

## Our Lady of La Salette Prophecy Decoded Pt 1

On this program I want to vary a little bit from Bible prophecy and instead talk about a prophecy which the Blessed Virgin Mary gave way back in 1846 to two shepherd children, Melanie Calvat and Maximin Giraud in La Salette, France.

And these are critical prophecies for our End Times and up until now, no one has understood the prophecy. And that's one reason why you can tell that they are more important for these End Times because now they are being decoded by yours truly.

And the reason no one has understood this prophecy is because they have assumed that all of the events are in chronological order and that's a huge mistake; they jump all over the place. And what Mary did was divide the prophecy up into seven different

sections. Now, within each section, the chronology is perfect, it is exact, and that's important to understand if we are going to understand the prophecy. And what's important about Apocalyptic Literature is it becomes MORE important as we enter into the End Times. And the La Salette prophecy is also unique because I can't think of any other Marian prophecy that is Apocalyptic Literature. She's given many other prophecies but this is the only one that needs a co-prophet, for example. And it follows the other rules of Apocalyptic Literature. In other words: sacred numerology is very important because God often talks to us through numerology and the symbolic interpretation takes precedence over the literal interpretation.

So now, I want to show you a slide of the seven sections of the La Salette prophecy; and as you can see, the title of the first one is, '**God will Abandon Mankind**', and the first date is 1858. Now, I have given all of these titles; these are not part of the original prophecy. I give these titles in order to separate the different sections. The dates, however, are given by Mary, as I will explain in a few minutes. This first section is: '**God will Abandon Mankind**' and the date is 1858 and Mary speaks to Melanie: '**Melanie, what I am about to tell you now**

*will not always be a secret. You may make it public in 1858.'* So, we see that in this first section, Mary gives a specific year and she does the same with all of the ensuing sections and this is very important; this is how we know that Mary is going back and starting a new section because she starts each section with a new year.

- 1) God Will Abandon Mankind.....1858**
- 2) True Pope vs the False Prophet..1859**
- 3) Zombies & Alien Abductions.....1864**
- 4) Thousand Years of Peace.....1865**
- 5) Forerunner of the Antichrist.....1870**
- 6) Birth of the Antichrist.....1954?**
- 7) Enoch and Elijah Come.....2011?**

Now, continuing with section one, I'm going to use color coding to show you the numerology. So, right off the bat, Mary uses sacred numerology to teach us the prophecy. And I have color-coded this so you can see, for example, the seven faults of the priests: *'The **priests**, ministers of my Son, the **priests**, by their **wicked lives**, by their **irreverence** and their **impiety** in the celebration of the Holy mysteries, by their **love of money**, their **love of honors** and **pleasures**, and the **priests** have become **cesspools of impurity**. (These prophecies could come right out of today's headlines.) **Yes, the **priests** are asking for **vengeance** and **vengeance** is hanging over their heads. Woe to the **priests** and to those dedicated to God who by their unfaithfulness and their wicked lives are crucifying my Son again! The sins of those dedicated to God cry out towards Heaven and call for **vengeance**, and now **vengeance** is at their door for there is no one left to beg mercy and forgiveness for the people. There are no more generous souls. There is no one left worthy of offering a stainless sacrifice to the Eternal for the sake of the world.'***

Did you notice the numerology? There were seven evils listed for the priests. Seven is probably the most important End Times number. The word 'vengeance' is listed four times. That word is found in only one other place in this prophecy of La Salette. That is very typical of End Times prophecy. A word will be repeated very close to each other and then rarely mentioned anywhere else. Four is the second most important number in End Times prophecy. But Mary does not completely put down the priesthood, because she mentions the word 'priest' five times; that's her number. Thus she is saying that some priests are evil but not all priests. Even though she doesn't spell that out, that's what she is talking about.

The rest of this section one of the La Salette prophecies is a warning to the rest of us: **'God will strike in an unprecedented way. Woe to the inhabitants of the earth! God will exhaust his wrath upon them and no one will be able to escape so many afflictions together.'** So, we started in 1858; we went up to the priests who were failing in their vocation, that would probably start in the 60s or 70s or 80s, and now this 'woe, woe, woe to the inhabitants of the Earth', that is a direct reference to Revelation, chapter 8, verse number 13, which happens to be a reference to me, yours truly. And that's my job to cry

out **'woe, woe, woe to the inhabitants of the earth'**. Now, why is it important that my book, 'Revelation Unraveled', is referred to here? That is because it was published in 2007; in other words, another marker date.

