

Vatileaks Scandal in Bible Prophecy

On this program I want to take a look at the latest scandal which is afflicting the Catholic Church and that is the so-called Vatileaks scandal wherein a lot of the Pope's private correspondence has been stolen and published in the Italian news media and of course, this has proved to be very embarrassing and it is an attack on the papacy in general and on Pope Benedict in particular. A lot of people are blaming his personal butler and he has been arrested and charged with robbery, however, there has been speculation that perhaps some conspiracy is occurring within the Vatican and some think perhaps even a Cardinal is leading this subversion against Pope Benedict XVI. And I'm here to tell you this is prophesied in the Bible: there will be an End Times attack on the Catholic Church and the Bride of Christ will be crushed and defeated, however, she will of course, arise again gloriously more beautiful than before, and this is prophesied by Jesus himself.

First, let's take a look at Revelation, chapter number 11, verse number 1: **'And there was given me a reed like unto a rod: and one said, rise, and measure the temple of God, and the altar, and them that worship therein.'** This 'temple of God' is not some kind of rebuilt Jewish Temple in Jerusalem. John is talking here about the Body of Christ, in other words, the Church. And Jesus, by the way, prophesies the same thing when he says: **'Destroy this temple and in three days I will raise it up again.'** Of course he was talking about his crucifixion but he was also giving an End Times Prophecy. And in fact, this is the first example of replacement theology because the temple he was talking about for the End Times was his own Body, the Church.

'At the altar' refers to a sacrifice and this sacrifice is the symbolic sacrifice of the Eucharist and of course that will be taken away in the End Times. That is what Jesus meant by the Abomination of Desolation spoken of by Daniel the prophet. And **'them that worshiped therein'** are of course, the faithful Christians. And moving on to verse number 2, **'But the court which is without the temple leave out, and measure it not; for it is given to the Gentiles.'**

The court which is outside the temple refers to all the externals of the Church, for example, all the convents, all the seminaries, all the Catholic schools and universities, the high schools, the parochial schools, the hospitals, all these will be taken over by the Gentiles. In this case, 'Gentiles' does not refer to non-Jews but rather to anti-

Christians, for example, that is what Barack Obama is attempting to do by forcing all Catholic institutions to provide health care which pays for free contraceptives, sterilizations and abortifacient pills. Of course all these please the Antichrist to a great deal.

And now let's continue: **'for the holy city shall they tread under foot for forty two months.'** The holy city in this case does not refer to Jerusalem but it refers to Rome and the Vatican City as I will explain in a few minutes. At the same time which the Gentiles are treading the Church underfoot, and that's what this Vatileaks Scandal is all about, God sends his two prophets, Enoch and Elijah and as you know, I believe they are already here on earth now performing their duties, just as I believe the Antichrist and the False Prophet are also here operating behind the scenes.

Moving on to verse number 3: **'And I will give power to my two witnesses,'** that is Enoch and Elijah, **'and they shall prophesy a thousand two hundred and three score days, clothed in sackcloth.'** This 1,260 days is not a symbolic number, that is the real number of days. I know some people say that that symbolizes 1,260 years or 1,260 months, but it is the same time as the 42 months that the Church is tread underfoot. In fact, that's why John gives two different descriptions for that length of time because if he did not, you would normally assume that you do have to look at it symbolically. In other words, the 1,260 days would symbolize some other length of time, but John verifies that time is correct by using two numbers, 1,260 days, and 42 months: they must equal the same amount of time.

Next, let's look at verse number 6: **'these have the power to shut heaven, that it rain not in the days of their prophecy,'** for example, I believe Enoch and Elijah are responsible for that drought in Texas, **'and have power over waters to turn them to blood,'** we saw that plague also in Texas and in many other places around the world, **'and to smite the earth with all plagues as often as they will.'** This phrase "all plagues" encompasses a lot of different catastrophes and I believe all these animal, fish, and bird deaths which we are seeing around the world, huge numbers, I believe this is Enoch and Elijah's way of warning us that we are in the End Times.

And moving on to verse number 7: **'And when they shall have finished their testimony,'** now this is Enoch and Elijah, **'the beast that ascends out of the bottomless pit shall make war against them, and shall overcome them, and kill them.'** This beast that

comes up out of the bottomless pit is not the beast from the sea, that would be the Antichrist. And it's not the beast from the earth, that would be the False Prophet. Rather, this is the One World Communist Tyranny, what we know today as the New World Order. They hate Christianity and of course they hate Enoch and Elijah and they will eventually kill the two prophets.

Moving on to verse number 8: **'And their dead bodies shall lie in the streets of the great city,'** so now where are Enoch and Elijah killed? We will find that John here is not talking about the city of Rome which is what ordinarily the 'great' city would be. Instead, John is juxtaposing the 'great' city here in verse number 8 and the 'holy' city in verse number 2, **'which spiritually is called Sodom and Egypt, where also their Lord was crucified.'** There's only one city in the entire planet where their Lord was crucified therefore, the 'great' city, in this case, must be Jerusalem, just as in back in verse number 2, the 'holy' city must be Rome.

Now, why does John do this? John has set up a very clever juxtaposition here. He wants to make it clear that in the End Times, the 'holy' city that will be tread underfoot is the Vatican City, in other words, Rome. But he can't tell his readers that Rome is a holy city because in his time, all the Christians were well aware that Rome was a very pagan city. Therefore, since he calls Jerusalem the 'great' city, the 'holy' city must be Rome.

This Vatileaks Scandal within the Vatican is very serious. This is almost undoubtedly being promoted by the False Prophet who is very likely a high ranking cardinal within the Pope's own inner circle and of course, he is stabbing the Pope right in the back. The Antichrist must get rid of Pope Benedict and he must install the False Prophet. For example, in our own country, someone has got to stop the Catholic Bishops from taking on Barack Obama because Barack Obama is a loyal son of the Antichrist. I believe he is one of the ten sons of the Antichrist, one of the ten kings, and the False Prophet will put an end to this opposition by the Catholic Bishops in America to Obamacare.

And now, let's look at the next verse: **'And they that dwell on the earth shall rejoice over them,'** not only will the New World Order get rid of Pope Benedict but eventually they will kill Enoch and Elijah, **'and make merry, and shall send gifts to one another; because those two prophets tormented them that dwelled on the earth.'** This 'tormenting' I believe is what we are seeing around the world in the

thunders, the fish die-offs, the animal die-offs, the bird die-offs. This is the case of Enoch and Elijah warning the world that Jesus is going to return very soon especially at the Battle of Armageddon and before that, at the Rapture.

And so, practically every day we see in the headlines examples of the two evil personages of the End Times, the Antichrist and the False Prophet, working behind the scenes and the two true prophets of the End Times, Enoch and Elijah, also working behind the scenes. For example, I really can't see why Barack Obama would take on the African-American community and support gay marriage. That is very anathema to most blacks and why would he diss the Catholic community, who were also big supporters of him in the last election, by forcing all Catholic institutions to pay for things which are against their conscience? The only explanation is that he is beholden to the Antichrist, and there's no doubt we see the hand of the False Prophet in this Vatileaks Scandal. They want to bring down Pope Benedict and they will succeed just as they will succeed in killing the two prophets, Enoch and Elijah.
