

## Trump Meets Putin! Turning Point in Bible Prophecy!

Yesterday there was a very significant meeting between the premier of Russia, Vladimir Putin, and our own president, Mr. Donald J Trump and I believe the significance, the true significance, does not have anything to do with 'body language' or interpretation of how they shake their hands, as expressed elsewhere, but rather in Bible prophecy, because I believe this is a great turning point. Here is the significance: the headquarters of the One World tyranny is about to move from Moscow to Rome. And the reason I say that is because the False Prophet, Pope Bergoglio, had a very strange reaction to a friendly meeting between Putin and Trump. And here is what he said, this is dateline Saturday, July the 8th:

<http://www.dailymail.co.uk/news/article-4677148/Pope-warns-G20-against-dangerous-alliances-damaging-poor-migrants-paper.html>

**'Pope warns of dangerous alliances among G20 powers** (this is unbelievable) **Pope Francis said Saturday that the G20 summit in Germany worries him because of the potential for very dangerous alliances among world leaders with particularly dire consequences for** (now get this) **migrants'**.

Well sure! Pope Francis wants everyone to worship Mother Earth, the environment and the weak or the poor, as he says. But they are not really the weak and the poor; they are soldiers of the Antichrist. **'I worry about very dangerous alliances between powers which have a distorted vision of the world** (here's who he is talking about) **America and Russia, China and North Korea** (well, I might agree with him on North Korea) **Putin and Assad over the war in Assyria, the Pope said in an interview with Italy's La Repubblica newspaper.'** And I should add here, it's very interesting, I believe between thirty and forty years ago, Mary said in the prophecies of Bayside, that **'Syria holds the key for world peace'**. Neither Pope Francis nor the Antichrist wants peace in Syria; they want Russia and America to destroy each other as prophesied in many places and as I've been warning you about for the last nine years here on YouTube.

And the Pope continues: **'The danger concerns immigration. Our main and unfortunately growing problem in the world today is that of the poor, the weak, the excluded, which includes migrants he said, pointing to countries that fear an invasion of migrants'**.

Well, these migrants are not weak or poor or women or children; they are fighting aged Islamists and jihadists under the age of 30. They come into the West to bring rapes and riots and chaos and that is exactly what the Antichrist and the False Prophet want. They do not want to see peace between Donald Trump and Vladimir Putin. What Pope Francis is doing is proclaiming very clearly that he is the enemy of Donald Trump. And the reason is because Donald Trump is found in Bible prophecy and he is fulfilling Isaiah 45, verse number one: ***'Thus says the Lord to my anointed Cyrus (who is a stand-in for Donald Trump) whose right hand I have taken hold of, to subdue nations before his face (that's what Donald Trump was doing in Germany this weekend) and to turn the backs of kings.'*** What a perfect description of changing Putin from an adversary to an ally; ***'to turn the backs of kings'***. What an amazing twenty seven hundred year old prophecy about Donald Trump from the great prophet, Isaiah. Isaiah 45, verse number 2: ***'I will go before you and will humble the great ones of the earth.'***

Next, I want to mention here that in Bible prophecy there are six destructions of the United States referred to and I have been warning about them for, as I say, nine years here on YouTube. I believe the election of Donald Trump let us dodge the bullets in the first four of those prophecies. Let me remind you what those prophecies were; first of all in Daniel, chapter 7, we read about the three Beasts that come up out of the sea (the angel says they come up out of the earth because they represent both kings and kingdoms) the Bear, the Lioness and the Leopard. The Bear is Russia, the Lioness is Britain, and the Leopard is the United States. The Bear is in verse number 5 of Daniel 7: ***'And behold another beast like a bear stood up on one side and there were three ribs in the mouth thereof and in the teeth thereof and thus they said to it, arise devour much flesh.'*** And I told you 9 years ago that Obama was the Leopard and that he would lose World War 3 to Putin; but I believe this prophecy has been thwarted (or delayed) because of our election of Donald Trump.

And next, let's look at chapter number 11, which is very similar. In chapter number 7 we see that the Leopard with the four heads and four wings, that is number 44, his prophecy has been thwarted (or delayed) and also now, the prophecy about Obama in chapter 11 of Daniel, verse number 40: ***'And at the time of the end (the times we are living in) the king of the south (Obama) shall push against him (Putin) and the king of the north (Putin) shall come against him***

(Obama) **like a tempest with chariots and with horsemen and with a great Navy and he shall enter into the countries** (Britain and America) **and shall destroy and pass through.**' This is another prophecy, the second one, that I believe we have overcome (or delayed) through our prayers, especially the Rosary, by electing Donald Trump. The Antichrist has so far been thwarted in provoking the 3 countries, Russia, Britain and America, to fight each other in World War 3.

