

America is Mystery Babylon in Revelation 18

Welcome once again everyone to Mary's School of Prophecy, and I am your professor, William Tapley, and we will continue and maybe even conclude today my study of Mystery Babylon in the Book of Revelation, and we have looked at the description as found in Revelation 18. We have already said that on the last program and we've already looked at Revelation 17 and Mystery Babylon is the same entity in both 17 and 18.

And one of the latest false theories is that they admit, well the Catholic Church can't be Mystery Babylon in 18; maybe it is in 17; but it's not. Revelation 17 and 18 describes the same entity, the same Mystery Babylon, and Mystery Babylon is primarily United States and Britain. It is, in fact all of decadent Western culture. It's the same as the tree which is cut down in Daniel 4, and if you remember that tree in Daniel 4 is cut down by order of the Watcher and the Holy One. And they come down from Heaven. That means that America will be cut down on God's orders.

And if you remember, the stump of the tree in Daniel 4 is banded with a band of iron and a band of brass, and those two bands symbolise the One World Government and the One World Religion, and that is what we are facing. We also know it as the Deep State. We do have a champion against the Deep State, and of course that's Donald Trump, but we can see how powerful the Deep State is because they've just put one of their own in super Tuesday; Joe Biden, he is certainly a Deep Stater, and he will continue, if he is elected, he will continue the policies of the Obama/ Biden Administration which was basically a 16 year plan to destroy America as enunciated by Q-Anon.

So maybe I could look at a few of the chat until we get to five after the hour. Wendy says, "Of the first beast with seven heads, are seven kings and ten horns of princes exercised radical power over the people of God?" Well the first beast has seven heads and ten horns. The ten horns are kings. The beasts have names of blasphemy on them. That means that they are religious entities. They are the seven false religions of the world, the primary, the seven biggest identities, the seven most important, and the ten kings would represent the ten kings of the Antichrist.

Tony Garcia says, "We should all repent and pray to God for mercy, especially so that God may step in and stop their plans of depopulation." Yes the Deep State, they tell you on their Georgia Guidestones, they think we ought to get rid of about 90% of the population, and they tell us ahead of time what they're going to do, and that's not an eye opener. They firmly believe that. And they have a system of, it's an honour. It's not really honour. They do it so they can rub your nose in it. They say, we're going to kill you, and since you don't object, then they have a right to go ahead and do it, in their minds, and they do. That's what they exactly do.

Now I think we can take a look at Revelation chapter 18 where we find the scripture of Mystery Babylon and we were up to verse 13 and 14. Now first we will say a prayer.

Lord Jesus Christ, Son of the Father, Send now your Spirit over the Earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from corruption, disaster and war. May the Lady of all nations, who once was Mary, be our Advocate, in the name of the Father, Son and the Holy Spirit. Amen.

Okay, now let's take a look at Revelation 18 and I'm going to review verses 12 and 13 because there's very interesting numerology and it's just one more proof that Mystery Babylon is the United States, and I went over this before and this is because John lists 28 items in these two verses; 14 in verse 12, 14 in verse 13. And they're both listed by groupings of four, another four and then six; four, four and six. So let's just take a look at that. I'm sure you'll remember what that signifies.

Rev 18:12: Merchandise of gold and silver and precious stones; and of pearls; that's four types of jewels. I guess you could say; **and fine linen and purple and silk and scarlet:** that's four types of clothing; **and all thyine wood: and all manner of vessels of ivory: and all manner of vessels of precious stone and of brass and of iron and of marble:** I believe those are all building materials. Okay, let's look at verse 13.

13 And cinnamon and odours and ointment and frankincense; they would all be types of perfume; **and wine and oil and fine flour and wheat;** that's all types of food and then six various types of items; **and beasts and sheep and horses and chariots: and slaves and souls of men.**

So as you count those out, you can see there are four items plus four items plus six items and plus 14; four plus four plus six in verse 13. That's not accidental numerology, in fact John verifies it by doing it twice, and of course the total number 28 is an End Times number. It's not used as often as 4, 7 and 12, but still it is used to indicate that this is an End Times prophecy.

Four plus four refers to the United States, and we find that also in Daniel 7. Six of course refers to the Antichrist. And four, four and four also refer to Barack Obama. That's because he's the 44th president and 44 is followed by 6, the Antichrist. That's the Beast that we can expect to see next afflicting the United States.

And the reason America is 44 in Bible prophecy is because we have four heads and four wings as Daniel says. The four heads refer to the four leaders of our government, the President, the Vice-President, who heads up the Senate, the Speaker of the House and the Chief Justice of the Supreme Court. Those are the four governmental leaders. And the four wings represent the four branches of the military which sit on the Joint Chiefs of Staff, the Army, the Navy, the Air Force and

the Marines. So that's the numerology of 12 and 13. So now let's continue on with verses 14 and 15 of Revelation chapter 18.

14 And the fruits of the desire of thy soul are departed from you; and all fat and goodly things are perished from you. And they shall find them no more at all.

