The Whore of Babylon Pt 3
"The Destruction of Mystery Babylon (America)"

On this program I intend to continue my series on Mystery Babylon where it is located and why we must leave Mystery Babylon as John said in the Book of Revelation, "Go out from her my people in order to avoid her plagues and her sins". So we've been looking at her locations and I hope to get in today to the description of Mystery Babylon, the Whore of Babylon in Revelation 18 which describes her destruction. So before we get to review, I want to say a prayer that we always say at the beginning and this is to Our Lady of All Nations. In the name of the Father, the Son and the Holy Spirit. Amen. Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from degeneration, disaster and war. May the Lady of All Nations, the Blessed Virgin Mary, be our Advocate. Amen. And I want to thank Catholic Crusader for sending that prayer along and notice that Mary says she's the lady of all nations, plural. She is not a globalist.

I got a little confused yesterday as you may have noted about the "waters", and it certainly indicated that the "waters" is strictly symbolic, in other words, peoples, nations and tongues, but I checked one of my own videos which I had forgotten about, and I looked it up, in fact here's a [link](#) to it, where I talk about the waters are real waters.

First of all I want to review the five verses where Babylon sits, and those five verses describe four different locations, maybe five. I have the check and see. Her locations reveal her identity. It's not the Catholic Church. The false prophets say that the Whore of Babylon is located on seven hills, which is not true. All you have to do is to read. That doesn't take interpretation, it takes reading skill. The seven hills belong to the Scarlet Beast. That's where the Scarlet Beast is located, in other words the eighth beast which is the Scarlet Beast, in these End Times will be located in Rome as Mary said at La Salette. Rome will lose the faith and become the seat of the Antichrist. So let's look at this review, these five "sitting" verses and we've gone over these, but let's go through them again. Verse number 1: now this is chapter 17.

"And there came one of the seven angels who had the seven vials" (or bowls) "and spoke with me, saying: Come, I will show thee the condemnation", some bibles say judgment, **"of the great harlot, who sits upon many waters."**

So any time John says "sits", that's one of her locations and I believe here I think I misquoted myself yesterday, I said the "waters" were symbolic. I believe here the "waters" are real, and I will show you that chart that Catholic Crusader mentioned in a few minutes. Verse number 3:

"And he", that's the angel, **"took me away in the spirit into the desert."** So one of the locations of the Whore of Babylon is in a spiritual desert, both the Whore of

Babylon and the Scarlet Beast she rides are in a spiritual wasteland. That sounds like a good quiz question.

“And I saw a woman”, this is the harlot, “sitting”, that's a location, “upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns.” The names of blasphemy, the seven heads and the ten horns, they belong to the Scarlet Beast. And verse number 9:

“And here is the understanding that has wisdom. The seven heads are seven mountains upon which the woman sits: and they are seven kings.”

So notice there are actually three meanings, seven heads, seven mountains and seven kings, and this is important to understand what “waters” means as I will show you in a minute. Verse number 15:

“And he said to me: The waters which you saw, where the harlot sits, are peoples, nations and tongues.”

And the reason that John has to explain the peoples, nations and tongues for the “waters” is because the “waters” also symbolize something else, but they do symbolize also waters, peoples, nations and tongues.

And now the last of these “sit” verses, which is chapter 18, verse number 7.

“As much as she has glorified herself and lived in delicacies, so much torment and sorrow give you to her. Because she says in her heart: I sit a queen and am no widow: and sorrow I shall not see.”

And America will be rudely interrupted when Americans no longer believe that we are invincible. There will be many widows with the trials that we are going to go through, and what will be called World War 3. It will be the Great Tribulation or as Jacinta said, there's a secret of Heaven and a secret of Earth and the latter is terrifying.” And this is war, and that's what we will be faced. Now it hasn't happened yet, so it's possible with enough repentance we can avoid it or a lot of it, and that's why Jacinta warned us and this is why the bible is warning us, and this is why St. John warned us. There's no sense of warning us if it's inevitable. Prophecy is given not to scare us but to prepare us as I've been saying for ten years here on YouTube.

