

## **Mary's School of Prophecy The Whore of Babylon – Pt 4 “You Must Leave Babylon or Receive Her Plagues”**

I want to continue talking about the harlot in the Book of Revelation also known as the Whore of Babylon, also known as Britain and America primarily, but actually she symbolises all of the decadent western culture. And the Whore of Babylon is the same as the tree that is cut down in Daniel 4, and in Daniel 4 the tree is banded if you remember. The stump is banded by a band of iron and a band of brass, and those symbolize the One World Government and the One World Religion, which will constrict western culture, and in fact we will be defeated by the Scarlet Beast which the harlot rides.

First of all we are going to pray Our Lady of All Nations prayer, and Catholic Crusader sent this over and I think Mary, Our Lady of All Nations will be our patroness for this program. In the name of the Father, the Son and Holy Spirit. Amen. Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from degeneration, disaster and war. May the Lady of All Nations, the Blessed Virgin Mary, be our Advocate. Amen.

So I think that's a very appropriate prayer and now I want to review the five “sit” verses I guess you could say, because these tell us the location of the Whore of Babylon. Remember John says, “Go out from her my people if you want to avoid her plagues”, and she has more than one location. She has a geographical location. She has a mental or psychological location. She has a spiritual location and she has a geopolitical location, and we have to leave all four of those locations. So let's reread those five “sit” verses I call them and that's where John says that the harlot is sitting, and every time he says that, that is one of her locations. So the first one is verse number 1 of chapter 17.

**“And there came one of the seven angels who had the seven vials and spoke with me saying: Come I will show thee the condemnation of the great harlot, who sits upon many waters.”**

So “many waters” is the harlot's first location that we have to leave, and I believe in this case, “waters” is literal. Now normally in End Times prophecy, the symbolic interpretation takes precedence over the literal, and the reason I believe in this case the “waters” is literal, is because the location of the Scarlet Beast, which the Whore of Babylon rides, is upon seven mountains, and that is also literal. In other words the locations of both the Scarlet Beast and the Whore of Babylon are described in literal terms; that is their geographical location. And we know that the Scarlet Beast which is international communism will be revived as the eighth and final beast, and its headquarters will be in Rome and Mary prophesied this at La Salette. Rome will lose the faith and become the seat of the Antichrist. So let's look at the next verse, verse number 3 in chapter 17.

**“And he took me away in spirit into the desert.”** This is one of the locations, a spiritual desert for both the harlot and the Beast. **“And I saw a woman”**, this is the whore, **“sitting upon a scarlet colored beast, full of names of blasphemy, having seven heads and ten horns.”**

So the Scarlet Beast has seven heads and ten horns and we know that those seven heads represent a continuum of all of the tyranny starting with Egypt and Babylon, Medo-Persia, Greece and Rome. Rome was the beast that is, and the one that comes next is international communism. And the one that “is not” and goes to destruction, that's the eighth beast, the eighth and final beast, and that is of the previous seven. It will also be a tyranny, and it will be a communist tyranny.

Let's look at those ‘sit’ verses again. So we see in verse number 3, two locations; a spiritual desert for the Whore of Babylon and a geopolitical location. In other words the Whore of Babylon is riding the Scarlet Beast. That indicates that she has political control over the Scarlet Beast, and the Scarlet Beast resents that. In other words communism resents being controlled by the G7 nations or the G12 nations or whatever number they are now. And John says that the Scarlet Beast will burn us with fire in one hour. Okay let's look at these ‘sit’ verses again. Verse number 9:

**“And here is the understanding that hath wisdom. The seven heads are seven mountains, upon which the woman sits: and they are seven kings.”**

Now a lot of false prophets say that the Whore of Babylon is sitting upon seven mountains, but those seven heads belong to the Scarlet Beast, and that's where they make their mistake. Let's look at the next “sit” verse, verse number 15.