Let's look at Jeremiah, chapter number 50, Jeremiah chapter 50, verse 41: **'Behold, a people comes from the north** (that would be Russia) **and a great nation and many kings shall rise from the ends of the earth.'** Verse 42, Jeremiah 50, by the way is against the United States as Babylon: **'They shall take the bow and the shield, they are cruel and unmerciful, their voice shall roar like the sea and they shall ride upon horses like a man preparing for battle against you, O daughter of Babylon.'** I believe that we have also been able to mitigate that prophecy through our prayers and the election of Donald Trump. And what about Daniel chapter 8, which is about the struggle between the Ram and the Goat, the fourth prophecy about the United States falling to Russia? Daniel 8, verse number 5: **'And as I was considering behold a he-goat** (this is Communism) **came from the West** (that's because it was started by Karl Marx) **on the face of the whole earth and touched not the ground and the goat had a notable horn** (that would be Russia) **between his eyes'**. Daniel 8, verse number 7: **'And when he came near the ram** (the United States and Britain) **he was enraged against him and struck the ram and broke his two horns** (one of the horns is higher and newer than the other, that's America; the shorter, older horn refers to Britain) **and the ram could not withstand him and when he had cast him down on the ground he stamped upon him and none could deliver the ram.'**

It's really amazing that we are seeing Bible prophecy coming to pass and passing before our eyes and so far we have been able to avoid these four prophecies about Russia destroying the United States. But the fifth destruction of the United States, I don't think we will be able to avoid, as prophesied, especially in the book of Revelation, where the Scarlet Beast burns the Whore of Babylon with fire in one hour. Let's see how this is expressed in Daniel 7, verse number 7: **'After this I beheld in the vision of the night and lo a fourth beast** (a fourth and final beast) **terrible and wonderful and exceeding strong. It had great iron teeth eating and breaking in pieces and treading down**

***the rest*** (the 'rest' are the Bear, the Lioness and the Leopard) ***with its feet and it was unlike to the other beasts which I had seen before and it had ten horns.***' So this is not the last king of the north, that is, Russia. Russia may be one of the ten horns but this is the same as the Scarlet Beast as spoken of in the book of Revelation. Let's look at Daniel 8, verse number 9: ***'And out of one of them came forth a little horn*** (again the Antichrist) ***which waxed exceeding great toward the south and toward the east and toward the pleasant land.***' Donald Trump still has to take on this fourth and final Beast and it will take a great deal of Rosaries on our part to bring a successful conclusion to this prophecy. Remember, Bible prophecy is there to prevent the prophecy, as with Jonah and Nineveh; that's its purpose.

So far, we have survived the first four tribulations against America. This fifth one is up and coming; this is when the capital of the One World Tyranny moves from Moscow to Rome. And we see this destruction of America in Revelation, chapter 17, verse number 16: ***'And the ten horns which you saw on the Beast*** (this is the Scarlet Beast) ***these shall hate the harlot*** (Britain and America primarily, but all of the decadent West) ***and shall make her desolate and naked and shall eat her flesh and shall burn her with fire.***' That's the fifth prophecy I'm talking about. And next comes the sixth prophecy which none of us really want to face and that is if America survives all five of these other prophecies and somehow we avoid conflicts with the Scarlet Beast, that is the kingdom of the Antichrist, because, if we are still not worthy to survive into the Millennium, then we will face the sixth described destruction of America which comes from the hand of Almighty God and we see that in Revelation 18, verse number 8: ***'Therefore shall her plagues come in one day, death and mourning and famine and she shall be burnt with fire because God is strong who shall judge her.'***

So in conclusion, what I think we saw this weekend was an amazing turning point in Bible prophecy. Four of the prophesied judgments against America we have successfully avoided through prayers and sacrifice. It will take a lot more prayer and fasting to avoid the next judgment against America which comes from the hand of the Antichrist. Donald Trump is prophesied to defeat the Antichrist also but not until after the Antichrist, that is the Assyrian, invades our land.
