

## Otto Warmbier's Torture and Release in Bible Prophecy

We received the very sad news this afternoon here in the United States that the student, Otto Warmbier, kidnapped by the North Korean Communists, had died. He had returned home a few days ago having been released through the efforts of our President, Mr. Donald J Trump and that is a fulfillment of

Bible prophecy! I told you this before that he would obtain the release of captives without paying ransom unlike our former President, Barack Obama, who paid the Iranians hundreds of millions of dollars in cash to obtain the release of Americans held captive in Iran. And of course, when you operate like Obama did then other countries would be encouraged to kidnap Americans. I am sure Mr. Trump told the North Koreans 'you release Warmbier or else!'

And let me read to you what Isaiah prophesied about Donald Trump in his chapter number 45, verse number 13: ***'I have raised him up to justice, and I will direct all his ways*** (as I told you before, Almighty God is directing the right hand of Donald Trump) ***he shall build my city, and let go my captives, not for ransom, nor for presents, says the Lord the God, of hosts.*** All of chapter 45 of Isaiah is about Donald Trump. King Cyrus is a pre figure of our current great American President. Now, I want to give you the bad news because, of course, Warmbier died. I believe if he had been captured under President Trump's term as president of the United States, the North Koreans would not have dared torture him to death. But what kind of torture did he suffer? The doctors could not find any evidence of torture. The North Koreans claim that he got botulism; the American doctors could not find any evidence of that, but he was missing large parts of his brain cells. In the book of Revelation there are martyrs under the Antichrist who must suffer horribly in order to convince them to take the Mark of the Beast. It will be extremely difficult for us not to take that mark. There's no doubt that North Korea is part of the Scarlet Beast. The Scarlet Beast of International Communism will morph into the eighth beast, the final Beast, the One World Government of the Antichrist.

After a certain point in time, when the Antichrist comes to power, those who suffer martyrdom will come back with Jesus at Armageddon. This is a very interesting facet of the book of Revelation. Let me read you that chapter and verse, chapter 14, verse number 13: ***'And I heard a voice from heaven saying to me, write: blessed are the dead who die in the Lord. From henceforth now*** (in other words, from that point on) ***says the Spirit, that they may rest from their labors; for their works follow them.***' Until now (2017), I don't believe Christians who have been martyred will return with Jesus at Armageddon, although, of course, they will go to heaven. But the torture under the Antichrist will be so great that if the martyrs refuse the Mark of the Beast, even after suffering this new kind of torture, they will be worthy to return with Jesus and reign with him during the Millennium. And I believe we are beginning to see that with the type of torture that Otto Warmer suffered under. I'm not saying definitely that he will return at Armageddon but I would not be surprised and I certainly pray and hope that is the case.
