

Trump's Peace Plan – Pt. 3

US and Israel Mid-East Peace Plan in Daniel Prophecy

Well I assume that practically every one of you watched the Donald Trump, Benjamin Netanyahu press conference. I guess you can call a press conference, and they introduced his peace plan for the Middle East, and I would have to say it was wonderful. And why would I say that? Well I didn't even have to watch it to know that it must be really good, because it was hardly covered in the news media. So that tells you the Deep State was very much upset by this peace plan and of course it is, because it's a blueprint for peace in the Middle East, and of course the Deep State wants war in the Middle East. That's why Obama was one of their favorite presidents, and that's exactly who they hoped to get in the Middle East with Hillary, but I think with enough prayers we were able to avoid that fate for this country.

Now the question is, will the peace plan avoid a fate like that for Benjamin Netanyahu? I'm afraid it's too little, too late. The Deep State has tremendous inroads into Israel already, and I suspect that he will be defeated in the upcoming elections, which I believe is part of the Daniel 9 prophecy, and that's what we are going to continue talking about today, because this covenant is in Daniel 9.

Daniel 9 is a prophecy for the modern nation of Israel, and one of the reasons we know that is because the words, "Israel" and "Jerusalem" are found nine times in Daniel 9, which is much less than number of times that those two words are found in all the rest of Daniel, in all the other chapters of Daniel. And that's one of the clues that he gives, that Daniel 9 is specifically for the End Times nation of Israel. As such, it is a warning as we are going to see in a few minutes.

So today we're going to talk about this very important development in the Middle East and that is the peace plan brought forth by Donald Trump and although, to be honest with you, I think you would be just as safe to call it Benjamin Netanyahu's Peace Plan, because I think he practically wrote it, and I have no objection to that. He wants the security of Israel. I mean I don't blame him, I think they should go for the security of Israel. Donald Trump already recognized the Golan Heights, and you have to have recognized that Golan Heights is part of Israel, because I remember when every day that Syria would be lobbing mortar shells off the Golan Heights down into Israel. Israel finally got sick and tired of having people dying from these mortar attacks, and they went and they took the land.

And Donald Trump, I think he's the first president to accept that Israel has a right to defend themselves, and in the same way with the peace plan today, Israel has a right to occupy the Jordan Valley, and of course this is all a fulfillment of Bible prophecy where the Abrahamic Covenant gives the land of Canaan to Israel in perpetuity.

Now I've discussed Daniel 9 in most of my books. It's really important and it's fascinating prophecy. Daniel of course arranged or hid all of his prophecies or sealed them up, you could say, which is what the angel told him to do, and in order

to understand the prophecies, you have to unseal them. You cannot interpret without unsealing, and none of the false prophets understand that, and the false prophets, all over YouTube and everywhere, and on the internet for 30 years have been telling you that in Daniel 9 the Antichrist confirms a covenant with Israel.

There is some kind of peace treaty with Israel and that's false, and they say that in the peace treaty there will be a third temple. Well, did you hear any mention of a third temple in today's announcement? I didn't. And they say that Israel will be allowed to resume ritual animal sacrifice. I didn't hear anything about that, and I've been telling you all along that would not be in this covenant. And the third thing is that it would come from the Antichrist. It would be a peace treaty with Israel and that the Antichrist confirms the covenant, and all those interpretations are based on the theory that Daniel 9:26 and 9:27 follow each other chronologically, which they don't do. If you understand the structure of Daniel 9 you'll know that those two verses are parallel. They tell the same story and I'll go over that again in this program.

And now I guess we can start, so let's say the prayer first of all, Our Lady of all nations is our patroness for this program. In the name of the Father, the Son and the Holy Spirit, Amen. Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from degeneration, disaster and war. May the Lady of All Nations, the Blessed Virgin Mary, be our Advocate, Amen.

I always like to mention that she calls herself Our Lady of All Nations plural, that's because Mary is not a globalist, and we also learned that in Fatima, where she talks about in Portugal the dogma of the Faith will always be preserved, and that means that all nations are going to have to decide whether they're going to keep the dogma of the Faith or not. It's going to be on a nation by nation basis, except maybe in a big country like this in the United States, it could be on a diocese basis. We'll have to find out.

