

Daniel 11 - America's Downfall Pt 3

This is part 3 in my series on World War 3 and the defeat of America and our last president Barack Obama, as described in chapter 11 of that great Old Testament prophet Daniel. Let's review quickly how Daniel uses numerology to set up the identities of these last great personages in the End Times.

As I have explained, Daniel breaks up the first 12 verses into a 4 4 4 sequence. The following 18 verses are in a 6 6 6 pattern, and the last 15 verses are in a 5 5 5 sequence. Now let's look at these last ten verses which describe the last King of the North, who is the premiere of Russia, the last King of the South, who is Barack Obama and the Antichrist. Daniel describes this sixth and last 'King of the North' beginning in verse number 36, 'and the king shall do according to his will and he shall be lifted up and shall magnify himself against every god. This refers to Communism because the official religion of communism is atheism.

And Daniel continues, 'and he shall speak great things against the god of Gods, and he shall prosper til the wrath be accomplished.' I believe Daniel was predicting here that this 'last King of the North', who will be victorious in World War 3, will survive until Armageddon. In verse 37, Daniel makes an interesting observation about this premier of Russia. He shall follow the lust of women. Now this is the Douay-Rheims translation. In the King James Version, instead of 'lust', the translator said that this last King of the North had 'no regard for women'. Now I'm not sure which it is, but in any case, it's obvious that this last king of the North has some kind of disconnect with women.

In verses 37 and 38, Daniel makes several more extremely important observations about this premiere of Russia. 'And he shall make no account of the God of his fathers, but he shall worship the god Maozim in his place.' Now the God of his fathers would be the Russian orthodox religion, and in this case the word 'Maozim' has been transliterated, that is, Maozim is exactly how the word is spelled and pronounced in the original language.

In the King James Version, Maozim is translated 'fortress', but the word 'Maozim' has a very important End Times meaning, because Maozim means Moslem, and in this passage, Daniel is saying that the Russian premier will support the Moslem cause. The last Gog Magog coalition is with Russia and the Moslem nations of the world.

Now in verse 38, Daniel writes, 'but he', that is the premier of Russia' shall worship the god Maozim in his place', that is he supports the Moslems and abandons his Russian orthodox faith; 'and a god whom his fathers knew not, he shall worship with gold and silver.' I believe this god, whom his fathers knew not, is nuclear power, and what Daniel is saying is here, is that he will spend a great deal of money on developing nuclear weapons.

And in verse 39, 'he shall do this to fortify Maozim with a strange god', that is nuclear power, 'whom he has acknowledged and he shall increase glory and shall give them power over many.' We see this today with the Russians supplying the Moslem world with nuclear power. As I recorded on the first part in this series, verse number 40 describes World War 3 between the premier of Russia and the President of the United States.

And Daniel writes, 'At the time prefixed, the king of the south', that is the President of the United States, Barack Obama, 'shall push against him', that is, he is going to provoke the premier of Russia, 'and the king of the North shall come against him like a tempest with chariots and horsemen, and with a great navy.' The tempest means airpower, airplanes and missiles. And of course the chariots refer to mechanized armour. And then Daniel describes the end of America. 'And he shall enter into the countries and shall destroy and pass through.' The countries refer to England and America.

Now following the defeat of England and America in World War 3, comes the reign of the Antichrist. The last five verses in Daniel chapter 11 will bring some consolation to America, because we know that the Antichrist will also be defeated, in a very short while. In verse 41, Daniel writes, 'And he', that is the Antichrist, 'shall enter into the glorious land', which is Jerusalem, 'and many shall fall: and these only shall be saved out of his hand, Edom, and Moab and the principle children of Ammon.'

Now we know that the Antichrist will subdue the entire world, so isn't it rather unusual that three obscure neighbourhoods in Jordan, mainly Edom, Moab and Ammon, will escape the Antichrist, especially since Edom and Moab do not even exist any longer? We have to look at these three locations as symbols, because they symbolize the three groups who will escape the Antichrist, the raptured Protestants, the protected Catholics and at the converted Jews. Who were these individuals? Ammon was the son which Lot had by his own youngest

daughter. He therefore symbolizes the youngest of these three denominations, and that is the Protestants.

Moab was the son which Lot had by his own eldest daughter. He therefore represents the eldest of the three denominations, and that is, the converted Jews. Edom is a nickname for Esau, and it means 'red'. In other words Edom was a redneck or an outdoorsman. He therefore symbolizes the protected Catholics who flee into the desert away from the Antichrist. Edom, Moab and Ammon must be looked at symbolically. They do indeed escape the Antichrist, but only in their symbolic terms.

Now in verse 43, Daniel describes the three locations which do not escape the Antichrist; Egypt, Libya and Ethiopia. Again these locations must be looked at symbolically. We know that the Antichrist will subdue the entire planet. Therefore Egypt, Libya and Ethiopia must symbolize all nations of the world. Let's look at this hidden symbolism. Egypt was settled by Ham, one of the three sons of Noah. In fact, in Psalm 105, Egypt is called the land of Ham.

Ethiopia was settled by Shem, one of the other sons of Noah, and the people in Ethiopia are called Semites. Now the offspring of the third son of Noah, who was Japeth travelled north, across Europe, and I believe they crossed over the Straits of Gibraltar and some of them came down and settled in North Africa, including Libya. Therefore these three nations symbolize all nations of the world, because all the nations of the world are descended from Noah, through his three sons, Shem, Ham and Japeth.

We need to remember that God reveals the future, not to scare people, but to prepare them. Please do not listen to the false prophets and the televangelists and their multi-million dollar industries. They will never tell you the truth about the End Times, because that is not a popular message. You need to know that Barack Obama is the last President of the United States. You need to know that he will lead us into defeat in World War 3. The prophecies of Daniel are being unsealed in these End Times. We need to know what is soon to come upon the earth.