15 The merchants of these things, who were made rich, shall stand afar off from her, for fear of her torments, weeping and mourning.

Does it really make sense to think that if the Whore of Babylon referred to the Vatican, all the merchants of the world would weep and mourn because of her burning? And notice that they are out in ships, although we don't see that in this verse. That's why they are sitting in their ships. That's because America is the number one importer of goods in the world. America is the only country that really fits this. Britain is also a big importer of goods and we are both basically island nations. Britain is of course surrounded by water and America is surrounded on four sides by water; the Atlantic Ocean, the Gulf of Mexico, the Pacific Ocean and the Great Lakes to the north. And many of the cities of the Great Lakes are ocean ports. Now let's look at verses 16 and 17.

16 And saying: Alas! Alas! That great city, and as I said before, a city can mean a country in John's symbology, **which was clothed with fine linen and purple and scarlet.** Purple and scarlet; those are the only two colors mentioned before and the purple symbolises the monarchy, the royalty of Britain. The scarlet, our government was born out of the bloody American Revolution; **and was gilt with gold and precious stones and pearls.** And we saw before that the golden cup is not a chalice used by priests but rather refers to our culture which is shiny, professional on the outside, very much like the movies in Hollywood, but on the inside is full of filth and fornication.

17 For in one hour are so great riches come to nought. And of course that sure sounds to me like nuclear warfare. **And every shipmaster and all that sail into the lake, and mariners, and as many as work in the sea, stood afar off,**

And there are four types of shipmasters here, because that is an End Times prophecy number. And John uses the number 4 as often as he can, in order to indicate that this is an End Times prophecy.

So now let's look at verses 18 and 19. And certainly the shipmasters would not stand afar off weeping and mourning if the Vatican were burned with fire in one hour. I don't know why the false prophets .. of course their interpretation is clouded by anti-Catholic bigotry, and I think if they've realized that they are in trouble, they might shape up but Zachariah said what was going to happen to them and they're going to be killed by their own families; the false prophets, giving false prophecy like that, so the people don't know who to leave, who to go out from. Many of their families are

going to die and they are going to kill the false prophets according to Zachariah. Okay, I think we're up to 18 and 19.

18 And cried, seeing the place of her burning, saying: What city is like to this great city?

19 And they cast dust upon their heads and cried, weeping and mourning, saying: Alas! alas! That great city, wherein all were made rich, that had ships at sea, by reason of her prices. For, in one hour she is made desolate.

So John repeats over and over again that this is a trading nation, and the merchants of the world weep and mourn, and that merchants got rich because of the trading with Babylon, with the United States, by reason of her prices. In other words, America, as I say, is the number one importer in the world, and to think that it is anything other than the United States, it's a stretch. Now, let's look at verses 20 and 21.

20 Rejoice over her, you heaven and you holy apostles and prophets. For God has judged your judgment on her. Do you see what that says? That means that you and I, we have to rejoice when America is burned with fire. That's what John is prophesying. Those of us who are "holy apostles and prophets", we are going to rejoice over God's judgement on America.

21 And a mighty angel took up a stone, this judgement comes from God, as it were a great millstone, and cast it into the sea, saying: With such violence as this, shall Babylon, that great city, be thrown down and shall be found no more at all.

Now this judgement, this could be at the very end, at Armageddon. In other words, this is not describing the Scarlet Beast, which burns America with fire in one hour. Remember what little Jacinta said at Fatima. "There is a secret of Heaven and a secret of Earth and the latter is terrifying." The secret of Earth, that judgement, although it's determined by God, it comes from the Scarlet Beast, on America. The second judgement, the secret of Heaven, is something we do rejoice over because that comes from Almighty God and we will be saved out of that judgement. Let's look at verse 22.

22 And the voice of harpers and of musicians and of them that play on the pipe and on the trumpet shall no more be heard at all in you and no craftsman of any art whatsoever shall be found any more at all in you and the sound of the mill shall be heard no more at all in you:

It's interesting that if you look at the groups who are no longer found in Babylon, we look elsewhere and we find that those are the same groups that have been raptured. Remember? One man will be in the field; one will be taken and one will be left, two women will be grinding at the mill, one will be taken and one will be left; so there's no more sound of the mill in America. That's because half of the millers have been taken in the rapture. Of course this is symbolic numerology but the voice of the bride

and of the bridegroom will not be heard any more in Babylon. That's because they've gone to the Marriage Supper of the Lamb. The harpers, those that sing; we know that the raptured Protestants who are in Heaven, they are great singers. They are described quite a few times in Revelation as playing on the harps and singing. So the groups that are no longer active in Babylon have been raptured. That's why they're not there anymore, so same groups. Let's look at verses 23 and 24.