Okay now, I think I'll go do Daniel 9:26 and 27 again, because really that's what we're talking about with this peace plan. So let's look at 9:26 and 9:27, and as I say, these two verses are parallel verses. They are pairs. Practically all the verses in Daniel 9 are pairs, and there are six End Times prophecies; verses 11 and 12, 16 and 17, and 26 and 17, and we'll look at all those on today's program.

Now verses 26 and 27, I believe I have refined how to read it, and I have put alphabetical letters before each part of the two verses, and you have to read them in that order. Well you don't have to read them in that order, but you understand the prophecy a little better if you do.

So let's look at Daniel 9:27 part A) first. **A) “And he shall confirm the covenant with many, in one week.”** In the near time fulfilment that's our Lord Jesus Christ who confirms the covenant. The covenant he confirmed was the Messianic covenant, and then look at B) over in 9:26, which tells the same story. **B) “And after sixty-two weeks the Anointed One shall be cut off but not for himself.”**

The Anointed One of course was Jesus. Now I shouldn't say they tell the same story, but they relate to the same thing, in other words to Jesus' mission on Earth.

DANIEL 9:26	DANIEL 9:27
B) And after sixty-two weeks the Anointed One shall be cut off but not for himself.	A) And he shall confirm the covenant with many, in one week:
C) And a people of the prince who shall come shall destroy the city, and the sanctuary:	D) and in the midst of the week he shall cause the sacrifice and the oblation to cease:
F) and the end thereof shall be with a flood,	E) and there shall be in the temple the abomination of desolation:
G) and after the end of the war the appointed desolation.	H) and the desolation shall continue even to the consummation, and to the end.

Now you go down and look at **C)**. “**And a people of the prince who shall come, shall destroy the city, and the sanctuary.**” Now in our Lord's time that was shortly afterwards in 70 AD, that was the Roman General Titus who did that. That has not yet occurred in these End Times. I do believe that A) is what we just saw today. “**He shall confirm the covenant with many, in one week.**”

Let's look at **D)**: “**and in the midst of the week he shall cause the sacrifice and the oblation to cease.**” That relates to C). C) and D) tell the same basic story. The Roman General Titus, notice that he does two things in each of these two sections in C) and D). In A) and B) the Anointed One who was Jesus in the near time does one thing, and then you read **E)** “**and there shall be in the temple the abomination of desolation.**” This is the abomination of desolation that Jesus warned about in Matthew 24 for the Jews.

And in **F)** “**and the end thereof shall be with a flood, G) and after the end of the war**”, this is the Daniel 9 war, this is not the Ezekiel 38 war; this is the war that Israel is facing today, “**the appointed desolation.**” And **H)** “**and the desolation shall continue even to the consummation, and to the end.**”

So now let's just review those verses. I know I did this last night, but we always have new people and I think it's important. Let's look at those verses. Now the Anointed One; here's one of the very, very few times I disagree with St. Jerome's translation. (*of the Douay Rheims Bible*). Instead of saying the Anointed One, he says Christ, and that of course is true for the near time fulfilment, but when you use a specific term like that, it precludes your End Times fulfilment, and that's why he should have used a more general term like the Anointed One which is good, and that's not in the King James version either. That's from the NIV Bible. Or he could

have said the Mashiach. Either way though, either one would have been a little bit better. So let's look at these verses and I still say that this Anointed One is Benjamin Netanyahu. I don't think it's Trump. This peace plan outlined this afternoon, it could have been written by Benjamin Netanyahu. I mean you could tell by how happy he was, and Donald Trump was not quite as happy. Not that he isn't happy for Israel, and not that he didn't 100% approve it, but I think he understands the rest of the prophecy. He may not know Daniel 9:26 and 9:27, but the rest of the prophecy is not good for Israel and in a few minutes I'll show you why it's not good.

