

## Donald Trump Fulfilled 3 Bible Prophecies in 2017

On this program I want to talk about the amazing fulfillment of Bible prophecy by Donald Trump during this past year of 2017. And in fact, just this past week, a couple of days ago, he signed an executive order that is found in Isaiah, chapter number 45. So let me read part of this for you, and this is the headline, as you can see: **'President Trump declares National Emergency over Global Rights, Abuses and Corruption'**.

### President Trump Declares National Emergency Over Global Rights Abuses and Corruption

And here's what this article says; **'In his executive order, the president said that rights abuses and corruption have reached such scope and gravity that they threaten the stability of international political and economic systems. 'I thereby declare a national emergency to deal with that threat,' Trump said. The executive order allows for the freezing of assets (this is amazing! This hits them where it hurts) within US jurisdiction of foreigners who commit severe human rights abuses, or for corruption for the most part outside the United States.'** But also within this country. So I'll get to that fulfillment in a few minutes. First, let's start with Isaiah 45, verse number 13: (let's see where Donald Trump fulfills this prophecy)

**'I have raised him up in justice, and I will direct all his ways** (this is God talking about Donald Trump in these End Times) **he shall build my city.'** Almighty God is undoubtedly referring to the city of Jerusalem. Isaiah gave this prophecy about King Cyrus, who was a prefigure of Donald Trump. Donald Trump fulfilled that prophecy just a few weeks ago when he acknowledged Jerusalem as the capital of Israel and he promised to move our embassy to Jerusalem. This is really amazing! I don't think anyone predicted that he would do that and none of our previous presidents have fulfilled their campaign promises to do what Donald Trump is doing; that's because our 45th president is found in Isaiah 45.

**'And he shall let go my captives, not for ransom nor reward says the Lord, the God of hosts.'** Now, that's a reference to Barack Obama who DID pay all kinds of ransom to countries like Iran. Barack Obama and Donald Trump are on opposite sides of Bible prophecy. And now let's look at verse number 2 in Isaiah 45: **'I will go before you and humble the great ones of the earth** (and we see that all the time. The first country that Donald Trump visited after he was elected and took office was Saudi Arabia and he laid the law down to them. Thank you, Mr. Trump!) **I will break in pieces the gates of brass** (now I've told you before what that refers to; brass is the Bible's way of referring to religion and heaven. In this case the 'gates of brass' refers to the One World Religion in these End Times. And how did Donald Trump break the gates of brass just this past week? He called out Pope Francis for changing the 'Our Father' and Donald Trump did this through his alter ego, Q Anon, who really is Donald Trump. And maybe you remember in that message from Q Anon on November 14th, he recited the Catholic version of the 'Our Father'. This is just the beginning, I am sure, but it is really amazing that Isaiah, 2500 years ago predicted that Donald Trump would break the gates of brass, that is, the One World Religion) **'And will burst the bars of iron.'** The bars of iron refer to the One World Government and Donald Trump has been doing that ever since he took office and we would call it 'draining the swamp'.

Okay, let's look at verse number 3 of Isaiah 45: **'And I will give you hidden treasures, and the concealed riches of secret places.'** What does this refer to? This refers to the executive order I just read for you: he is going to freeze the assets. Notice that there are three phrases here: 'hidden treasures', 'concealed riches', 'secret places'. Well Q Anon has told us about Donald Trump's three main financial

enemies: the Saudis, George Soros and the Rothschild's. I think those are the three groups that Isaiah is prophesying about here, specifically. Those are the 'hidden treasures', 'concealed riches' and 'secret places' that God is going to take from his three major enemies and give them to Donald Trump (1). Those were three huge supporters of Hillary and Barack Obama.

And the last part of verse number 3: ***'That you may know I am the Lord who calls you by your name, the God of Israel.'*** Now, unfortunately, that part of the prophecy has not yet been fulfilled, at least, we are not sure about it. When God gives him all these assets that Donald Trump is freezing, then Donald Trump will know that the God of Israel is the God who gave him those assets. 'Israel' is Isaiah's code word for the remnant Catholic Church. Donald Trump is going to become a Catholic. This is not a prophecy that he will become Jewish. 'Israel', as I say, is a code word. I have predicted for quite a while here, that Donald Trump would become a Catholic on September 23rd, which was the date of the Great Sign. Maybe you saw that Pensacola speech that he gave. And he gives the number 6 sign, and this is he does this all the time, followed by the number five: that's a prophecy that the Antichrist will be defeated by Mary's Rosary. And I am sure that the prayers of the Rosary by many of us Catholics are what helped Donald Trump be elected in the first place.

So as I say, Donald Trump has not yet announced that he has become a Catholic but I think he will and you know, it takes six or seven months to go through an RCIA course, I think that's what it's called, when you learn about the dogma and doctrines of the Catholic faith. And a lot of people don't agree with me on that, but you must agree that Donald Trump has fulfilled three of the most amazing prophecies in Isaiah 45 and I really think in 2018 we will see Donald Trump announce that he is fulfilling that last prophecy that the God of Israel will be revealed to Donald Trump through the giving of all of these frozen assets.

*1) Although this literal interpretation is valid, I believe the symbolic interpretation is even more valid. The 'hidden treasures and concealed riches' refers to the Holy Eucharist and the 'secret places' refers to the tabernacles in Catholic Churches. This interpretation also ties in better with the conclusion of verse 3 that because of these treasures Donald Trump will know the 'God of Israel', the God of the Remnant Catholic Church.*
