

Snowland Received Locution from Jesus about Coronavirus

Welcome once again everyone to our World Family Rosary Network where we give praise and honor to the Blessed Virgin Mary because she is the woman prophesied back in Genesis 3:15 to crush the head of the serpent, and no other denomination, including my own Roman Catholic faith, including EWTN, including Father Mitch Pacwa; none of them teach that truth any longer, because they are all under the great delusion of these End Times. They all erroneously claim that Jesus will crush the head of the serpent, and that's not the way Jesus planned it. In Genesis 3:15, He says, **"I will put enmities between you and the woman"**. That "I" is Jesus. He is the one who puts the enmity. He is not the one who does the crushing. That's because, everything that happens to the serpent in Genesis 3:15 is a humiliation.

[Rosary prayers]

I'm going to read a letter I received from Snowland and it's about the coronavirus so I'm going to read that letter because it's very interesting and I told her I would read it yesterday. She received several locutions from Jesus and I'm not sure if she has ever had a locution before. She's had quite a few dreams and I have read them on this program whenever she sends them to me, and I am going to read this one because this is really fascinating to me. I do not get spiritual experiences like this, so I'm always fascinated by them, and this letter is dated March the 23rd that's five days ago.

"Dear William,"

She writes, "Hello there, first off, this is not a dream. This is real life, during prayer. On March the 19th 2020, my sister and I were praying the peace prayer. When my sister took the Holy Face of Jesus frame, and placed it next to her, I looked at Jesus for a moment and went back to read the prayer. All of a sudden a strong male voice spoke saying, 'It's coming', causing me to stop in the middle of my prayer. I had to tell my sister about what Jesus said.

So we went back to prayer when a sudden panic came over me, because anything could happen, even Jesus' coming. Jesus told me to bless the whole house, and the windows. While my sister blessed my mother and brother, I blessed my father. Jesus told me to not look outside, so I placed the curtains to hide the night. So I grabbed the Holy Face and asked Jesus what's coming. He told me, "the disease". I was in shock, and told Him this corona could fly or travel? I told my sister about it. So I asked Jesus, when is the next wave? He told me 48 hours, which was March 21st 2020 at 6 pm. So my sister and I joined you for the exorcism prayer at 9 pm.

After the powerful prayer, I asked Jesus, will there be more? He gave me another date on Monday at 3 pm. So March 23rd 2020. The following, the next day which was March 21st 2020, on that Saturday Jesus wanted me to share my story with my friends, and kept saying, "Save souls". My friends

asked me some questions and thought about how long does it last? Jesus told me eight hours, so March the 23rd 2020. When I am writing this, I am not allowed to look outside and open the door. It reminds me of the three days of darkness.

Jesus spoke to me again. I asked a question. How does this coronavirus move? 'By droplets.' So it means that when an infected person sneezes or coughs out in the open, it stays for much longer than in the building which people are coming and going, where they are breathing the virus. It gets carried by the wind. I hesitated for you to share my story with the whole world family, because of reasons. This is my second time to rewrite everything. Please share. Jesus' overall message is to save souls.

Sincerely, Snowland. "

So thank you so much for that Snowland. I am always fascinated by people who have spiritual experiences like that and that was obviously a very important experience and it shows I think that Jesus is in charge of everything, and He obviously was protecting you and your family, which I am very happy about.

So now, what I want to do is to show you how you can protect your family and yourself, because you no longer have the Eucharist as you know. The Church has taken the Eucharist away from us, and we have a substitute, and that is the Rosary and the Scapular. So let me show you the slide so you can plan your day to make sure that you pray all four mysteries, and that's what I did yesterday and the day before, so I am following my own rule so far. In fact I got in five yesterday, but I don't mind doing an extra one. So here is our live Rosary chart.

So I hope to see you and to pray with us and don't forget. Really these live Rosaries to me are much more important than any match that you can watch or anything else that you watch, because you cannot participate in the Eucharist as it's no longer available and Jesus planned this way. Why did He plan it? Why did He voluntarily remove Himself from the scene to give his mother credit?

Mary is the one prophesied to crush the serpent and He doesn't want anyone mistaking that it's his mother, and this coincides exactly with the Protestant prophet Kim Clement. He prophesied on the Feast of the Annunciation nine years ago March 25th. He did not say that Jesus would save America. He did not say that the Church would save America, he said the woman will save America, and watch through [his video](#) on that date, because it's fascinating. He called her Esther. He did not realize who Esther represents, but we know she represents the Blessed Virgin Mary. She is going to save America not only from this scourge the coronavirus plague but also from the Scarlet Beast. The Scarlet Beast will burn us with fire in one hour.

I think we had or people prank people praying the Rosary I think that's a record for us and this is wonderful, and this is our solution. This is the heaven solution. Jesus has voluntarily removed Himself from the scene and the Church is no longer available. Neither Jesus nor the Church is going to save us. It's prophesied in the Bible that Mary saves us from Satan, Jesus saves us for our sins and Mary saves us from Satan.

Okay thanks everybody. I will see you all later and until then may God bless all of you and may all of you have a very blessed day.