So now we'll start with 27 **A)** again, **“And he shall confirm the covenant with many, in one week.”** I believe this is Netanyahu, the one who confirms the covenant, and I believe the week is almost up. In other words, he has been confirming the covenant ever since he was elected. He has been defending Israel's borders. This is the Abrahamic Covenant. Remember now, the covenant in the near time fulfilment which Jesus confirmed was the Messianic covenant. This is the Abrahamic covenant.

And then we look at **B) “And after sixty-two weeks the Anointed One shall be cut off but not for himself.”** And the term “cut off” referred to Jesus being crucified, but it doesn't mean martyrdom, and I'm not sure if Netanyahu will be martyred. Actually I think he will be, but in this case the cutting off may well refer to him losing his election which I think is on March 2nd.

And then we look at **C) “And a people of the prince who shall come shall destroy the city and the sanctuary.”** This is what Israel has to worry about now. They don't have to worry about the Palestinians, It's this prince who shall come, who shall destroy the city and the sanctuary. Who are the people and who is the prince? I have been saying for quite a while that this prince is Vladimir Putin and the people would be the mercenaries who he will be telling what to do and I believe that would be Iran primarily.

And then **D) “and in the midst of the week he shall cause the sacrifice and the oblation to cease.”** Again this bad guy does two things. The good guy, in this case Netanyahu does one thing.

E) “and there shall be in the temple the abomination of desolation.” and **F) “the end thereof shall be with a flood”, G) “and after the end of the war the appointed desolation,” H) “and the desolation shall continue even to the consummation, and to the end.”**

So there will be a war in the Daniel 9 prophecy, and it's a very devastating war to Israel, and neither Netanyahu nor Donald Trump addressed these concerns. I'm not sure why but Israel is in great danger, and this peace plan does not protect Israel from her greatest enemies. I think Israel itself, the Jews in Israel are going to put Israel in danger by bringing in the Deep State candidate who has been against. That's who they will elect, I'm pretty sure. We can pray that they don't on March 2nd.

So now let's look at what leads up to this, and we will find out why God is going to allow this on Israel, and we're going to look at the third covenant that is described in Daniel 9. We've already looked at the Messianic covenant when the Jews were promised to Messiah. We looked at the Abrahamic covenant which Netanyahu has been carrying out for seven years at least. Let's see, actually close to eleven years. I think he was elected in 2009.

So now let's look at Daniel 9 verses 11 and 12. Again these are paired verses. They tell basically the same story, it's the same as 26 and 27 and we will see a third covenant here which God says is going to be fulfilled on the End Times nation of Israel.

Daniel 9:11 “And all Israel have transgressed thy law, and have turned away from hearing thy voice, and the malediction, and the curse, which is written in the book of Moses, the servant of God, is fallen upon us, because we have sinned against him.”

So what we see here is the third covenant, and that is the Mosaic Covenant. According to that, if the Jews did not follow the Ten Commandments, there was a specific curse that would fall upon them, and that is that they would be ruled by their enemies. That covenant is also going to be fulfilled, and neither Donald Trump nor Benjamin Netanyahu addressed this problem, which Israel faces. And we know that they don't follow the Ten Commandments because they spend hundreds of millions of dollars to promote Tel Aviv as a gay capital.

Israel has got to repent and look at the Jewish teenager Natan. He said they have to repent and I've been saying for quite a while now, they don't have to convert to Christianity, they have to convert to Judaism. They have to practice their own faith, otherwise this is what's going to happen to them. It doesn't matter whether the United States supports their claims to the Jordan Valley or to the Golan Heights or Jerusalem. I think they must have those things, but that's just a physical protection. They are not doing anything to defend themselves from God's wrath. That's what they've got to work at. Let's look at that chart again and we'll look at Daniel 9:12 which tells the same story.

Dan 9:12 “And he has confirmed his words which he spoke against us”; this is another covenant that will be confirmed in these End Times, “which he spoke against us, and against our princes that judged us, that he would bring in upon us a great evil, such as never was under all the heaven, according to that which has been done in Jerusalem.”

