

MIRACLE PLANE and CRASHED PLANE: PROPHECIES FROM GOD

On this program I want to talk about the relationship between the three tragedies that have hit New York State: the two planes that crashed just this month and of course the 9/11 tragedy of 2001. These events are related. They all occurred in New York State. They are all warnings from God about the End Times for America.

First let's look at 911, and the meaning of the number 911. The number 11 is a number which signifies homosexuality, that is two males. The number ten is a heterosexual number, that is a male and a female. 911 of course includes the numbers before 10 and the numbers after 10, that is 9 and 11 and of course 911 adds up to 11. The burning and destruction of the Twin Towers in New York City symbolized the destruction of America by fire and brimstone because of our toleration of homosexuality.

In my last program I discussed the significance of the number 444 as it related to the plane crash in Buffalo. On that plane there were 44 passengers and 4 crew members. 444 symbolizes the destruction that will come to America. It also symbolizes our last President, the 44th President, Barack Obama who was elected on November 4th. None of this numerology is accidental.

Now let's look at the plane which landed miraculously on the Hudson River. The number symbology of this event is also extremely important. On that plane there were 5 crew members. The total number of people who were saved was 155. As I have been saying all along, 555 is a miraculous Rosary number. Jesus said "that in the End Times it would be as in the days of Lot."

The 911 tragedy symbolizes the judgment upon America because of homosexuality. Jesus also said it would be as in the days of Noah. I am sure we are all familiar by now with the image of that plane floating in the Hudson River. That plane floating in the river symbolized Noah's Ark floating during the Great Flood. Everyone on that plane was saved just as everyone in Noah's Ark was saved. And what does the Ark in the Old Testament symbolize? That Ark symbolized the Ark of the New Testament and that is Mother Mary, because both the Ark of the Old Testament and of the New Testament carried God Himself.

We need to understand that these three events symbolize the End Times and we need to understand that the number which will defeat the evil numbers of 444 and 911 is the Rosary number of 555. You and I can be safe from the evil that will befall us because we are in the days of Noah and we are in the days of Lot and the number that will provide protection is the Rosary number.

As I have said in all my other videos, you need to learn to pray the Rosary. Don't let Satan fool you. Please don't let any more tragedies occur in America. We don't need any more warnings from God. Three should be plenty. If we want protection in these End Times from the terrible tragedies that are going to befall us in World War III, we need the protection of the new Ark of the Covenant. We need Mary's protection as we go into the desert away from the reign of the Antichrist.