<u>REAL WATERS CHART</u>	
$\frac{X}{10}$	$= \frac{1}{2}$
$\frac{\text{MANY WATERS}}{7 \text{ HILLS}}$	$= \frac{\text{PEOPLES}}{7 \text{ KINGS}}$

So now let's look at this chart. I'm sure this is the one that Catholic Crusader was referring to, and I call this the “Real Waters Chart”, and it's like an algebra problem. This shows that the many waters correspond to peoples, on the right-hand side of the equation, peoples, nations and tongues, and the seven hills, we know is referring to the Scarlet Beast can mean seven kings

and seven mountains and seven heads, but you see that the peoples and the kings are both real and the same way with the many waters. The many waters and the seven hills are also both real, and we have to know this because normally in End Times prophecy, you take the symbolic interpretation first, but the reason John says that the many waters symbolize peoples, nations and tongues is because in this case, we took the literal interpretation of waters, and we had to do that because the location of a Scarlet Beast was also literal, that is upon seven mountains, in other words the city of Rome.

So when we go out from Babylon, we have to leave those five, let's see four locations or five location. Let's look at those "sitting" verses again.

1 And there came one of the seven angels who had the seven vials and spoke with me, saying: Come, I will show thee the condemnation of the great harlot, who **sits** upon many waters:
3 And he took me away in spirit into the desert. And I saw a woman **sitting** upon a scarlet colored beast, full of names of blasphemy, having seven heads and ten horns.
9 And here is the understanding that hath wisdom. The seven heads are seven mountains, upon which the woman **sits**: and they are seven kings.
15 And he said to me: The waters which you saw, where the harlot **sits**, are peoples and nations and tongues.
18:7 As much as she has glorified herself and lived in delicacies, so much torment and sorrow give you to her. Because she says in her heart: I **sit** a queen and am no widow: and sorrow I shall not see.

So verse number 1. She "**sits upon many waters**". That's real waters that we have to leave. And she is sitting in a spiritual desert. We have to leave the spiritual wasteland. "Sitting upon a scarlet colored beast", that means that the Whore of Babylon controls communism, and we have to get used to the idea that the United States will not be controlling communism during the Tribulation. Communism will be controlling us. This will be very traumatic for most Americans, but we have to know ahead of time what's going to happen or we will be despairing.

Verse number 9: "**The seven heads are seven mountains, upon which the woman sits.**" Now this sitting does not mean that the woman is on the mountains. She's sitting on the Scarlet Beast with the seven heads and seven mountains.

And verse 15: "**The waters which you saw, where the harlot sits, are peoples and nations and tongues.**" That is her geographical location.

And chapter 18 verse number 7: "**I sit a queen and am no widow: and sorrow I shall not see.**" And that would be her mental or psychological location.

So we have to leave all those locations and geographical locations. I think we do have to move away from what I consider the cities, the peoples, nations and tongues. That's where you find a multitude of peoples, nations and tongues. I think we have to move away from the cities or any metropolitan area. The waters, the real waters, I think we have to leave and move away from large bodies of water, and this is not just America but Britain also.

Psychologically we have to understand that we are going to be ruled by communism. The Deep State is going to win. Lies are going to defeat logic. We have to get used to this idea, and we'll be just like under Nazi Germany or under communism in Russia, under Stalin. There will be concentration camps. We are going to have to pray to find our refuge where God will protect us, and the other location is, she sits a queen, and we have to get used to the idea that there are going to be many widows, many deaths, much mourning as Kim Clement said. Mary is going to save us as he said. He said the Protestants will say before we hated her, but now we love her, but not before the pain and the mourning, as Kim Clement said.

And in Isaiah and Micah, we know that Donald Trump will convert and become a Catholic. I believe this will be due to Mary's intervention, and that's the importance of that slogan, "Where we go one, we go all". A lot of Protestants are promoting that on here, which they should. For example Praying Medic, I don't think he understands though, that when Donald Trump converts and becomes a Catholic, he is going to become a Catholic also. Well if he doesn't, he's not going to be, "Where we go one, we go all".

Okay so now let's move on to chapter number 18, where we see the future. In chapter 17, it was all about the Whore of Babylon prophecy about her in the future, but now we are going to see what happens to her. Verse number 1 of chapter number 18:

“And after these things, I saw another angel come down from heaven, having great power: and the earth was enlightened with His glory.”