Mary addresses the next part of this section to the Bishops and the Cardinals: **'The chiefs, the leaders of the people of God have neglected prayer and penance, and the devil has bedimmed their intelligence. They have become wandering stars which the old devil will drag along with his tail to make them perish. God will allow the old serpent to cause divisions among those who reign in every society and in every family. Physical and moral agonies will be suffered.'** As I say, the chiefs and the leaders refer to the Bishops and Cardinals in the Catholic Church. So now, we are up to the years, probably, 2010- 2012, somewhere in that time frame which

came after the priests. They were exposed, remember, most likely during that Boston Globe's series of articles; and the exposure of these Bishops and Cardinals, as covering up for the priests, comes later than that. And this reference to the Bishops and Cardinals, the chiefs and the leaders, coincides with Revelation, chapter 12, verse number 4 where the dragon drags a third of the stars from the heavens. And I've always said that reference in the book of Revelation has to do with the clergy; that's what the 'stars' refers to.

And now we come to the title of this section: **'God will abandon mankind to itself and will send punishments which will follow one another for more than 35 years.'** So, has this happened yet? I don't believe it has. Now, we are coming to the end of this first section and Mary is talking about an End Times event. God does not abandon mankind until the start of the Great Tribulation leading up to Armageddon. And what do those '35 years' represent? I believe that is a symbolic number. I don't think the tribulation is 35 years long, I think it is 3.5 years long. And I believe you have to consider the symbolic interpretation ahead of the literal interpretation.

And continuing with this section: **'The Society of men is on the eve of the most terrible scourges and the gravest events. Mankind must expect to be ruled with an iron rod and to drink from the chalice of the wrath of God.'** So, we've seen that a lot of the events in this first section have already occurred, but this event has not occurred. This occurs at the very end. She says the 'most terrible' and the 'gravest'; those are superlatives, the worst ever, in other words, and being 'ruled with an iron rod' refers to the reign of the Antichrist. And following that comes the wrath of God. That's the last phrase in this first section and that only occurs at Armageddon.

So let's do a summary of this first section and you will see that it is in precise chronological order. The chronology starts with 1858, that's the first year that Mary gives. It goes up to the bad priests which were exposed in 2002, primarily, with that Boston Globe. It goes up to my book in 2007: **'woe, woe, woe to the inhabitants of the earth'**. It continues to the cover up by the Bishops and Cardinals which I believe were primarily exposed starting in 2012 and right up to the present time. And then we continue up to the reign of the 'iron rod' which means under the Antichrist. And then Mary concludes with the very end times event and that would be Armageddon. Now, if you didn't understand that Mary now goes back to an earlier date, everything that

follows this in the La Salette prophecies, you would assume comes after Armageddon. You would either have to interpret Armageddon as not being Armageddon or you would have to interpret everything after this passage as being End Times events and they're not.

If you understand the chronology, we now go back to 1859 which I call, **'The True Pope Versus the False Prophet 1859': 'May the Vicar of my son, Pope Pius IX** (this is the first of five Popes listed in the La Salette prophecies) **never leave Rome again after 1859; may he, however, be steadfast and noble, may he fight with the weapons of faith and love. I will be at his side.'** Very interesting! Mary is asserting her role in these End Times already by saying that she will be at the side of Pope Pius IX. And notice, the first sentence again gives the date; that would be 1859. And shortly after that the Vatican lost its sovereignty over the city of Rome to the Italian government. And that is Mary's next concern, and we go back to this slide: **'May he be on guard** (this is still Pope Pius IX Mary is talking about) **against Napoleon** (this is Napoleon III) **he is two-faced, and when he wishes to make himself Pope as well as Emperor, God will soon draw back from him. He is the eagle who always wanting to ascend further, will fall on the sword he wished to use to force his people to be raised up.'**

So we see that this section began in 1859 and now we are already up to 1870 because Napoleon III reigned from 1859 to 1870. **'Italy will be punished for her ambition to shake off the yoke of the Lord of Lords. And so she will be left to fight a war; blood will flow on all sides. Churches will be locked up or desecrated. Priests and religious orders will be hunted down and made to die a cruel death. Several will abandon the faith, and a great number of priests and members of religious orders will break away from the true religion; among these people there will even be bishops.'** I suspect this refers to World War 2; in other words, we are now up to between the 1930s and 1944. So you see, Mary is still following a very strict chronology. In fact, she never varies from this strict chronology, as long as you understand how the prophecy is broken up into seven sections.

