

If you use Condoms you will not be Raptured

On this program I want to talk about contraception, and how using that will prevent you from being Raptured. Last week the Pope made news headlines by saying that you cannot prevent AIDS through the use of condoms, and, of course, he was correct. The only true way of preventing AIDS, or any other sexually transmitted diseases, is through a monogamous relationship between a husband and a wife. Now, I am sure you Bible believing Christians already know this.

In Genesis, chapter 38, God shows his displeasure with contraception when He kills Onan. Onan used the Planned Parenthood technique called "withdrawal", that is he spilled his seed upon the ground, and God was so displeased with this that He killed Onan. Now, I know a lot of people think, well, the Pope should not make the rules. They like to say: "If you don't play the game, you don't get to make the rules". But, of course, this is another lie from Satan. Can you tell me any game in which the player makes the rules? Did Mickey Mantle make the rules for baseball? Did Michael Jordan make the rules for basketball? Of course not. The person who makes the rules, for any game, is the inventor of the game!

And so I ask you, who invented the game of sex? God invented the game of sex, and therefore, HE gets to make the rules! And if you don't live by those rules, you will pay the consequences. In this life, you will get sexually transmitted diseases, and in the next life, you will suffer for all eternity. But in these End Times, the most important thing for you to understand is that you will not be Raptured if you are using condoms, or any other kind of contraceptives. Remember, when Jesus is talking about the Rapture, in the Olivet Discourse, the parable he uses is about 5 wise and 5 foolish VIRGINS.

When Saint John talks about the Raptured Protestants, one of their 12 characteristics are that they are VIRGINS. Now, this does not necessarily mean celibacy, but it certainly means chastity, and you cannot be chaste if you are using contraceptives. Please, do not expect to be Raptured if you are into fornication, if you are into adultery, and, if you are into contraceptives.

I know you won't get this message from Jack Van Impe, Hal Lindsey, John Hagee, or any of the other false prophets. That is because they want to give you a popular message, but you need to understand, for more than 400 years, even the Protestant denominations preached

against contraceptives. Please, don't be fooled by Satan. If you want to be Raptured, if you want to be Protected, you must live a virtuous life, as far as sexuality goes. Very, very few are going to be saved from the reign of Tribulation. Saint John says only 144,000, will be Raptured. That means that 99.99 per cent of all Christians must face the great trial.

And, in fact, God sends the Great Tribulation, in order to test us, in order to bring us through the fire, so that we will be worthy to reign with Him, during the Millennium.