2: **“And he cried out with a strong voice, saying: Babylon the great is fallen, is fallen: and is become the habitation of devils and the hold of every unclean spirit and the hold of every unclean and hateful bird:”**

Notice those two “is fallens”. Those two “is fallens” refer to the two nations that fall, Britain and America, and notice that St. John uses three descriptions of demons; devils, unclean spirit and hateful birds. I think those are the three descriptions he uses. Whenever he uses three descriptions of the same thing, that gives it a divine importance. Okay, let's look at the next verse, verse number 3:

“Because all nations have drunk of the wine of the wrath of her fornication: and the kings of the earth have committed fornication with her”.

Now after those two verses, that **could be** the Catholic Church, because as we know, fornication has entered into the church, as Mary said at La Salette. Read

what she says about the priests and the bishops, and we can see that coming true, so those first two descriptions could apply to both, the United States which spreads pornography around the world, or for example set by the priests in the Vatican, but the next part of this verse can only refer to a capitalist country, specifically the United States. Let's look at verse number 3:

“And the merchants of the earth have been made rich by the power of her delicacies.”

Well the merchants do not become rich because of the Vatican, and that's where the false prophets' interpretation of the Whore of Babylon falls apart, and we will see many more examples that prove that the Whore of Babylon is not a religious institution. It has to be a capitalist or trading nation. So let's look at it verse number 4:

“And I heard another voice from heaven, saying: Go out from her, my people; that you be not partakers of her sins and that you receive not of her plagues.”

And the plagues that happen to the Whore of Babylon are horrific, therefore we have to go out from her, and we have to know who she is, in order to go out from her. You can't leave something if you don't know who you're leaving, and that's of course why the false prophets say that the Whore of Babylon is the Catholic Church, because then they feel confident and secure. That's what's called pillows and cushions in the Old Testament.

Those false prophets, they said the same thing to the Israelites. They said, “Oh you don't have to worry. Everything is hunky-dory”, and that's what the false prophets are saying. “You don't have to worry. You're not in the Catholic Church, so you've already left Babylon, you're safe.” Then of course they aren't safe, because they are in Babylon, and they have not left her and that's why I'm doing these programs to maybe save a few of the non-Catholics. I'm certainly hoping that I save you in my World Family Rosary Network. Let's look at the next verse, verse number 5:

“For her sins have reached unto heaven: and the Lord has remembered her iniquities.”

And when the sins reach unto Heaven, we know how our Lord is hearing about it. Those aborted babies, 60 million of them, according to St. John, they are asking for vengeance, crying out. The souls are crying out for vengeance on America. They are not praying for America. We have to understand that. Verse number 6:

“Render to her as she also has rendered to you: and double unto her double, according to our works. In the cup wherein she has mingled, mingle you double unto her.”

Notice that word “double” is mentioned three times. Again that is a divine approval or a divine importance, and of course I believe “double” has two meanings. Not only does it mean that America is going to be punished twice, in fact that is what it

means. We're punished twice. We receive both the secret of Heaven and the secret of Earth, but the "double" also refers to the two primary nations of the harlot and that would be Britain and America. So I think we have time to look at one more verse. Verse 7:

"As much as she has glorified herself and lived in delicacies, so much torment and sorrow give you to her. Because she says in her heart: I sit a queen and am no widow: and sorrow I shall not see."

And obviously we are going to see a great deal of sorrow in this country. That's what we have to prepare for. Now some people say that Isaiah 45 talks about Donald Trump as our saviour. That's the exact phrase, "our saviour" and he is our peace when the Antichrist enters into our land, but it doesn't say that he stops the Antichrist from entering into our land. There's going to be a lot of pain and suffering as Kim Clement says, and of course as John is saying here when he describes the harlot, Mystery Babylon.

Okay so I think we'll stop there, and these programs are going to continue. I can see that, and it's worthwhile to discuss Mystery Babylon quite a bit, and to review these facts about her, because most people don't understand. I'll continue with chapter 18, which describes the fall of Babylon; Babylon the Great, a perfect description of the United States.

So may God bless all of you may all of you have a very blessed evening.
