

## Netanyahu Confirms Covenant! (Daniel 9:27)

On this program I want to announce an amazing fulfillment of End Times Bible Prophecy and that occurred when Benjamin Netanyahu won re-election as Prime Minister of Israel.

And the passage he fulfilled was Daniel 9:27 and that's because he confirmed the Covenant. Now the false prophets have been telling you for years that Daniel 9:27 refers to some kind of Peace Treaty between the Antichrist and Israel and I

have told you all along that is total nonsense!

There are six End Times verses in Chapter 9 of Daniel and I won't go over that again, I've gone over that many times. And each pair is related, that is verses 11 and 12, 16 and 17, and 26 and 27 and we can identify who the key person is in verses 26 and 27 because those two verses are related. So first, let's look at verse number 11 and 12: **"Yea, all Israel have transgressed your law,"** now this refers to the modern Nation of Israel. Daniel is prophesying to today's Jerusalem, **"and have turned away from hearing your voice; and the malediction and the curse, which is written in the law of Moses the servant of God is poured upon us, because we have sinned against him."** So here, Daniel is describing the End Times war which is also described in Psalm 83, (and for you Catholics that is Psalm 82 in the Douay Rheims Bible), and Daniel is explaining why God has poured this judgment out upon Israel and the reason is because they have abandoned Torah and he is fulfilling the Covenant, the agreement that he had with Israel and that is that if **"you discard my laws the curse will fall upon you"**. And that curse, that prophesied curse, is that they will be ruled by their enemies and the evil that they have done is to turn Jerusalem into a Sodom and Egypt as prophesied by John in the book of Revelation. Israel is spending hundreds of millions of dollars to promote Tel Aviv as the gay capital of the world.

Now, verse number 12 actually tells this same story: **"And he has confirmed his words, which he spoke against us, and against our princes that judged us, by bringing upon us a great evil:"** again, this is this psalm 83 war, **"for under the whole heaven has not been done as has been done upon Jerusalem."** These two verses, 11 and

12, are related. They are telling the same event. And now, the next two verses which are End Times verses in Chapter 9, that is verses 16 and 17, also tell the same event except that this is a supplication from the Prophet to God to overlook the sins of Israel and in that sense this is also very much the same as Psalm 83. **"O Lord, according to all your righteousness, I beseech you, let your anger and your fury be turned away from your city Jerusalem, your holy mountain: because of our sins, and for the iniquities of our fathers, Jerusalem and your people have become a reproach to all that are round about us."** And Zachariah tells the same thing when he says that the **"word of the Lord is a burden upon Israel"**. Verse 17: **"Now therefore, O our God, hear the prayer of your servant, and his supplications, and cause your face to shine upon your sanctuary that is desolate for the Lord's sake."** Notice that these two verses are once again telling the same event except that they are both supplications from the Prophet.

And now we will see that verses 26 and 27 are also the same event: **"And after sixty-two weeks shall the anointed one be cut off, but not for himself."** I've often said that the anointed one is the Prime Minister of Israel and today that is Benjamin Netanyahu and after sixty-two weeks according to my calculations it has to be this year of 2015 in fact, I think it will happen much sooner than that. **"...And the people of the prince who shall come,"** notice there are two individuals in this verse: the anointed one and this prince who will come. I don't believe this is the Antichrist. I believe this "prince who will come" is the Prince of Persia, **"who shall come shall destroy the city and the sanctuary; and its end shall be with a flood, and unto the end of the war desolations are determined."** This is the abomination of desolation which affects the Jews in Israel. This is when Jesus said, **"Let those who are in Judea flee to the mountains"**. And now, let's look at this key verse, verse 9:27 **"And he shall confirm the covenant with many in one week."** Now who is the "he" in this passage? It is not the Antichrist. It refers back to the first person in verse 26 and that is the "anointed one". So the one who confirms the covenant has to be Benjamin Netanyahu and what is this covenant?

Now here I have not always been consistent, I admit. At first I thought this would be the New Covenant, the New Testament, but I believe if we look back to verse numbers 16 and 17, the Covenant mentioned there was a Covenant in the Old Testament. Now, this is not the same

Covenant. This is the Covenant where God promised the land to the descendants of Israel. **"...And in the midst of the week he shall cause the sacrifice and the oblation to cease,"** now who is this "he"? This is not the same "he". Remember, this verse 27 is telling the same story as verse 26 and therefore this is the second person found in verse 26 and that would be **"the prince who shall come,"** the Prince of Persia, and I believe this Prince of Persia is Vladimir Putin. He is the one who will lead the Muslim forces against Israel. **"...And there shall be in the temple the abomination of desolation, and the desolation shall continue even unto the consummation, and to the end."** This particular abomination of desolation which Jesus warned about is the abomination which affects the Jews in Israel.

And now I want to play several clips for you from people on YouTube who have received visions I believe of this imminent event. Now this first is from Godshealer7 and she did not identify the shooter but she described him and I think she is describing Vladimir Putin.

*"So let's talk about the vision that I got. So the first thing I could see in the in the vision is I could see a man, I'd say he was probably in his mid-30's, mid to late 30's, I could probably describe him, he was about 5'10", 5'11". He was kind of thin and muscular. He had light hair kind of in the crewcut, cut like a crewcut and he had black sweatpants on and a black t-shirt on*

*and he was carrying a big black duffle bag. So as I watched the vision the first night I could see him in this little rectangular room, I could see a window and I kept on getting shown the window and I heard "window". I could see the window there and what I did was I just continued to watch the man. He was kind of getting settled in this room, this small room with the bag. So, the next night it was the same man, I could see him again, in the vision, and only this time he was opening the duffle bag and I could see what he was doing and he was putting together some sort of a rifle and I could see there was a scope on it, he was holding the rifle setting it up and he had the same outfit on. I could see it, actually there were two bags there was a big bag and a smaller bag on the ground and at the end of the vision, I kept on getting that the person that was the target or an attempted target was a person and it was a political person and the name of the person was Mayor Bloom."*

Now, I don't believe Mayor Bloom in Sr. Barbara's vision refers to Michael Bloomberg. I believe it's Benjamin Netanyahu who is the target of the sniper, who is described as blond, thin, muscular, about 5-foot-10, that sounds to me like Vladimir Putin.

And now here's a very similar vision from Stillsmallvoice and I will put links to both of these videos below.

*"Last night I did receive a vision and a word basically so it is March 20th, 2015 and last night in prayer, the Lord invited me to dance with Him as He usually does in a large ballroom filled with brides and I saw that I was in my bridal gown. Few minutes after that I saw*

*President Putin loading a revolver bullet by bullet, putting bullets in the chamber and then he lifted it up and he aimed at the heart of the Statue of Liberty and there was an American flag flying in front of the statue. I didn't see anything beyond that, that's exactly what I saw."*

Now, it's also possible these two ladies saw visions of Putin attacking the United States, however, I don't think Putin has to do that. I don't think that Barack Obama would lift a little finger to help either Netanyahu or Israel if they were attacked by Russia as prophesied in Scripture and to me it's really amazing that Benjamin Netanyahu is confirming the Covenant, the Covenant that the land was given by Almighty God to Israel. And it's obvious to me that the New World Order if they can't succeed by ballot they will succeed by bullet.