**'May the Pope guard against the performers of miracles. For the time has come when the most astonishing wonders will take place on the earth and in the air.'** So where are we now as far as chronology goes? What Pope has to guard against miracles? First of

all, these must be false miracles or the Pope would not have to guard against them. Can you think of any Pope in the past that has had to guard against false miracles, let's say, Pope John Paul II, for example? Could it be that Mary is talking about Pope Benedict? And the reason I say that; does he have to guard against the false miracles of the False Prophet or the Antichrist? Those are the only two people I can think of in Bible prophecy who are going to cause false miracles. And I want to show you an interesting clipping here; this is about Pope Francis: **'The healing Pope, the list of miracles performed by Pope Francis'**. Is Pope Francis performing the false miracles and is Pope Benedict the Pope that Mary says must guard against false miracles?

<https://www.standardmedia.co.ke/article/2000183426/the-healing-pope-list-of-miracles-performed-by-pope-francis>

Let me give you a summary of section two which we've just completed. This section began with Pope Pius IX in 1859. It continued through Napoleon III in 1870 and it continued on into World War 2, I believe, the 1930s to 1944. And now, right up to our present time. The only workers of false miracles that I can think of would be the Antichrist and the False Prophet and the Pope who must guard against them would be Benedict XVI. I really don't think it is Pope Francis who is guarding against the false miracles; I suspect that he is the one performing the false miracles. So now, Mary has completed section two with another End Times event, that is the reign and the false miracles of the Antichrist and the False Prophet.

And she now goes back to 1864 and I call this section, '**Zombies and Alien Abductions**' as I will explain in a minute: '**In the year 1864, Lucifer together with a large number of demons will be loosed from hell; they will put an end to faith little by little, even in those dedicated to God. They will bind them in such a way that unless they are blessed with a special grace, these people will take on the spirit of these angels of hell; several institutions will lose all faith it will lose many souls.**' Once again, Mary goes back to a specific year; this would be 1864. Now, I'm not sure what the release of Lucifer and the demons refers to; it could very well refer to a specific year, but I'm not sure what it is, I haven't done enough research on this; maybe there was some certain event. I suspect priests who are into exorcism would know if there was an outbreak of demons at that particular time.

Let's continue with section three: '**Evil books will be abundant on earth and the spirit of darkness will spread everywhere a universal slackening of all that concerns the service of God. They will have great power over Nature: there will be churches built to serve these evil spirits.**' I'm not sure but I am wondering if maybe the Church of Scientology, which was founded by L. Ron Hubbard in 1952, could that be the church that she is talking about, built to serve evil spirits. I know the Church of Scientology believes in aliens and UFOs and they do not consider them demons, whereas that is, in fact, what they are. Let's return to section three: '**People will be transported from one place to another by these evil spirits, even priests, for they will not have been guided by the good spirit of the Gospel which is a spirit of humility charity and zeal for the glory of God.**' Mary is actually prophesying here about alien abductions and they are real, and Mary would not be talking about them if they were not real. When was the first famous case of alien abduction? I don't know if you remember it or not but I believe it was Betty and Barney Hill. If you look those up, I think that was the first publicized case of alien abduction.

Let's go back to section 3 again: 'On occasions, the dead and the righteous will be brought back to life.' Mary is talking about zombies here; can you imagine that? And a lot of people questioned Melanie at the time. She would travel throughout Europe and give this prophecy word-for-word. By the way, every time she gave it, it was accurate and never changed, she told the people that. And they asked her, how is it that you can remember this word-for-word and she said '**When Mary**

***tells you something you never forget it.'*** So let's go back and see what Melanie has to say, because they kept after her, and they said, 'What are you talking about here?'. So here is her explanation; and I put this in italics because this is not actually part of the prophecy: ***'That is to say that these dead will take on the form of righteous souls that had lived on earth, in order to lead men further astray; these so-called resurrected dead, who will be nothing but the devil in this form, will preach another gospel contrary to that of the true Christ Jesus, denying the existence of heaven; that is also to say the souls of the damned. All these souls will appear as if joined to their bodies.'***

A lot of people don't believe in Zombies but actually they are true and I recommend a book by Randy Barr called ***'Inside the New Age Nightmare'***; fascinating story! And he said he went to a witches coven once, I forgot what they call those things, seances, I don't know, it was a witches coven and before the night was over he realized that at least five of the thirteen people in that coven were not alive, they were dead; they were zombies. And he was killed for revealing that, by the way. He was murdered. He was killed in an automobile accident. Sad situation because he was deep into the New Age nightmare and he extricated himself from it and that made Satan very angry: that he was able to get out of the New Age nightmare.

