

Did Kim Clement Prophecy Nuclear War on America?

The title for this program is: **'Did Kim Clement Prophecy Nuclear War on America?'** And he gave this fascinating prophecy on March 25th, 2011, which is the Feast of the Annunciation in the Catholic Church and I don't think Kim Clement even understood the significance of that date although this prophecy is all about the Blessed Virgin Mary.

And what I have discovered is that his prophecy is Apocalyptic Literature, and this was a stunning revelation to me. For many years I assumed that the only Apocalyptic Literature was found in the Bible. Four or five years ago I discovered that the prophecy which Mary gave at La Salette to the two Shepherd children, Melanie Calvat and Maximin Giraud, is also Apocalyptic Literature. But until just a few weeks ago, I had never dreamed that a Protestant could even give Apocalyptic Literature. But that all changed when

I rediscovered this prophecy. I did a video on it several years ago and I pointed out that the woman who restores America, according to this prophecy, is the Blessed Virgin Mary and I wanted to do a follow-up. And as I read through it I realized there was a whole lot more to this prophecy than I had understood before. And it's very interesting that the person who brings restoration to America is not Jesus, nor is it the Church; it is the Blessed Virgin Mary, and that coincides with End Times Bible prophecy because it is Mary, way back in Genesis 3:15, who crushes the head of the serpent.

HERMENEUTIC RULES for APOCALYPTIC LITERATURE

- 1) Symbolic interpretation takes precedence over literal interpretation**
- 2) Sacred numerology is always very important**
- 3) Mary's End Times role is usually acknowledged**
- 4) Co Prophet is necessary**

Now, Apocalyptic Literature has its own rules and it's quite unusual, even in the Bible. For example, of Daniel, only the last six chapters (7 to 12) are Apocalyptic Literature. In the book of Revelation, only chapters 6 through 20 are Apocalyptic Literature. The last three chapters of Zachariah are Apocalyptic Literature. Matthew 24 and 25 are Apocalyptic Literature. And there's certain hermeneutic rules

you have to follow to interpret this type of prophecy. For one thing, the symbolic interpretation always takes precedence over the literal

interpretation. Sacred numerology is always extremely important. Mary's role in these End Times is usually emphasized. And maybe, most importantly, you need a co-prophet; that's because Apocalyptic Literature is a work of the Holy Spirit and the Holy Spirit always requires two people. For example, having a child takes a man and a woman. For example, speaking in tongues: Saint Paul said that **'speaking in tongues has no edification for the church unless there is someone to interpret'**. It takes both the person speaking in tongues and it requires someone to interpret. And Apocalyptic Literature in the Bible is the exact same way; it takes two people: a prophet, in this case Kim Clement, and a co-prophet, in this case, yours truly.

And I'm not saying I'm the only co-prophet; I am sure there are many co prophets but it is my duty at this point to explain the prophecy which Kim Clement give on March 25th, 2011. So, the first thing I did was to break this prophecy down into sentences; in other words, there are 3 chapters and there are 15 sentences or verses; and of course, that's a reference to Genesis 3:15.

KIM CLEMENT PROPHECY

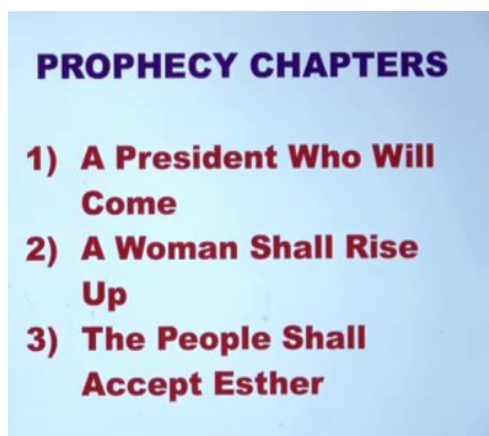

25th March 2011

- 1 There is a **president who will come**. And God says he will have absolutely no fear, absolutely no fear. Will be decisive, make decisions.
- 2 And then in the **middle of the restoration** of America - rapidly because of a source of energy that shall come, quickly, because of medical breakthroughs, and because of agreements between nations, specifically China.
- 3 God said, they shall say, 'we never dreamed this would happen. They said that this in Japan would never happen'.
- 4 God says, listen to me. At the **beginning of the restoration**, as it begins, there shall be a woman that shall rise up. A woman that shall be strong in faith; virtuous. Beautiful in eyes and her eyes shall be so beautiful. Her eyes shall be round and big.
- 5 I have crowned her says the Lord, as I crowned Esther and the people shall receive her,
- 6 For she shall have the oil of gladness for the pain and the mourning that has taken place, and she shall pour out the oil. She shall pour out the oil on this nation.
- 7 And God says, **healing shall begin** and then it shall flow rapidly. Schools will be free from potential damage and danger, shootings and murder, drug addiction.
- 8 Cartels shall be afraid of a woman - a woman anointed by God; a woman set aside. And God says, they will say 'we hated her, but now we love her.'
- 9 For she shall take the oil of healing and she shall pour upon the scars of those left and those right and of the new party that has come forth and emerged where they shall say, 'Christ will reign and we shall not implement at all socialism.'
- 10 Where they have said, 'we will make history without God.' No you will not. No you will not, says the Lord.
- 11 For I chose this nation before it was founded, before anybody came here, I chose this entire nation- all 50 states, every one of them, to send my gospel to the entire earth. Do you think I have changed my mind?
- 12 Therefore, the healing that is necessary for this nation shall come at a time in the **middle of the presidency**.
- 13 There shall be a woman that shall come and God said there shall be oil that shall be poured upon the nation and they shall suddenly feel the healing and they shall say, 'it is well with my soul, it is well with our soul.'
- 14 For the soul of America has been corrupted; the soul of this nation has been corrupted with bitterness and anger. And God said, she shall say, 'no more bitterness, no more anger, no more division.'
- 15 And she'll pour the oil that shall come from the spirit of the Lord Himself. If you as a nation believe it, if you want this, lift your voice and shout one more time and say yes! Yes to Esther!
Yes to Esther! **(15 times)**

