

## Giant Crucifix Crushes Youth!

You may have heard by now about that giant crucifix which toppled over and killed a young man in northern Italy this past Wednesday, April 23rd. And, remember that date; it's very significant. And several of my subscribers sent me a copy of this story and it's significant because it shows that Almighty God is very angry. He is very angry that Pope Francis has taken the Daily Sacrifice away from the Prince, thereby initiating the first of the great End Times Abominations of Desolation.

Thus, Almighty God is verifying that Pope Francis is the False Prophet in Bible Prophecy. He is verifying that he has started the Great Tribulation by initiating this Abomination of Desolation. And now, let me read this article because this is not a coincidence. You will find out I am sure that this is very similar to when Almighty God struck the Vatican at exactly 5:55 p.m. on the day that Pope Benedict resigned, and I will show you this picture in a few minutes. ***'Man Crushed to Death by Giant Crucifix dedicated to Pope. Tragedy happens only days before canonization of Pope John Paul II who had crucifix dedicated to him. The man named Marco Gusmini was posing for a photograph with a group of friends in front of the 100ft-high cross when it suddenly collapsed.'***

In another news story I believe it states that this crucifix weighed over half a ton. ***'An Italian man was crushed to death on Thursday*** (I believe this article is wrong. I believe it occurred on Wednesday, April the 23rd, as I say, that's a significant date: 23 is another number for the Antichrist) ***by a giant crucifix dedicated to the late Pope John Paul II just days before the Polish pontiff will be made a saint in a ceremony at the Vatican.'*** I will not be watching this ceremony.

***'In a bizarre coincidence, the 21-year-old man was reported,'*** now listen to this, ***'to have been living in a street named after Pope John Paul XXIII- who will also be canonized in the ceremony on Sunday, in an event that is unprecedented in the 2000 year history of the Catholic Church. A large 20ft-high statue of Christ the Redeemer was attached to the crucifix, which was created for John Paul II's visit to Brescia, in the northern region of Lombardy, in 1998'***.

Now as I said, this date is very important. Pope Francis telephoned the Argentinian divorcee on Easter Monday but this was not publicized to

the world until April 23rd and it was later that day that this statue toppled over and crushed the young man. It was a kind of a weird crucifix in the first place because it's curved, as you can see a gigantic broken hand of Christ in the foreground. As I say, this crucifix weighed over half a ton.

So why is this date of the 23rd of April significant? The reason is because April in the Gregorian calendar this year coincides with the month of Nisan in the Hebrew calendar. In other words the 23rd of April is the same as the 23rd of Nisan. And Daniel's great vision of this first Abomination of Desolation of the End Times begins on the 24th of Nisan and that means that his three weeks of fasting and prayers concludes on the 23rd of Nisan which, as I say, this year would be the 23rd of April.

Daniel 10 verse 4, **'And in the 24th day of the first month,'** the first month in the Hebrew calendar is the month of Nisan, **'I was by the great river which is the Tigris.'** And here is where Daniel has his vision, **'And I lifted up my eyes, and I saw: and behold a man clothed in linen, and his loins were girded with the finest gold.'**

So, on the 23rd of Nisan, Daniel completed his three-week fast which he describes as taking no desirable bread, nor flesh nor wine. Daniel 10 verse 3: **'I ate no desirable bread, and neither flesh, nor wine entered into my mouth** (this is a description of the Eucharist **neither was I anointed with oil till the days of three weeks were accomplished.'** And **'neither was I anointed with oil'** refers to Pope Francis and the oil symbolizes holy oil.

In other words, Pope Francis is a False Pope. He is not truly anointed. Pope Benedict is our last Pope. And in Daniel, chapter 10, verse number 3, his description of the Holy Eucharist explains chapter 12, verse number 11, where he talks about this first Abomination of Desolation of the End Times: **'And from the time when the continual sacrifice shall be taken away, and the abomination unto desolation shall be set up, there shall be 1290 days.'** And Daniel adds in verse number 12, **'Blessed is he that comes to 1335 days'**. So when you add 1290 days and 1335 days to April 23rd 2014, you arrive at the beginning and ending of Armageddon. Now, I am NOT giving you a day or an hour, as Jesus warned against anyone doing. I am giving you a season, a time period of 45 days in the Fall of 2017.

Daniel gives a different time frame for each of the End Times Abominations of Desolation which he talks about and this is the longest of those time frames. And what that means is this taking away of the Daily Sacrifice from the Prince is the first of the End Times abominations. And how should we as Catholics respond? And I'm going to cover that in my next program.

In the meantime, please do not listen to the false prophets who say that first: the Antichrist must sign some kind of peace treaty with Israel, or that the Jews must build a Third Temple in Jerusalem, or that they must reinstitute ritual animal sacrifice. Ritual animal sacrifice is not what Daniel is referring to when he says that the Daily Sacrifice will be taken away from the Prince. The Daily Sacrifice is the Holy Eucharist and that is what we have seen Pope Francis take away from the Catholic Church just this week.

Now I want to add here why it is that a Catholic priest cannot consecrate the Eucharist if his intentions are invalid. Let's review the three requirements for a Catholic priest to consecrate the body and blood of Jesus Christ. First, the matter must be the same as what Jesus used. You cannot consecrate strawberry shortcake, for example. Secondly, you must use the same words that Jesus used. You cannot say, **'this may be my body'** or **'this could be my blood'**, for example. And thirdly, you must have the same intention as Jesus. I can assure you Jesus did not intend to **'cast his pearls before swine.'** He did not intend to **'give that which is Holy to the dogs'**.

At the Last Supper, Jesus did not give his consecrated Body and Blood to the traitor Judas; however, I won't be surprised if Pope Francis flies in that Argentinian divorcee and personally gives her Communion at this week's canonization ceremonies of Pope John Paul XXIII and Pope John Paul II. And one final note, please, I don't want anyone telling me that God killed that unfortunate young man. That crucifix toppled over because of human error. It was faulty engineering; however, God allowed it at that particular time in order to warn us that his sacrifice on Calvary, which is what that crucifix symbolizes, cannot be re-enacted in any Catholic Church where the priest intends to give the Eucharist to anyone living in mortal sin.
