

Red Alert: World War 3 Imminent

This will probably be my last video, before the start of the seven years of Tribulation, which begins this coming week on October 13th. In this video, I want to sum up the most important warning which I have given in all of my other videos, and that is, that World War 3 is imminent.

This is my mission, as the eagle which flies through the heavens in the book of Revelation in chapter 8 verse 13. And later on in this program, I will give you a proof, that I am a true prophet of Almighty God, and I think you will be surprised at that proof which I give. The seven years of Tribulation begins on October 13th of this week because that is an anniversary date of Fatima, and the time in Fatima would be the same as in Jerusalem I believe. And that means that the Tribulation would begin for the United States six hours earlier, that is October 12th.

The start of Tribulation is, of course World War 3. Remember the sequence that Jesus gives in the Olivet Discourse, following the White Horse of apostasy, which has already started. The White Horse began its run 500 years ago when Martin Luther posted his 95 Theses, the White Horse of Apostasy, that symbolized the break-up of Christianity.

The second horse, the Red Horse of War is the next woe, and that's the woe that is my job to warn about. Please don't listen to the false prophets who say that the seven years of Tribulation will be instigated by some sort of covenant, between the Antichrist and Israel. You will not find any such covenant mentioned in either, the Olivet Discourse or in the Book of Revelation. It simply is not there.

Now next I want to clear up some confusion about the exact date for the start of World War 3. Please note I have never given an exact date for the start of World War 3. In my previous videos I have given a general timeframe of two years, that is 2009 to 2010, and also I have given four possible dates. So some of my critics complained that I give four dates for World War 3 and that cannot be biblical because the Bible would give an actual date. Well the Bible does not give a date for World War 3.

The Bible does give a date for Armageddon, and Jesus says that the Tribulation will last seven years, but He also said that He is going to shorten the days of Tribulation. And who does He shorten the Tribulation for? He says for the sake of the elect. Now the elect are a particular group. Those are the protected Catholics, who pray the

rosary in the desert. Remember the raptured Protestants will be in heaven. They do not have to worry about how long the Tribulation lasts. By the way, this is proof that the entire church cannot be raptured, because Jesus says He will shorten the days of Tribulation. He would not need to shorten those days of Tribulation if the entire church were raptured, but some, as I say, the protected Catholics, they will be in the desert praying for the defeat of the Antichrist.

So what does all this mean? It means that Jesus will shorten the seven years of Tribulation, but does He shorten those days at the end of the Tribulation? In other words, does He move up the date for Armageddon from 2017 to an earlier date? Or does He shorten the Tribulation by postponing the start of World War 3? I have never said that I know the truth about this. I don't know. I think it's possible that we can change the date. We can pray enough to postpone the start of World War 3. In other words, if World War 3 does not start in the window of opportunity, that is between October 13th and November 29th, we will know that Jesus is definitely shortening the days of the Tribulation. Of course Satan knows all this. He can read scripture. He knows that Armageddon starts in 2017. If I can figure it out, he can. He knows Tribulation lasts for seven years. He knows he has a window of opportunity, to start World War 3, but, he does not want you to know. He wants to hide all this from you.

That is why Satan attacks my ministry. He does not attack the false prophets. Why not? Because they are not warning you about World War 3; none of the false prophets on YouTube. They don't know, for example, that the three beasts have already come up out of the sea, in Daniel, and that we now are only waiting the fourth beast, and that fourth beast is the One World Communist tyranny, the same as the eighth beast in Revelation.

Just as a demonstration of how Satan is attacking my videos, I did a search on YouTube under my name, and it's amazing, that practically all of the videos which come up, are attack videos. Hardly any of the videos under my name, have been posted by me. Let's take a look at some of those videos. The first video which comes up, when you type in my name on YouTube is 'William Tapley Has 8 Months Left' which is an attack video by AtheistAussie. The next one is William Tapley is insane by fantasy0coach. Then we have one by SuperSoylent another one by fyrstkken; a second one by AtheistAussie, a second one that says 'William Tapley is insane' and finally, the seventh video, are some

videos of mine, but they were not posted by me, they were posted by GoYoshiGo777.

Now let's look at the second group of seven videos. Here we have a play list of Devils pics. Those are hate videos. The next one is another attack video, then we have another attack video by AtheistAussie. Finally, we have the first video under my name, which I actually made, and which I actually posted which is my poem. Even then, this is not a video, a typical video, in other words, it does not tell about World War 3. Then we have another hate video, William Tapley - Satanic Response, then we have another opposition video. Now this is by biblebeltchristian, so he would not be an atheist or a Satanist, and finally we have my second video which I posted, called 'Doom and Gloom' -(Third Eagle's Tune). So out of the first 14 videos listed under my name, on YouTube, only 2 were actually posted by me.

Now let's look at the next seven. 'If You Use Condoms, You Will Not Be Raptured'. Now this is one of my videos. Now we come to the third video posted by AtheistAussie, another attack video. Then we have one x IchiTheRipper another attack video. Then we have one by, I think he pronounces his name rozeboosje, another attack video. Then we have the Third Demon of the Apostasy by SuperSoylent, another attack video by rozeboosje, and another attack video by demonaziocracy.

Now this is really amazing. Of the first 21 videos posted under my name on YouTube, all but 5 of them are attack videos against my ministry. Now that was just the first 21 videos under my name. The same pattern exists for the next 20, 30, 40 and 50 videos. Practically all of them are attack videos. But what is really amazing is, you do not find this, if you type in the names of any of the false prophets. For example I challenge you type in, Chuck Missler or John Hagee, Perry Stone or maybe Dave Hunt or how about Irvin Baxter or Hal Lindsey or Jack Van Impe? None of them have attack videos posted under their names. Why not? Very simply because Satan does not bother with prophets who are false, who are not warning you about World War 3. They are doing exactly what he wants. They are keeping you in the dark. They are not telling you that the three beasts have already come up out of the sea in Daniel. They do not have a clue that Barack Obama is the leopard as found in Daniel chapter number 7.

And I don't mean to single out just the Protestant false prophets. After all, the Pope, Pope Benedict the 16th has actually met with the three-

beasts in Daniel. He has met Queen Elizabeth, who is the lioness, he has met Dmitry Medvedev who is the bear, and he has met with Barack Obama who is the leopard. Is he aware that these three beasts are found in the Book of Daniel? Maybe he does. Maybe that's why he is meeting with them. Maybe he is warning them. Maybe is telling them that World War 3 is imminent. I do not know. I am not privy to his conversations with these three beasts.

Finally I want to give you the proof that I promised earlier, that I am a true prophet and I just gave you the proof. The proof is that you can tell a man by his enemies. Satan only attacks true prophets. He does not attack any of the people I just mentioned. He only attacks the Third Eagle. That's because I am telling you the truth about World War 3, and that World War 3 is imminent. The Tribulation is upon us. It will begin this week, and one final note.

I know I use terms like Protestant and Catholic, but in the End Times, there will only be two groups, those who take the mark, and those who refuse. There will be Catholics who take the mark, and Catholics who refuse. The same with Protestants, and in fact, the same with any other religion, Orthodox, Buddhist, Islam, it doesn't matter, or Jews. Some will take the mark, and some will refuse, even atheists. Some atheists will refuse to take the mark, because they value freedom more than slavery. They will be saved. Those who take the mark will go to Hell.
