

## Three Bible Prophecies Fulfilled on 9/23

Today is Saturday, September the 30th, and I am celebrating the one-week anniversary of the Great Sign as it appeared in the constellations of Virgo and Leo last week which fulfilled Revelation 12:1 of the **'woman clothed with the Sun, with the moon under her feet, on her head a crown of twelve stars, and she being in labor delivered a man-child and she was in pain to be delivered'**. And since then I've come to realize that there were two other amazing Bible prophecies fulfilled at that same time! First of all, just preceding Revelation 12:1 comes Revelation 11:19, and those three hurricanes, Harvey and Irma and Maria, spelling out the acronym H-I-M, meaning that they came from God, also announced that date of September the 23rd and since then, I don't think we've had any major hurricanes. I mean, Jose was supposed to be a tremendous hurricane but that kind of petered out. All we've had since then are tropical storms. I think that is very significant. Secondly, we had the Sign itself, an amazing fulfillment of Bible prophecy. That Sign occurs only once in all of human history; it is indeed the Great Sign. And the purpose of God pinpointing that date was because on that date another Bible prophecy was fulfilled and that was when those sixty-two Catholic Bible scholars published their **'Filial Correction'** in which they complained to Pope Francis that he was promoting heresy. And thirdly, there was the humble prophecy of the Cleveland Indians; they also marked that day because they lost the twenty-third game in a series in which they set the American League record for consecutive victories. So now, I thought we could go through some of the Scripture that is backing up what I am saying about these three amazing fulfillments of Bible prophecy. First let's look at Revelation 11, verse number 19: **'And the temple of God was opened in heaven and the Ark of his Testament was seen in his temple** (now I haven't figured out where that occurred yet but I think in the weeks and months ahead we will be able to figure it out, with your help, my subscribers) **and an earthquake and lightnings and voices and great hail'**. But what about the 'voices'? I have now come to realize that all of the tens of thousands of videos posted on YouTube since my first video, called Stellarium, which was published a little over six years ago, those were the 'voices' that are mentioned in this verse, verse 19 of chapter 11 of the book of Revelation. Those people, even though their prophecies about it being the Rapture did not occur, they were fulfilling Bible prophecy; they were the 'voices'.

Thus today, we are celebrating not only the Great Sign, and all of these preceding signs, but also the sign of these 62 Catholic Bible scholars who established, in my opinion, the Remnant Catholic Church. They are already under attack; and one of the ways you can tell the good guys is by their enemies. They are being attacked by the media and the Catholic media in particular; the National Catholic Reporter, for example. So now, I want to show you where that is in Bible prophecy; not only the establishment of the remnant Catholic Church but the attacks upon it. Let's read Micah, chapter 5, verse number 1, and I've been reading this chapter quite a bit in the last several months as a tie-in to the Great Sign because they are related: **'Now shall you be laid waste O daughter of the robber.'** The 'robber' in these End Times is the taken over Roman Catholic Church; the 'daughter' is the remnant Catholic Church being established right now by these 62 Catholic Bible scholars. By the way, 6 plus 2 equals 8; I pointed that out before: 8 is the number of new beginnings in prophecy. **'They have laid siege against us** (they are attacking this group of breakaway Catholics who are telling the Pope that he is promoting heresy, which he is, of course) **with a rod shall they strike the cheek of the judge of Israel.'** That has not yet occurred and I believe it refers to the eventual martyrdom of Pope Benedict. Pope Benedict never should have resigned. They said that he was sick, that he couldn't carry out his duties. That was all balderdash! He is healthier now than Pope John Paul II was when he died. Pope John Paul II, in his last year of life, was very much incapacitated, but he never resigned. Pope Benedict, on the other hand, is still active: he is, in fact, our true Pope at the current time.

Both of these prophecies, the prophecy of the Great Sign and the date of the woman in labor and the second prophecy of the establishment of a remnant Catholic Church is also found in this chapter 5 of Micah tying these two events together. Two verses later, in Micah chapter 5, verse number 3: **'Therefore will he give them up even till the time wherein she that travails shall bring forth'**. Thus, both of these prophecies are very near together. Isn't it amazing that God set the sun, and the moon, and the stars, and the planets, and the constellations, and the galaxies in their orbits from the beginning of time for the express purpose of pointing out the publication by these 62 Roman Catholics of the Filial Correction of Pope Francis! It is tremendously significant! Why is it so significant that God designed the universe for that date one week ago today? It is extremely important and we need to understand this. And where do we find elsewhere in

Bible prophecy about this establishment of a remnant Catholic Church? Let's look at Daniel chapter 2, verse number 34: ***'Thus you saw*** (and Daniel is talking to King Nebuchadnezzar and explaining his dream to him) ***till a stone was cut out of a mountain*** (what is the stone; what is the mountain?) ***without hands and it struck the statue upon the feet thereof that were made of iron and clay and broke them in pieces.***' The stone is the same as the 'daughter of the robber', the remnant Catholic Church. The mountain it is cut out from is the 'robber', the Roman Catholic Church. This is the exact same prophecy.

Continuing on in verse 35: ***'but the stone that struck the statue became a great mountain and filled the entire earth.'*** We need to support these 62 Catholic Bible prophecy scholars. They are fulfilling an amazing prophecy and Almighty God verified it by setting the sun, the moon, and the stars in their orbits to mark that date, September 23rd, 2017, because they will need that consolation in these End Times. They will need to know that they are supported by God because they are going to be attacked, as they are already being attacked in the Catholic media, for example, by the National Catholic Reporter. So, in conclusion I am very happy to celebrate today the one week anniversary of the Great Sign, the establishment of the remnant Catholic Church, and the fulfillment of Revelation 11:19; those three great prophecies all fulfilled within the last several weeks. We should be astounded at what Almighty God is doing in these days. And, as I say, we need to support these 62 Bible scholars who have established now the 'stone cut from the mountain'; who have established the 'daughter of the robber'; who have established the remnant Catholic Church. If Almighty God thinks so much of their actions we can think no less!
