

## Who Really Discovered the Revelation 12 Sign?

I am doing this video as a response to Scott Clarke who is claiming that he discovered the Revelation 12 sign and just recently, several of his cronies posted videos supporting him on this claim and all three of them are false; they are false prophets of the End Times. And Jesus warned: He said in the End Times there would be many false prophets coming in his name, in other words, claiming to be Christian. And I just want to remind you what this Revelation 12 sign is; it will occur this fall on September 23rd and it not only fulfills the Revelation 12 sign but also the Genesis 3:15 prophecy in the book of Genesis.

### ***The Great Sign of 23rd Sept 2017***

*Mary, the woman in Revelation 12 is seen here depicted in the sign Virgo; "And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars".*

*At the same time, Mary, is seen also crushing the head of the serpent (Serpens Caput) as foretold in Genesis 3:15: "she shall crush thy head". (Douay-Rheims Bible)*

And this controversy started with a post to me from TheRocketMan8888; he advised me of this situation, which it is very important to correct, on who really discovered this Revelation 12 sign.

Here's what he wrote to me: ***'thirdeaglebooks, please let people know that you uploaded this important video on the Revelation 12 sign on April the 7th, 2011. Please post this fact in the comments section of the Scott Clarke YouTube channel on video titled 'The Passover Moon Sign/ Three Epic Heavenly Signs of 2017' and on the Jerry Toney YouTube channel on a video titled 'Who Discovered the Revelation 12 Sign'. As I say, 'Kingdoms Builder', a third channel, has also posted a video supporting Scott Clarke's claim that he was the first'.***

And I responded to TheRocketMan, I said: ***'Thanks for the alert; I posted my response on Toney's video.'*** And here is what I commented on his video: ***'For your info, and as the HumbleHorse pointed out below in the comment section, I discovered the Revelation 12 sign more than six years ago, before Clarke or anyone else. Here is the link to the first video posted about the Revelation sign here on YouTube'*** and I provided a link to my video 'Stellarium' and I will put a link below also.

***<https://www.youtube.com/watch?v=W5ZTvwago38>***

And here's what I said to RocketMan: ***'Thanks for the alert etc'*** and here's what RocketMan said, ***'This was my posting to that Jerry Toney video that is blocked from public viewing, as is your posting now also.'*** So Jerry Toney deleted my comment, the HumbleHorse's comment and the RocketMan's comment. These people have something to hide.

And here's what the RocketMan said he wrote on Scott Clarke's video, ***'This Revelation 12 sign was found on April 7th, 2011, on the thirdeaglebooks YouTube channel, please watch his video titled Stellarium.'*** And as I said, Scott Clarke is going to delete all of our comments as are his two cronies. And here's what TheRocketMan said: ***'After my post was censored, I posted on the Scott Clarke YouTube channel on video titled 'The Passover Sign Three Epic Heavenly Signs of 2017'. Scott Clarke also ended up blocking my comments from public view'.***

These people obviously have something to hide. Please see the exchange below. So now, this is very interesting listen to what Scott Clarke responded to RocketMan to try to justify his claim: ***'The discovery was posted online in text and photo form before any videos were made. He thinks he is God's Co Prophet and the Third Eagle of the Apocalypse. Consider the source.'***

So Scott, instead of responding, attacked me. That's a sure sign of someone who is not telling the truth. And the RocketMan followed up with a logical question: ***'Scotty, please provide a date and links.'*** Scott Clarke said: ***'I am not part of those forums any longer and cannot get in but there is an old video in my Signs in the Heavens playlist. In the end you can believe whatever you like. I have told the story of discovery countless times over the years and have stuck with the research as I have been led. Let this not become a point of contention.'*** And the RocketMan repeated: ***'Scotty, please provide the title of your old video in your Signs in the Heavens playlist and the name of the forums with links you are referring to.'***

Well, Scott Clarke blocked RocketMan and the reason is because he cannot provide any answers to those questions. And my final comment to RocketMan was: ***'Thanks for pursuing the truth. I think you had honest questions that he could not answer so he blocked you instead.'*** So that's my update to you my subscribers; that's what's going on about this controversy. It's important, as I say, to determine who really discovered this Revelation 12 Sign and also Genesis 3:15 sign because my interpretations are valid but the false prophets are not going to give you true interpretation.
