weep and moan? I don't think so.

And Saint John continues describing the destruction of Britain and America in verse number 19. 'And they cast dust on their heads and cried, weeping and wailing, saying alas alas, that great city, wherein all were made rich, all that had ships at sea by reason of her prices, for in one hour is she made desolate.' Notice that all these passages, that the destruction is very sudden because America and Great Britain's destruction comes in one hour.

Daniel describes World War 3 as between the King of the North and the King of the South as I mentioned, and also between the east and the west. Saint John, in the Book of Revelation also describes World War 3 as between the east and the west. Let's look at his chapter number 9. 'Saying to the sixth angel which had the trumpet, loose the four angels which are bound in the great river Euphrates.'

Now I believe these four angels symbolize the four great ancient empires which control that region of the world at one time or another. That would be Babylon, the Medes and the Persians, the Greeks under Alexander the Great and of course the Roman Empire. All of these were world empires, and they symbolize world conquest, and that is what World War 3 will also be all about.

And Saint John continues in verse number 15 describing this east versus west phase of World War 3. 'And the four angels were loosed which were prepared for an hour, a day, a month and a year for to slay the third part of men.' Now a third part of mankind would be two billion people today, and one of the reasons I believe this is the same as the North versus South war, is because Saint John uses this same phraseology, 'prepared for an hour, and a day'.

I believe this is this same day and hour as when the whore of Babylon is attacked by the scarlet beast. And in verse number 16, 'and the number of the army of the horsemen were 20,000 times 10,000 and I heard the number of them'.

I think this is a pretty clear indication that China will be involved in World War 3. No one else could put an army of this size, 200,000,000 soldiers onto the field of battle. Now don't listen to the false prophets, who say that this is part of Armageddon. This is not an invasion of Israel. This is an invasion of the west by the Kings of the east.

Chapter 16 verse 12, 'And the sixth angel poured out his bowl upon the great river Euphrates, and the water was dried up, that a way might be

prepared for the Kings from the east.' Some people believe that the Euphrates will actually be dried up but I believe this is more of a psychological barrier, and World War 3 begins when the great powers of the east, such as Communist China decide to invade the western nations of the world. So in conclusion we need to remember, that World War 3 is not the same as Armageddon.

Armageddon comes at the end of the seven years of Tribulation, whereas World War 3 marks the beginning of the Tribulation period, and as we can see from these passages from Daniel in Revelation, World War 3 will involve the entire world.
