

End Times Comet in Zachariah 14

I am finally back to the Zachariah series and I had to interrupt it because the start of the Great Tribulation began on April 24th. And Almighty God marked that very important date when that huge crucifix toppled over and killed that unfortunate young man who happened to live on Pope John XXIII Street and I've gone all through that before (1). So now let's continue with part 8 in my series on Zachariah and we will be looking at the last section of the third column.

As you know by now, in the first three columns, Zechariah has been primarily talking about the Ezekiel 38 War and the Daniel 9 War, and now he begins to talk more about the 45 day period which includes the Battle of Armageddon. So let's look at verse numbers 6 and 7 of chapter number 14: ***'And it shall come to pass in that day, that there shall be no light, but cold and frost. And there shall be one day, which is known to the Lord, not day nor night: and in the time of the evening there shall be light.'***

So what could Zechariah be talking about here in verses 6 and 7? Well, there is a phenomenon that could explain it and that would be the passage of a very large End Times comet. Zachariah says that in the day time it will be dark and cold and frosty. If a large comet were to eclipse the sun, it would turn dark, of course, and it would be colder. However, Zachariah says that in the time of the evening there shall be light. In other words, after the comet passed the eclipse, and as we go into night-time, the light of the comet would illuminate the entire planet. And I believe there are many other places in Scripture that describe this same End Times prophecy.

Let's look at Revelation, chapter 8, verse number 5: ***'And the angel took the censer, and filled it with the fire of the altar, and cast it on the earth,'*** this chastisement comes from Almighty God because it's an angel that takes the censer and fills it with the fire of the altar, ***'and there were thunders and voices and lightnings, and a great earthquake.'*** Now, when you come to understand St. John's Cryptogram and how he sealed up his prophecies in very much the way that Daniel did, you will know that chapter 8, verse number 12, immediately follows verse number 5 and they both describe this same End Times comet. Verse 12: ***'And the fourth angel sounded the trumpet, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars, so that the third***

part of them was darkened, and the day did not shine for a third part of it, and the night in like manner.'

Here I believe John is describing the aftermath of the comet, either after it passes by very closely to the earth or after it strikes our planet. Remember, Zachariah said the day would turn into night and the night into day, but in this case, 1/3 of the stars, moon and sun will be darkened. And I believe that means that they will be diminished by 1/3 and that would be caused by a lot of dust kicked up by this comet.

And Jesus describes very much the same in his Olivet Discourse, Matthew, chapter 24, verse 29: ***'And immediately after the tribulation of those days,'*** this is the Great Tribulation and would be the period of Armageddon, ***'the sun shall be darkened and the moon shall not give her light, and the stars shall fall from heaven, and the powers of heaven shall be moved.'*** When Jesus says the ***'stars shall fall from heaven'*** I am sure he is talking about shooting stars and there will be many meteorites which accompany this End Times comet. And of course, when they fall through the atmosphere they would be very visible at night time as shooting stars.

If you go on YouTube I think you will see that people are having visions of this End Times comet. Just do a search under 'two suns,' for example, or 'miracles of the sun.' In fact, I believe the great miracle of Fatima when 80,000 people saw the sun dance in the sky, they were actually having a vision of this End Times comet. And the sun not only danced in the sky but it shot off very colourful rays of light and then it plunged towards the earth, and this will be a tremendous disaster. And there's no doubt God would warn humanity about it ahead of time.

But, following this great chastisement, which will fall upon mainly the One World Government, that is, the New World Order and the One World Religion, then we will achieve the great thousand years reign of peace and God will rule in the hearts of men. Let's see how Zachariah describes this aftermath of the great End Times comet. Zachariah, chapter 14, verse 8: ***'And it shall come to pass in that day,'*** this is Armageddon, ***'that living waters,'*** and this would of course be Jesus himself, ***'shall go out from Jerusalem: half of them to the east sea, and half of them to the last sea: they shall be in summer and in winter. And the Lord shall be king over all the earth: in that day there shall be one Lord, and his name shall be one.'*** So Zachariah here is describing the Millennial Reign of our Lord, Jesus Christ. But, I

do not believe Jesus will reign in person: He will reign in the hearts of men and his rule will be like a rod of iron.

And Zachariah continues his description of the Millennium in verse number 10: ***'And all the land shall return even to the desert, from the hill to Remmon to the south of Jerusalem: and she shall be exalted, and shall dwell in her own place, from the gate of Benjamin even to the place of the former gate, and even to the gate of the corners: and from the tower of Hananeel even to the king's winepresses.'***

And so, in conclusion, even though the End Times comet will be a great judgment upon mankind, the Millennium will be a great reward for those three groups who survive, namely the Raptured Protestants, the Protected Catholics and the Converted Jews. And don't forget, in all of Zachariah as well as Daniel and Revelation, and many other End Times prophecies in Scripture, Mary's Rosary will defeat the Antichrist. That's why in the rearranged verses of Zachariah 12, 13 and 14, the top sections of six verses are always followed by the bottom sections of five verses, in other words, 6666 will be defeated by 5555.

1) Looking back, that was a very significant date. However, I'm still not sure if the end date of that time line, September 23, 2017, the date on the 'Great Sign', marked the end or the beginning of the Great Tribulation or if Jesus is 'shortening the days'.