Notice that Mary is still prophesying in sequence here, a chronological order. So let's return to that section: ***'Everywhere there will be extraordinary wonders, as true faith has faded and false light shines on the world. Woe to the Princes of the Church who think only of piling riches upon riches to protect their authority and proud domination.*** (That sounds like it comes right out of today's headlines.) ***The Vicar of my Son*** (now this is the second specific pope referred to) ***will have much to suffer because for a time the Church will be the victim of great persecution, this will be a time of darkness and the Church will suffer a frightful crisis.'*** The previous date given in this section was that Betty and Barney Hill were abducted in 1961. Therefore, this Pope, this next Pope, 'the Vicar of my Son who suffers', must be Pope Paul VI and his reign began in 1963. And Pope Paul VI referred to this darkness as the smoke of Satan which he said from some crevice entered into the Catholic Church. Mary's reference to alien abductions helps to pinpoint the identity of this Pope. And it is well known that Pope Paul VI did suffer a great deal. In fact, at Bayside, Mary said that the Vatican replaced

Pope Paul VI on public occasions with a body double. And the time of the frightful crisis that Mary talks about here most likely refers to Vatican 2 which concluded in 1965.

Let's continue with section three: **'As the holy faith of God is forgotten, every individual will wish to be his own guide and be superior to his fellow man.'** I'm going to suggest this refers to the encyclical **'Humanae Vitae'** by Pope Paul VI and there was an awful lot of rebellion against his encyclical in the Catholic Church. Continuing with this section: **'Civil and ecclesiastical Authority will be abolished. All order and all justice will be trampled underfoot. Nothing will be seen but murder, hatred, jealousy, falsehood and discord without love for the mother country or for the family. The Holy Father will suffer a great deal. I will be with him until the end and receive his sacrifice.'** Notice that phrase, no love for the 'mother country'. Mary is not a globalist! That's just the opposite of Pope Francis. Did you see the other day: Pope Francis wants America to be under global government! He says it would be good for us. This La Salette prophecy is pointing out the fallacies, I believe, of Pope Francis.

Now, the Holy Father who suffered a great deal is not Pope Paul VI, who did suffer, but his life was not a sacrifice, as Mary says here. The next Pope after Pope Paul VI was Pope John Paul I and his life was a sacrifice because he was murdered. And at Bayside Mary tells us the three Cardinals who murdered Pope John Paul I: Cardinal Benelli, Cardinal Villot, and Cardinal Casaroli. I think Taylor Marshall just did a program on the murder of John Paul I. But after John Paul I comes John Paul II. And this can't be the same Pope. In other words Mary talks about a different Pope here even though she doesn't identify him because she says there were several attempts on his life. That can't be Pope John Paul I but it most certainly does refer to Pope John Paul II. Let me find that for you in the prophecy: **'The wicked will make several attempts on his life but they cannot harm him.'** Now, this first assassination attempt was on May 13, 1981. So we're following in a strict sequence.

And let me go back to this section: **'But neither he nor his successor will see the triumph of the Church of God'**. Let me read that again; that's extremely important: **'But neither he nor his successor will see the triumph of the Church of God.'** So that means that the successor of Pope John Paul 2, that would be Pope Benedict, will not

see the triumph of the Church of God. Now, Mary mentions four popes in a row here: Pope Paul VI, Pope John Paul I, Pope John Paul II and his successor, Pope Benedict, but no Pope Francis! Does that make any sense? That to me tells us that Mary is saying that Pope Francis is not a true pope; he doesn't belong in this succession. Some Pope may see the triumph of the Church but it's not going to be Pope John Paul 2, we know that, and it's not going to be Pope Benedict either. Now, if it were Pope Francis who sees the triumph of the Church I would certainly think Mary would mention that! I mean, that would be very important. Is it possible that there won't be a true Pope that sees that the triumph of the Church, or maybe there will be no Pope? But it's very interesting that four true popes are mentioned in a row but not Pope Francis.

