

SATAN CAUSES YEMENI PLANE CRASH

On this program I want to talk about a very serious question and that is the Yemeni plane crash which occurred yesterday. I believe that this plane was brought down by Satan in order to discredit the End Times number of 153. He wanted to kill all 153 persons on that plane but God had different plans. God saved one teenager in order that Satan could not discredit the very good number of 153.

The number 153 is an incredibly important End Times number. 153 is the number of Hail Marys in a complete three decade Rosary. It is also the number of fish which Peter catches at the miraculous draft of fishes. That story from the New Testament is also an End Times prophecy. Satan will do anything to destroy the importance of the number 153.

It was Satan who brought down that Yemeni airplane but Satan did not succeed in discrediting the number 153 because God miraculously saved one teenager Bahia Bakari from that plane crash. Even her father said in the media that her rescue from that plane crash was a miracle from God and he is right. God wanted to preserve the integrity of 153 as a miraculous number and a very important End Times number.

On two previous videos I have explained how God uses tragedies such as plane crashes to warn us about these End Times. As you may remember, there were 44 passengers and 4 crew that were killed on the plane crash in Buffalo, New York. 444 is an evil End Times number. It is the number of Barack Obama. On the plane crash on the Hudson River, all 155 people were saved including 5 crew members. The number 555 is the number of Mary's Rosary. The plane that was saved in the Hudson symbolizes the Ark of the Covenant and Noah's Ark. All the people were saved on that plane.

We know from Daniel and Revelation, that numerology is extremely important in these End Times. We know that God often communicates to us through numbers. Certainly the plane crashes in Buffalo, in New York and now in Yemeni contain messages that we should be concerned with in these End Times. They have to do with the fate of America, with the fate of the world, and with our weapon that we have in defeating the Antichrist and that is Mary's Rosary.