**“And he said to me: The waters which you saw, where the harlot sits are peoples and nations and tongues.”**

So, it's not surprising that “waters” has two different meanings, and they are both I believe her geographical location that we have to go out from: “waters” would be I think large bodies of water and both Britain and America are almost surrounded by large bodies of water. I think we have to go away from the coastlines of all the nations of the world, which are part of the decadent West. And peoples, nations and tongues, I believe that refers to large cities, metropolitan areas. I think we have to leave those areas also, so I think there are two geographical locations here that John is warning us to leave. And now let's look at the last of these ‘sit’ verses which are from chapter 18, verse 7:

**“As much as she has glorified herself and lived in delicacies, so much torment and sorrow give you to her: Because she says in her heart: I sit a queen and am no widow and sorrow I shall not see.”**

No American believes that the United States will lose World War 3, but John says there's going to be a lot of sorrow. There's going to be a lot of widows, and even Kim Clement says that before America is converted, before the Protestants are converted by Esther, there will be a lot of mourning, and I think that, that is consistent with what John is saying here about the harlot in the Book of Revelation.

So now let's continue on with Revelation chapter 18. I think we left off at verse 7, so let's go on with verse number 8.

**“Therefore shall her plagues come in one day.”** Now these are the plagues we want to avoid and this is why we have to go out from her. So let's review these plagues, **“death, and mourning, and famine, and she shall be burnt with the fire; because God is strong, who shall judge her.”**

And this judgment does come from Almighty God, exactly the same as in Daniel chapter 4, the judgment upon the tree, the magnificent tree which also symbolizes the decadent West. It is cut down by order of the Watcher and the Holy One who I believe are the two prophets Enoch and Elijah. Next verse:

9: **“And the kings of the earth, who have committed fornication and lived in delicacies with her, shall weep, and bewail themselves over her, when they shall see the smoke of her burning”.**

So once again we see the kings having committed fornication with the United States and Britain. I think that means that they accept the degenerate character of western culture which is well, you name it: pornography, abortion, contraception, sterilization; mostly sexual sins or a consequence of them, and Jesus said that the End Times will be marked by sins of that nature. And the next verse, verse number 10:

**“Standing afar off for fear of her torments, saying: Alas! Alas! that great city Babylon, that mighty city: for in one hour is your judgment come.”**

Verse number 11:

**“And the merchants of the earth shall weep, and mourn over her: for no man shall buy their merchandise any more.”**

Now does that sound like the Vatican? Seriously how can the false prophets claim that the Whore of Babylon is the Vatican? The merchants weep and mourn because no one will buy their merchandise anymore. Well the Vatican is not a big buyer of merchandise. The United States is the biggest importer of goods in the world. Certainly the United States fits that prophecy, and the Vatican, the Catholic Church does not fit. Let's look at the next series of verses which would be verse number 12. And now John describes some of the merchandise. By the way, count the number of items here.

**“Merchandise of gold and silver, and precious stones; and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and all manner of vessels of ivory, and all manner of vessels of precious stone, and of brass, and of iron, and marble.”**

13: **“And cinnamon, and odours, and ointment, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of men.”**

Did you count the number of items? There are four important numbers in End Times Bible prophecy, 4, 7, 12 and 28, and the most common ones are 4, 7 and 12. That's because they are the last numbers in a chronological sequence. The 4<sup>th</sup> week of the month is the last week. The 7<sup>th</sup> day of the week is the last day. The 12<sup>th</sup> month of the year is the last month of the year. 28 is also an End Times number, although not used as often, but it is used and that's because it is the last number in the chronological sequence of a moon cycle. The last day in the moon cycle is the 28<sup>th</sup> day, and if you counted those, there were 28 items.

We also find that in Esther where the decorations in the king's hall back when Vashti was still the queen. I believe there are 28 decorations, so it is used on occasion, and it's used in this case. And again, does any of that sound like the Vatican is a big importer of any of those items? I don't think so, but the United States imports all those items. So let's look at the next verse, and I should mention "the souls of men", that goes along with the United States being the biggest exporter of pornography in the world. That's where "the souls of men" come in in.