Instead of Pope Francis she talks of, or instead of the successor of Pope Benedict, she talks about the tribulation period. Let me show you that in this third section: ***'All the civil governments will have one and the same plan, which will be to abolish and do away with every religious principle to make way for materialism, atheism, spiritualism, and vice of all kinds.'*** Well, that's the aim of the Deep State today; that's the aim of the Scarlet Beast, in other words, International Communism. So Mary skipped right over the possibility of a Pope following Pope Benedict who sees this final battle. And this reference to these civil governments having one and the same plan, that's almost the exact same wording that we find in Revelation 17, verses 12 through 13. Once again, we see that Mary has listed all these events in this third section in chronological order.

So let me review those: first, Lucifer released the demons in 1864. As I said, I'm not sure what that refers to. Then there were the churches of evil spirits, maybe Scientology in 1952. Then came UFOs and alien abductions; remember Barney and Betty Hill in 1961. Then came the suffering Pope, that was Pope Paul VI; he reigned in 1963. Then there was a frightful crisis within the Church which was undoubtedly Vatican 2. That ended in 1965. Then there was disobedience and that was likely, I believe, to Humanae Vitae; that was 1968. Then we came to the first pope who was murdered, Pope John Paul 1. He was killed in 1978. Then we came to Pope John Paul 2 from 1978 to 2005; that was his reign, then Pope Benedict; he is our current reigning Pope, in my opinion, to 2005; four consecutive Popes in order: no Pope Francis! That tells me that Mary gave those four popes in specific chronological order to make it appear that if there's no Pope Francis, his absence

sticks out like a sore thumb. There should be a fifth Pope in there because Mary skipped right over him and goes to the Deep State reign of the Antichrist. And that is the last event in section three.

So let's go next to just a little bit of section four which I call the **'Thousand Years of Peace'** and once again Mary gives us another year. That's how we know that we are going back in time and that we are starting a new section: **'In the year 1865, there will be desecration of holy places. In convents, the flowers of the Church will decompose and the devil will make himself like the King of all hearts. May those in charge of religious communities be on their guard against the people they must receive, for the devil will resort to all his evil tricks to introduce sinners into religious orders, for disorder and the love of carnal pleasure will be spread all over the earth.'** Well, this refers to a specific event, in my opinion; this refers to Bella Dodd, the Communist leader. She was given the task by her superiors of infiltrating Catholic seminaries back in the 1930s and 40s. And we see the result of that strategy even today. As Michael Voris likes to point out, not only that the Communist seminarians entered the Catholic Church but they rose to positions of power and they then nominated their kind to enter seminaries. And therefore we have a lot of people in the Church who are working against Jesus Christ in our Church.

Let me continue with this fourth section: **'France, Italy, Spain, and England will be at war. Blood will flow in the streets. Frenchmen will fight Frenchmen, Italian will fight Italian.'** The only war after 1865 which involved all four of those nations was World War 2, not World War 1, by the way, and this is very important because Mary says following this war there will be another huge war. Therefore Mary's prophesying here that there will be a World War 3. Continuing now with section 4: **'A general war will follow which will be appalling. For a time, God will cease to remember France and Italy because the Gospel of Jesus Christ has been forgotten. The wicked will make use of all their evil ways. Men will kill each other, massacre each other, even in their own homes.'** This reminds me of the prophecy of Jacinta of Fatima who said there would be a 'secret of heaven' and a 'secret of earth'. This is the 'secret of earth', and this 'general war' can only refer to World War 3.

And Mary adds that God will forget France and Italy. Now I wonder, why He will forget them? Is it because the dogma of the faith will not be

preserved in those two countries? Remember, Mary said in the Third Secret that in Portugal **'the dogma of the faith will be preserved'**. And we now know that in Poland the dogma of the faith will be preserved. Could it be that Mary is saying here that the dogma of the faith will not be preserved in France and Italy? And so that concludes the first half of the La Salette prophecy. To sum it up, for me, the most important revelation is about the False Prophet and it looks to me as if Mary is indicating that Pope Francis is the False Prophet; he is the one who is performing fake miracles and whom Pope Benedict must be on guard against. In part two, I will go over the second half of the prophecy of La Salette which I believe is meant to indicate who the Antichrist is. However, the bad news is, I haven't figured out who Mary is pointing to.

I put a link below to John Leary's website and Sister Renee Mauser talked about that this afternoon, so if you're interested in seeing what she was talking about; refugees' safe places during the Tribulation Period, here is the link. (Note: use search bar at the top of page.)
