

Religious Conflict in Donald Trump Prophecy

I believe this will be my last program in a series on the amazing End Times prophecies as found in Isaiah's chapter number 45, in which King Cyrus is a prefigure of our new president, Mr. Donald J Trump. Now I know, some of you may disagree with me; on my previous programs you've said 'you're wrong' but none of you have mentioned anyone who fulfills the prophecy as well as Donald Trump; so, before you say 'you're wrong', come up with your solution: who do you think King Cyrus is prefiguring?

We've already looked at most of the verses on Isaiah's chapter 45 End Times chart and on this program I want to look at the last four verses, that would be 21, 26, 10 and 16 and they are related and once again they talk about Donald Trump's religion because God says he does not know Him. Donald Trump's religion is blinding him even though God says that he's going to guide his right hand. And I have suggested several times on this program that Donald Trump is going to convert to Catholicism, and I believe Isaiah predicts that.

So first, let's look at verse number 21: ***'Tell you and come and consult together: who has declared this from the beginning who has foretold this from that time?'*** In other words who has made this amazing prophecy about Donald Trump from the beginning, at least for us, 2700 years ago. Obviously this is a very significant End Times prophecy. ***'Have not I the Lord (he is the one who has made this prophesy) and there is no God else besides me? A just God and a savior, there is none besides me.'***

And verse number 26: ***'In the Lord shall all the seed of Israel be justified and praised'***. Now, I've discussed quite a few times on this program that 'Israel' is a code word and it represents the End Times remnant Catholic Church and we know this because elsewhere in this chapter 45, Isaiah refers to Israel as the 'elect of Israel' (verse 4) and that term 'elect' is found many times in End Times prophecy as a code word for the remnant Catholic Church; for example: ***'They will gather my elect from under the four winds'*** (Matthew 24:31). That refers to Jesus sending his angels to gather the scattered Catholics for Armageddon. In Revelation the angel says: ***'And they that are with him are called, elect and faithful'*** (Revelation 17:14). 'Elect', in this case, also refers to the Protected Catholics. The 'called' refers to the

Raptured Protestants and the 'faithful' represents the Holy Martyrs. So, if we understand these code words, the term 'Israel' can only mean the remnant Catholic Church and this is what Donald Trump is going to convert to.

And verse number 10: **'Woe to him that says to his father: why beget you? and to the woman: why do you bring forth?'** This is in contrast to the previous verse, verse 26, where the seed of Israel, that is the Catholics, shall be justified and praised. These people are not to be justified and praised. But who are they? Well they are obviously people who practice contraception and who would that be if not Protestants? I challenge you, who else could Isaiah be prophesying about? In other words, not only contraception but sterilization and abortion; and the abortionists in this country all hate Donald Trump because he promised to do away with funding for that abomination. So, verse 10 is a very strong contrast to the previous verse, verse 26. And the next verse, verse 16: **'They are all confounded and ashamed.'** Who are they? Well, this refers back to verse number 10, the ones who said woe to their father and their mother for begetting children. In other words, they are Protestants, as far as I can see, who practice contraception, sterilization and abortion. This is the group that Donald Trump is going to be converted away from.

'The forgers of error are gone together into confusion.' Now, some Bibles, instead of saying 'forgers of error' say 'those who create idols'. I believe that, in this case, 'forgers of error' is better; that's the Latin Vulgate, because this is both a near time prophecy and an End Times prophecy. It is being fulfilled these times that we are in; and the 'forgers of error' are those who are confounded and ashamed, the ones who practice contraception and abortion, those who deny that the father or the mother should have children. And this refers in our time to people like Barack Obama and Hillary Clinton and all of the other liberal Democrats and even some liberal Republicans, like the Bushes and all of these recent Presidents who support funding for Planned Parenthood. That's been going on for decades. Donald Trump has promised to change that and when he does, Isaiah says that is when he will become a Catholic. And that concludes my series; if you have any doubts or questions please express them, I will try to answer them. And especially, don't just say 'you are wrong'; try to come up with your alternative, who do you think King Cyrus is prefiguring? I believe this chapter number 45, by Isaiah, is a prophecy about our President number 45.
