

## Jews, Catholics and Donald Trump in Bible Prophecy

This morning I received an interesting email from one of my subscribers, John B, and he said yesterday's triumph by the New England Patriots in the Super Bowl was a verification of Donald Trump's amazing victory in this last presidential election and, sure enough, both came from behind to score stunning victories. So, thanks, John, for that very good observation. And speaking of Mr. Donald Trump, it's beginning to look more and more as if he is prefigured by King Cyrus in a 2700 year old prophecy from the great prophet Isaiah in his End Times chapter, chapter number 45. Isaiah rearranged the verses so that we could understand the prophecy for the times that we are living in.

Let's take a look at his chart in which he rearranged the verses

and we've already looked at the first four lines and on this program I want to look at verse number 15 which I think is a key to understanding one of Donald Trump's two major characteristics and those are: number one, that God is going to direct him and number two, he does not know God. The first two verses on the chart which sum up these two main characteristics of Donald Trump are, verse number 1: ***'Thus says the Lord to my anointed Cyrus (standing in for Donald Trump) whose right hand I have taken hold of.'*** And the second characteristic, verse number 5: ***'I am the lord and there is none else: there is no God besides me; I girded you though you have not known me.'*** And we know that's an important phrase because God repeats it twice in both verse number 4 and verse number 5. And now, let's take a look at the key verse, verse number 15 which explains this aspect of Trump's personality, verse 15: ***'Verily you are a hidden God, the God of Israel, the Savior.'*** Notice, by the way, there are three elements in this verse: the hidden God, the God of Israel and, number three, the Savior. This is a reference back to Genesis 3:15 where we find that Mary will crush the head of the serpent. But now, the question is: does this verse number 15 contradict another verse, a previous verse on the chart, and that is verse number 19. Let's look at this because no Bible scholar has ever questioned this amazing contradiction: ***'I have not spoken in secret, in a dark place of the earth: I have not said to the seed of Jacob seek me in vain. I am***

***the lord that speak justice and declare right things.*** Notice by the way, there are five elements in this verse, another Marian number.

So how do we reconcile these two opposing statements? Is God 'not secret' or is He 'hidden'? Here are some clues. Let's take a look, for example, at verse 19, where God says that he has not spoken in secret to the 'seed of Jacob' whereas in verse number 15 Isaiah says the God of Israel is a hidden God. So, one of these passages refers to Jacob the other to Israel and, as I have said before, Jacob and Israel represent two different entities in this chapter number 45. Another important difference is that verse number 15 is spoken by the Prophet whereas verse number 19 is spoken by God Himself. And like all the other verses in chapter 45 of Isaiah, these two verses refer to Donald Trump. The God of Israel is the God who is hidden from Donald Trump but not the God of Jacob. So, who is this God of Israel whom Donald Trump does not know?

Let's look at verse number four again: ***'For the sake of my servant Jacob, and Israel my elect...'*** So, these two adjectives are the keywords in understanding both Israel and Jacob, as I have told you before. In Matthew's Olivet Discourse, Jesus tells his angels to ***'gather his elect from under the four winds, from one end of heaven to the other'***. His 'elect' under the four winds are the Protected Catholics who have been scattered into the desert while those in one end of heaven are the Raptured Protestants and those in the other end of heaven are the Holy Martyrs. So, this God of Israel, which is the remnant Catholic Church, is the God who is hidden from Donald Trump whereas the God of Jacob is not hidden from Donald Trump and I think we see this verified in his advisors. Many of his cabinet picks and his close advisers are Jewish and, of course, the most obvious example is Jared Kushner who married Donald Trump's daughter, Ivanka, who herself has converted to Judaism.

Thus we see another verification in Donald Trump's presidency where he is verifying that he is indeed prefigured by King Cyrus in this chapter number 45. This key verse, number 15, in Isaiah 45, is very similar to the key verse in Jeremiah 23 and I did a program previously on this. Verse number 15, Jeremiah 23: ***'Therefore thus says the Lord of hosts to the prophets*** ('prophet' is his key word for the false Protestant prophets) ***behold I will feed them with wormwood*** (remember, this is the false Catholic prophet and that would be Pope Francis) ***and I will give them gall to drink: for from the prophets of***

**Jerusalem** (false Jewish prophets) **corruption has gone forth into all the land**'. Thus Jeremiah is talking about three religions, Catholic, Jewish and Protestant and, by the way, notice those three elements in Jeremiah 15, which is also a reference back to Genesis 3:15, and there are three religions here in Isaiah 45: the God of Israel, which refers to the remnant Catholics, the God of Jacob, which refers to the remnant Jews and Donald Trump's religion, which is Protestant, the same three religions.

But, don't forget, Isaiah says Donald Trump does not know God. As I have said previously on this program, however, Donald Trump is going to convert; he is going to know the God of Israel, the God of the remnant Catholics. Let's take a look again at verse number 3 of chapter 45: **'And I will give you hidden treasures and the concealed riches of secret places that you may know that I am the Lord who call you by your name, the God of Israel.'** That is the One who is calling Donald Trump and he is going to know when he has been given these riches and I think this is a reference to Donald Trump cutting off funds to Planned Parenthood. Nothing will establish Donald Trump as a Catholic more than to cut off funds for legalized abortion.

As I was doing this video I came to understand that the term 'hidden treasures' also has a spiritual meaning and it refers to the hidden God of Israel. Donald Trump is going to learn about the hidden treasures of the End Times Catholic Church and by the way, I want to add here that, of course, I fully understand that the God of Israel is the same as the God of Jacob. However, Donald Trump understands God as found in the Old Testament, the God of Jacob, but not as found in the New Testament, the God of Israel; the God of the remnant Catholic Church in these End Times. So, we see that this humble verse number 15, which has only three small elements, explains one of the most important characteristics of Donald Trump and that is, he currently does not know God because he is a practicing Protestant and he has many Jewish advisors, but he is going to know the God of Israel, the God of the remnant Catholic Church when he is given its **'hidden treasures and concealed riches'**.