This is the Daniel 9 war. It's caused by the “prince who shall come”, and that's what Israel has to defend against, and as you can see it's morally what they've got to do to protect themselves. God will defend Israel and none of the false prophets, e.g. Hagee, Baxter, Begley, JD Farag, are any of them telling Israel they have to repent? No they don't. They feed them pillows and cushions. That's why they get hundreds of thousands of views for their videos, but that's not what a true prophet does. I'm not even a prophet. I'm a co-prophet but I can see that Israel has to repent. That's what Daniel is talking about here.

So now I want to read to you the two other verses that are End Times verses. All the rest of Daniel are subsidiary verses you could say. They are there to establish a pattern, a structure and I've gone over this structure many times. The basic structure by the way tells the same thing as all of Daniel's prophecies, and that is that our Lord will use Mary's Rosary to defeat the Antichrist. I'm not going to get into that today.

So now I want to read to you Daniel 9 verses 16 and 17. These are the last of the six End Times verses, and here we see Daniel lamenting the fate of Israel in these End Times. These are the End Times verses. He's not talking about the General Titus, although it would apply to that. These are End Times verses. The two we just read were, and so are 26 and 27. So let's read this because you do really feel sorry for Daniel because Daniel can see what's going to happen, and this is his lament for the End Times nation of Israel.

Dan 9:16 "O Lord against all thy justice; let thy wrath and thy indignation be turned away, I beseech thee, from thy city Jerusalem, and from thy holy mountain. For by reason of our sins, and the iniquities of our fathers, Jerusalem, and thy people are a reproach to all that are round about us."

So this verse tells us who the enemies are; the nations round about. This is not all the world. If all the world were coming against Jerusalem, that would be Armageddon, but Israel will be saved at Armageddon by the intervention of Jesus. These are the nations round about, primarily her Arab neighbours. And the curse is going to come upon Israel, and the curse for violating the Ten Commandments is they will be ruled by their enemies. Then as we just saw, this is the Mosaic Covenant that they will be judged by. So let's look at the other verse, verse 17 which is continuation of Daniel's lament.

Dan 9:17 "Now therefore, O our God, hear the supplication of thy servant, and his prayers: and show thy face upon thy sanctuary which is desolate, for thy own sake."

This is the abomination of desolation. This World War 3 is the abomination of desolation, and it is soon to come upon Israel. The first abomination of desolation in Daniel has already been started, and it's possible that we won't get any more from that. I mean it was already established, and that is when Pope Francis took the daily sacrifice away from the prince. That's the first abomination of desolation. That affects Catholics. This abomination of desolation in Daniel 9 affects the End Times nation of Israel, and everything Donald Trump and Benjamin Netanyahu announced today I fully support, but I also want to warn Israel that you need a whole lot more than Iron Dome and American support to save Israel. You've got to follow what Daniel says here. You've got to get right with the Lord. I don't know how else to put it, and you're not going to hear that from the false prophets. They can't understand Daniel 9. They say the Antichrist is going to sign some kind of a peace treaty with Israel, which is all phony baloney, and I've been telling you that for 11 years on here.

The covenant with Israel is by the good guy in Daniel 9:26 and 27. In this case, I say it's Benjamin Netanyahu. There's an outside chance it's Donald Trump. Maybe he's the Anointed One, but I've been saying all along it's Netanyahu, and I think today's peace plan verifies that. I can just imagine every time Donald Trump would call up Netanyahu or vice versa, and Donald Trump would say something like, "I don't think we can let Israel have the Jordan Valley", and I'm sure Benjamin Netanyahu would then give all of the arguments why they needed it. I'm sure he was very persuasive. That's why I call this the Benjamin Netanyahu's Peace Plan, because I think he is the Anointed One in Daniel 9:26 and 27 who confirms the covenant, which is the Abrahamic Covenant. And what Israel has to worry about now is the fulfillment of the Mosaic Covenant, where God's wrath will be poured on Israel, and they will be ruled by their enemies. That covenant is going to be confirmed also.

Until I do see you all again, may God bless all of you and may all of you have a very blessed day
