

Elijah Warns America: 'I AM HERE'

This week marks the second anniversary of the return of the Prophets Enoch and Elijah to Planet Earth and this happened, just as I had predicted, the year before. I said they would return between October 13th and November 29th of the year 2010 and as it turned out, Enoch returned on November 23rd and Elijah returned at the beginning of Hannukah on December 2nd, so I was off by a few days on this latter date.

Incidentally, Hannukah lasts for seven days and that great forest fire, when Elijah returned, lasted for three and one half days and thereby it symbolized the Great Tribulation. Now, just a few months ago, it was verified that Elijah has indeed returned and we saw that in an amazing fire tornado which occurred in Australia. I don't know if you have seen this or not but a photographer in Australia caught this amazing natural phenomenon. What he did not notice is that during this fire tornado, three words were spoken: **'I am here.'**

(Sound file may be played at the end of this document.)

Those words were spoken by the Prophet Elijah and even though that clip was shown on the Today Show, and on Good Morning America, Al Roker and George Stephanopoulos missed those words and I can understand why: they are not attuned to the spiritual world.

Now, Pastor Paul Begley did hear those words, or perhaps one of his subscribers pointed it out to him, and he made a video which he posted it on his channel, 'Paul Begley Technology', and in that video he enhanced the audio. Now, this is not that clear, I mean it's clear and the words are well enunciated, but there is a certain amount of echo and there is of course the thunder of the fire tornado in the background

so you may have to listen to this clip once or twice. Once you do, I think you will understand the amazing significance of this and the supernatural quality of these words, so let's take a quick look at that clip.

'I am here.' The Prophet Elijah has four major missions here on Planet Earth and now that he has verified he is indeed here, we can look to see that all of these missions will be fulfilled and his most important, number one mission, is to announce the return of Jesus Christ. Jesus Himself refers to this office of Elijah when He said that John the Baptist fulfilled the spirit of Elijah and here in these End Times, the very first returning of Jesus will be at the Rapture. In fact, the Rapture could not occur until Elijah was here to announce Jesus' return and therefore, now that we have seen Elijah announce here in Australia in that fire tornado when he says **'I am here,'** we can expect the Rapture to be imminent.

Elijah's second major mission here on Planet Earth is to convert a remnant of Israel and in the book of Revelation, they are referred to as **'144,000 from all the tribes of the children Israel'**. Let me read that passage from the book of Revelation 7, verse 2: **'And I saw another angel ascending from the rising of the sun having the seal of the living God.'** This angel refers to Elijah because he came from East of Jerusalem, that is, 'from the rising of the sun', **'and he cried with a loud voice to the four angels to whom it was given to hurt the earth and the sea: hurt not the earth nor the sea nor the trees till we sign the servants of our God in their foreheads.'** So this sealing of a 144,000 Jews constitutes the Remnant of Israel.

Don't forget, most of Israel will accept the Antichrist as Jesus himself prophesied, as will the Muslims, by the way, and we saw an example of this, in our recent election. Barack Obama appealed to both Muslims and Jews. In the United States, he won a great majority of the Muslim vote and the Jewish vote. Some people say Obama is the Antichrist. I am not sure about that but he certainly is a very good prefigure of the Antichrist.

This converting of a Remnant of Israel is also found in Daniel 9, verse 27 in a passage which is totally misinterpreted by the false prophets. Let me just read that for a moment, Daniel 9, verse 27: **'And he shall confirm the covenant with many in one week.'** Now, the false prophets like to tell you that this is the Antichrist confirming the Old

Covenant with Israel but that is false: this refers to the Prophet Elijah confirming the New Covenant with a Remnant of Israel.

So, for those of you who are waiting for the Tribulation to begin because you have not yet seen a so-called rebuilt temple in Jerusalem or you have not seen the Antichrist sign some kind of covenant with Israel, please wake up! That is all false prophecy and you need to understand the Seven Years of Tribulation have indeed already begun.

Now Elijah's third major mission is to bring down plagues upon the world. Let's read chapter 11 in the book of Revelation, verse number 3: **'And I will give unto my two witnesses, (this is Enoch and Elijah) and they shall prophesy a 1,260 days clothed in sackcloth.'** And verse number 6: **'These have the power to shut heaven that it rain not in the days of their prophecy.'** This fire tornado in Australia occurred five months after a major drought began in Australia and also, this drought in the United States last summer, both of these droughts, and in fact, many others, have been caused by the Prophet Elijah and in a way, he is taking credit for these droughts when he said in this fire tornado **'I am here'**; in other words, *'this is my drought which I am causing'*.

And more plagues: **'And they have the power over waters to turn them into blood,'** and we have seen that for the past two years. Many, many instances of water in rain, lakes and rivers turning to blood; in fact, just this week, Bondi Beach in Australia showed this amazing phenomenon. These are the results of Enoch and Elijah. They are turning the water to blood and this has been going on for two years: **'and to strike the earth with all plagues as often as they will,'** and certainly we have been saying that for the past two years. I believe these plagues of dead animals, dead fish, and dead birds, began almost precisely, within a few weeks, after the return of Enoch and Elijah in the Fall of 2010.

And now, the fourth and last and perhaps the most important mission of the Prophet Elijah in Bible prophecy is to call down judgment on the United States. I know, some of you may be surprised at that, but this fire tornado in Australia, although it looked like the fire was going up, it was actually a prophecy of fire coming down on America. Notice, for example, that Elijah spoke in English, he said, **'I am here'**, and do you know what day it occurred on? It occurred on the 11th anniversary of the 9/11 terror attacks. This fire tornado also occurred at the same time that the American Embassy in Benghazi was under attack from

terrorists and at the same time those four Americans were killed, including the Ambassador to Libya. None of this is accidental.

This role of Elijah calling down judgment upon America is found in Daniel, chapter number 4; let me read that passage for you. Daniel, chapter 4, verse number 10: ***'I saw in the vision of my head upon my bed and behold, a watcher and a holy one came down from heaven.'*** These are the two Prophets, Enoch and Elijah. The holy one is Elijah: ***'and he cried aloud and said thus: cut down the tree,*** (this tree is primarily the United States but it also symbolizes all of Western civilization, in fact, it is another image of the Whore of Babylon) ***shake off its leaves, cut off its branches, scatter its fruit, let the beasts fly away from under it and the birds from its branches.'*** I realize most people do not understand that one of Elijah's major missions is to pronounce judgment on America but that is one of the major reasons he appeared in this fire tornado, and why he appeared on the 11th anniversary of 9/11, and why he spoke his words in English.

In conclusion, this appearance by the Prophet Elijah in this fire tornado in Australia is extremely significant. It's interesting to me that this hidden message was totally missed by the wise and the powerful throughout the world. It was shown on television everywhere, especially here in the United States, and even though they have all this high powered technology, yet they did not discover those words ***'I am here'***. And I want to thank Pastor Paul Begley (or one of his subscribers), for bringing this to my attention and to the rest of our attentions. This message is for us. It is so that we will prepare and get ready. Everything in Bible Prophecy is taking place including the reappearance of Elijah and also, the second coming of Jesus at the Rapture is also imminent. All I can say is: you have been warned!
