

## **Mystical Numbers 444, 11 11 and Barack Obama**

The topic for this program is the mystical meaning of the numbers 4 4 4 and 11, 11, both of which people are seeing a great deal of, these days, myself included. I believe these are signs from God that we are in the End Times. Both of these numbers are found in bible prophecy and both of them refer to a single person and that is, our next and last president, President Barack Obama. Let's see how these numbers are derived from the numbers for God and for man.

The number for man is the number 2, because that symbolizes a man and a woman. The number for God, of course is 3, because that represents the Trinity. The problem comes, when you put 2 in front of 3, or man in front of God. If you remember the movie, 'The Number 23', from Hollywood, even those script writers recognized that 23 is an evil number in prophecy, because as I said, it puts man in front of God. Another way to express this, is man over God, or the fraction two-thirds. And the fraction two-thirds is where we get the evil number 6 6 6. The fraction two-thirds symbolizes man exalting himself over God, and the resulting decimal is point 6 6 6.

Of course, we know from Revelation that 6 6 6 is the number of the Antichrist and when you multiply two-thirds times two-thirds, you get the decimal point 4 4 4. Therefore we know that 4 4 4 is an evil number. That's the number that many people are seeing, and it is the number of Barack Obama. Let's look in bible prophecy, where we will discover the numbers 4 4 4, 11, 11, and 23. In Daniel chapter 8, he uses the phrase 2300 days, evening and morning, to symbolize the length of time of the reign of the Antichrist. 2300 days is a symbolic number. It is not meant to be taken literally. The two-thirds, again, symbolizes the Antichrist. It's an evil number, and of course we're all familiar with the number 6 6 6 for the Antichrist, as found in the book of Revelation.

In fact the number 4 is a very significant End Times number in enough itself. For example there are 4 horsemen in the book of Revelation. There are 4 beasts which come up out of the sea in Daniel chapter 7, including the leopard, which signifies Barack Obama. In fact the whole structure of the book of Revelation, is built around the number 4, not the number 7 as many bible scholars believe. The first three chapters, consist of letters that Saint John wrote to the seven churches. The next two chapters describe Saint John in heaven. The next 15 chapters are

the End Time chapters and the last two chapters describe the New Jerusalem.

Notice there are 22 chapters in all, because 23 would be an evil number. When you see the number 4 4 4, that is a warning from God about the presidency of Barack Obama. Barack Obama is our 44th president and he was elected on the 4th of November. In Daniel, chapter 11, practically the whole chapter is about Barack Obama. The first 12 verses are divided up into a 4 4 4 sequence. The last 15 verses have 4 items embedded in the first five, the second five, and the last five verses. Chapter 11 talks about 'the last king of the south' and 'the last king of the north'.

Barack Obama is 'the last king of the south', because his forbearers came from Kenya, which is due south of Jerusalem. Now if we look at the number 11, 11, we are really talking about another expression of the number 4. Oftentimes in the bible, the number 4 itself as a digit, is not used, but rather four items are described. For example, I gave before the four beasts which come up out of the sea, or in the book of Revelation, the four horsemen of the Apocalypse.

Let me read several more examples from the book of Revelation, where four items are used, rather than the number 4. Four items are symbolized by 11, 11. In Revelation chapter 18, verse 12, we find gold, silver, precious stones and pearls. Also we find linen, purple, silk and scarlet, all different types of clothing. In verse 13, we find cinnamon, odours, ointment and frankincense, and also we find wine, oil, flour and wheat. I mentioned earlier in chapter 11, where Daniel uses four items embedded in the last 15 verses.

In verse number 33, Daniel writes, 'and they shall fall by sword, by fire, by captivity and by spoil, four items. And in verse number 38, he writes, 'he shall worship the god Maozim with gold, silver, precious stones and things of great price. And in verse number 43, the four items are treasures, gold, silver and precious things. Thus we see that the number 4 can signify all of these items, but also the number 11, 11. And also we should remember, that when you see six ones in a row, then you're symbolizing, of course, the Antichrist.

A few years ago, after I had purchased a new pickup truck, as I was driving along, a flash of light came up from the odometer, and at the same time, a crackling sound. I immediately thought I had an electrical

problem, but when I looked at the odometer, it read 11 thousand one hundred and 11 point 1, that is six 1's. Of course I knew immediately that I did not have an electrical problem, but rather the Lord was giving me another warning.

Whether you see the number 4 4 4 or 11, 11 for 6 1's, or 6 6 6, these are all numbers of the End Times. They are all warnings from our Lord. They are all found in the bible, and we need to know specifically that 4 4 4 and 11, 11, refer to our next and last president, President Barack Obama. And I'm not saying that we should oppose him. We should pray for him. He is found in bible prophecy. These are very serious times that we are in, but remember, God does not give these warnings to scare us, but rather, to prepare us.