23 And the light of the lamp shall shine no more at all in you: and the voice of the bridegroom and the bride shall be heard no more at all in you. That's because they've gone to the Marriage Supper of the Lamb. **For your merchants were the great men of the earth:** Can anybody think of some of the great men of the Earth, who are merchants in the United States? Well, Bill Gates. Who are the other great merchants? There's certainly many of them. Who's the one who owns the insurance companies? (Warren Buffett). We all know they're all famous and of course they've been famous for so many years, the Rockefellers' and people like that. The great ones of the Earth, we consider our rich entrepreneurs who have become wealthy billionaires; we consider them great men, and that's what John is talking about here; **for all nations have been deceived by your enchantments.** I think Bill Gates is promoting, for example vaccines that include contraceptives and aborted baby cells. Now this next verse is very interesting, verse 24.

24 And in her was found the blood of prophets and of saints and of all that were slain upon the earth.

There are three groups there; the prophets refer to the raptured Protestants, the saints refer to the Catholics, and "all that were slain upon Earth", that sounds like duplication there, but it isn't, because they are a particular group. Those are the martyrs, so we have the prophets, and the saints, and the martyrs; three different groups that are killed by the Whore of Babylon, and what John is referring to here is abortion. He is not talking about the false prophets like say the Spanish Inquisition. These are three of the four groups who will reign with Jesus during the Millennium. In fact these are the three who are at the Battle of Armageddon, these three groups, the prophets, the saints and the martyrs.

We know that because Jesus said He will send His angels to gather His elect from under the four winds from one end of Heaven to the other. The elect under the four winds, that refers to the Catholics. They've been scattered into the desert. The woman goes into the desert. Those in one end of Heaven; those are the raptured Protestants. Those in the other end of Heaven are the holy martyrs. The false prophets tell you it's all one group, it's not. Jesus was talking about three specific groups, but there's one group that's missing here and that is the fourth group which would be the converted Jews, and we find those back in chapter 17. So let's review chapter 17 verse 6.

17:6 And I saw the woman drunk with the blood of the saints ; we just spoke about them, and with the blood of the martyrs of Jesus. And I wondered, when I had seen her, with great admiration.

19:2 For true and just are his judgements, who has judged the great harlot which corrupted the earth with her fornication and has revenged the blood of his servants at her hands.

So here we find the Jews in 17:6 and 19:2 we find another grouping of the three, three of the four. The saints would be the Catholics; the martyrs of course are the martyrs and the servants are the converted Jews. We find the same groups back when John is describing the martyred babies. You notice here in 19:2, God has avenged the aborted babies. He just called them servants here, but we'll go back and we'll see where the servants are described, back in chapter 6, verses 10 and 11. These are the aborted babies here.

6:10 And they cried with a loud voice, saying: How long, O Lord (Holy and True), do you not judge and revenge our blood on them that dwell on the earth?

And I've told you many times that the aborted babies are right now... they are not praying for America, they are praying for vengeance on America, as we just saw. And back in chapter 19 verse 2, God does avenge their shed blood.

6:11 And white robes were given to every one of them;

They are not real martyrs. If they were martyrs like let's say, Saint Stephen, they would have white robes that are washed in the Blood of the Lamb. They are given white robes, even though they are martyrs, they are not martyrs like Saint Stephen, who prayed for mercy from God. "Father forgive them. Don't hold this crime against them"; but these aborted babies, they are praying for vengeance.

And it was said to them that they should rest for a little time till their fellow servants and their brethren;

Here we find all four groups. The servants are the Jews and their brethren, as we saw before, are the other three groups; the martyrs, the saints and the prophets;

who are to be slain even as they, should be filled up.

So it's interesting that John describes these aborted babies in the terms of the four groups who would reign with Jesus during the Millennium, and this is why they are crying for vengeance. They were denied their responsibility of living in the Millennium for a thousand years. They were not only denied their lives, but given no hope of living for a thousand years, and it's important that we understand why the Whore of Babylon, that is, the United States will be burned with fire and destroyed. And I know people tell me, "Well there's abortion in most countries of the world". That's true, but no country is going to be judged worse than America because no country could afford those babies more than America. This is the richest nation in the world, as John has been telling us. There's no reason that we should kill the unborn. It's pure selfishness, and that's why we are going to be judged. We are going to be burned

with fire in one hour and of course, as you and I all know, we have to prepare for our refuges and get out in them because we can't control what our government does. Donald Trump is doing the best he can but there are 20 Deep State people who favour abortion in this country, because they just hate America. They want to destroy Americans.

And I want to repeat again what Sister Renée says are the five signs that we look for, that we are about to go to our refuges.

No. 1 - World War III

No. 2 - Martial Law.

No. 3 - Changing of the words of consecration of the Mass

No. 4:- Mandatory Vaccines, and

No. 5:- Mandatory Chips.

Okay, now I think we can conclude. I think that's all. I don't think I'm going to do any more on Mystery Babylon, the Harlot, the Prostitute, the Great Prostitute. And all the false prophets say, "Oh, prostitutes in the Bible are always religious." Not really. The nation of Israel was also called a prostitute in the Old Testament, and that's what John is talking about a nation, and that is America, and to call us a city, that's consistent with how you interpret End Times prophecy. The symbolic interpretation always comes ahead of the literal.

May God bless all of you and may all of you have a very blessed evening.
