

Hillary's Collapse Signals America's Collapse.

I got a very interesting email message this morning from Gladys, one of my subscribers, and here's what she wrote to me: **'9/11/16 Hillary Clinton collapsed, another sign of America collapsing.'** Well, thank you very much, Gladys, I've seen those videos myself of Hillary collapsing after that 911 commemorative event and I looked at it in political terms saying that: **'oh, good, that's the end of Hillary's campaign, now Trump can win'**.

I don't believe that's going to happen. I think Hillary will still win but it does prefigure the collapse of America. Now in Daniel 7, the perfect symbol of America is Barack Obama. That's because he is the Leopard: he is black and white; he has four heads and four wings, he's our 44th president. But, the third beast in Daniel 7 is followed by the fourth beast and that's the Antichrist.

But America must collapse first. In Daniel 8 there are two horns on the RAM, one is newer and larger; that symbolizes America. The smaller one symbolizes Britain. The ram is crushed by the goat. Those are the same two entities in the book of Revelation. The Whore of Babylon **'is fallen, is fallen'**. That counts for two 'falls'. The Whore of Babylon wears purple and scarlet. That has nothing to do with the Catholic Church, by the way, that's a lie from the false prophets. That also symbolizes Britain and America.

Now, I want you to take a closer look at those videos all over YouTube where Hillary collapses. Notice that her head bobs twice. Once, I believe her right knee buckles under her. Her head bobs a second time, her knee buckles again and then she collapses. I believe that's very significant. Those two head bobs, those partial collapses, they symbolize Britain and America. That prefigures the final total collapse just like on 9/11.

Maybe you remember a very similar event a couple of years ago when those two American runners, the girls collapsed at the finish line. They finished 1-2 . They wore the numbers '9' and '11'. None of this is accidental. Thank you, Gladys, for letting me understand the significance, the real significance of this event. It is far more than political, it is Biblical. It fulfills Bible prophecy: both Britain and America will fall imminently and that is why so many people are interested in what is happening; because they realize this video is far more significant.