Verse 14: **"And the fruits of the desire of thy soul are departed from you, and all fat and goodly things are perished from you, and they shall find them no more at all."**

And this is why we have to go out from Babylon now because these are the plagues. See these plagues: famine, death, and mourning? That's why we have to go out from Babylon. We have to know her locations, and we have to, if not immediately go out from them, we have to have a plan to immediately leave, as I think John Leary says, you have to be ready to leave for your refuges in 20 minutes. And I think now we've looked at all the verses in that section, so let's look at verse number 15:

**"The merchants of these things, who were made rich, shall stand afar off from her, for fear of her torments, weeping and mourning,"**

16: **"And saying: Alas! Alas! that great city, which was clothed with fine linen, and purple, and scarlet, and was gilt with gold, and precious stones, and pearls."**

17: **"For in one hour are so great riches come to nought; and every shipmaster, and all that sail into the lake, and mariners, and as many as work in the sea, stood afar off,"**

18: **"And cried, seeing the place of her burning, saying: What city is like to this great city?"**

That is not the Vatican City. Where are the merchants going to be off in their ships watching the city burning, and moaning because nobody's going to buy that merchandise anymore? What, are they going to be sitting off the coast of Italy? I don't think so. They will be sitting off the coasts of American ports, on the east coast, the west coast, the Gulf of Mexico or any other large ports. That's where the offloading occurs, and if you don't believe me, go down visit those ports and you'll

see all those ships that have “China”, a little label on the side of them. Those are the merchants who will weep and mourn. And it is ludicrous to claim that the Whore of Babylon is the Catholic Church.

Every day when I'm on YouTube, I do a search on Bible prophecy. I like to see what videos have been uploaded, and it was either yesterday or the day before, somebody had uploaded a video about the Whore Babylon as the Catholic Church. I mean it's a huge error, but I don't see as many as I used to. When I first came on here on YouTube back in 2008, and you typed in the “Whore of Babylon”, all the videos said that the Catholic Church was the Whore of Babylon, and that was basically because of Dave Hunt.

I think we have time to go look at the next verses. And, “What city is like to this great city?” And some people say that because Babylon is described as a city, and of course Babylon was a city, therefore it can't be a country like the United States, but actually that's a good indication that it **is** a country, because as I say, you look at the symbolic interpretation first. And I remember Ronald Reagan describing America as, “The shining city on a hill”. And elsewhere in the Book of Revelation, John interchanges cities and countries. For example, he calls Jerusalem. a Sodom and an Egypt. Okay let's look at chapter 18, verse 19.

**“And they cast dust upon their heads and cried,” these are the merchants, “weeping and mourning, saying: Alas! Alas! that great city, wherein all were made rich, that had ships at sea, by reason of her prices: for in one hour she is made desolate.”**

Again, that can't be the Vatican. Notice they say, “Alas! Alas!” I believe that refers to the two nations, Britain and America.

Verse 20: **“Rejoice over her, you heaven, and you holy apostles and prophets, for God has judged your judgment on her.”**

Did you hear that? What should be our attitude when America and Britain are burnt with fire in one hour? We should rejoice. That's got to be hard to explain to people, but that's what Almighty God is telling us. Let me read that again. **“Rejoice over her, you heaven, and you holy apostles and prophets, for God has judged your judgement on her.”**

Verse 21: **“And a mighty angel took up a stone, as it were a great millstone, and cast it into the sea, saying: With such violence as this shall Babylon, that great city, be thrown down, and shall be found no more at all.”**

I think that might be a little bit of exaggeration, “and shall be found no more at all”. She won't be found any more at all, **as she is now**, but actually Babylon is destroyed twice. This first time, Babylon is destroyed, and when I say destroyed, I don't mean completely destroyed, I mean destroyed **as we know it**, at the beginning of Tribulation, but at the end of Tribulation, Babylon is also punished by God at Armageddon.

So let me see, we have a few more verses to go, but I think maybe I will do that tomorrow, because I don't mind stretching out this study of Babylon, because it's very important. We are in Babylon, and we are also some of us, in the Roman Catholic Church, and we have to leave both, but the two are not the same, by any means. And I think we should be ready to leave Babylon at a moment's notice, but as far as leaving the church goes, we leave when we see the abomination of desolation spoken of by Daniel the prophet, standing in the holy place, and that refers to when the Eucharist is made invalid by our current Pope, Cardinal Wormwood.

Okay now I think I will continue this study tomorrow. May God bless all of you and may all of you have a very blessed evening.