Let's take a look at these verses and I want you to look at verse 2, and I have put in red the **'middle of the restoration'**; that is a timestamp. And there are quite a few very important timestamps in this prophecy. Look at verse 4 where Clement talks about the **'beginning of the restoration'**. Obviously, that is not in chronological order because the **'beginning of the restoration'** in verse 4 must come before the **'middle of the restoration'** in verse 2. In fact, we'll find that verse 2 should come at the very end of this prophecy.

Let's continue looking at this prophecy and you'll see another timestamp in verse number 12, the **'middle of the presidency'**. The **'middle of the presidency'** also should come before the **'middle of the restoration'**. The next thing I did was to rearrange all 15 verses so that they make chronological sense and I came up with 3 different chapters. The first chapter is: **'A President Will Come'**. The second chapter is: **'A Woman Shall Rise Up'**. And the third chapter is: **'The People Shall Accept Esther.'** Now, those titles, I did not make up, they are all taken from the passage itself.

First, let's look at verse number 1 of our new rearranged verse

sequence: **'There is a president who will come.'** And I gave the dates for that as 2016 and 2017, because that's when President Donald Trump was elected and inaugurated. **'And God says he will have absolutely no fear, absolutely no fear, will be decisive and make decisions.'** By the way, I'll put a link to Kim Clement's original prophecy and you can hear the words that he emphasizes.

<https://www.youtube.com/watch?v=LiKIn1REnxQ>

And I'm not going to try to imitate him but he does a wonderful job of presenting this prophecy, although as I say, I don't think even he understood it.

A PRESIDENT WILL COME

1 There is a **president who will come (2016-17)**. And God says he will have absolutely no fear, absolutely no fear. Will be decisive, make decisions.

11 For I chose this nation before it was founded, before anybody came here, I chose this entire nation - all 50 states, every one of them, to send my gospel to the entire earth. Do you think I have changed my mind?

10 Where they have said, 'we will make history without God.' No you will not. No you will not, says the Lord.

3 God said, they shall say, 'we never dreamed this would happen. They said that this in Japan would never happen'.

12 Therefore, the healing that is necessary for this nation shall come at a time in the **middle of the presidency (2020-21)**.

There's no doubt that President Donald Trump fulfills this verse number 1; he is the President **'who has no fear and will be decisive.'** Did you hear his State of the Union Speech? Very significant! Let's look at verse number 11, which is the new 2nd verse: **'For I chose this nation before it was founded** (God chose this nation of the United States) **before anybody came here, I chose this entire nation, all 50 states, every one of them, to send my gospel to the entire earth. Do you think I have changed my mind?'** Now, what's significant about verse number 11? What's significant is that he emphasizes three times: the **'entire nation'**, **'50 states'** and **'every one of them'**. Really, to get the message across, all he needed was one of those expressions. He gives it three expressions because that gives it a divine emphasis. And he is emphasizing that number 50. I told you that numerology is very important in understanding Apocalyptic Literature.

And what is the significance of the number 50? Well, we know in the Bible that 50 refers, for example, to Pentecost (the Holy Spirit, in other words) which occurred 50 days after Christ's Resurrection. We know that 50 also refers to the Jubilee years in Israel's history. In this case, I believe 50 refers to the book of Esther, because, as we will find out, Kim Clement calls the woman 'Esther'. I should say the Holy Spirit calls her 'Esther' through Kim Clement. 50 is found in the book of Esther as the height of the scaffold that hangs Haman and Haman is a pre figure of the Antichrist; very significant! And I'm sure that's why this number 50 is in Kim Clement's prophecy. Thus, the 50 cubit high scaffold indicates how the Antichrist is going to be defeated through Mary's Rosary because there are 50 Hail Mary's in a complete five decade Rosary. Notice once again, it is not Jesus who defeats Haman, it is not the church that defeats Haman, it is Esther who defeats Haman. I should say that, actually it is King Ahasuerus who orders the hanging of Haman but the 50 cubit high scaffold tells us how he will be defeated. And there is never any physical contact between King Ahasuerus and Haman but there is between Esther and Haman because Esther prefigures Mary and that's true throughout all of Scripture.

You will never find any physical contact in the Bible between Jesus and the Antichrist or a pre figure of the Antichrist. The physical contact is always between the Woman and the prefigure of the Antichrist; for example Jael and Sisera. Jael drives a tent peg through Sisera's forehead and Queen Deborah calls Jael **'blessed among women of**

the tent'. That prefigures Mary's title of **'blessed among women'**. Look at Judith and Holofernes; the physical contact is between the Woman and the prefigure of the Antichrist. Or look at Esther and Haman in this book of Esther; there is specific physical contact between Esther and Haman but not between King Ahasuerus and Haman. This is very important to understand in these End Times. It's just like when King David defeated Goliath, he chose five smooth pebbles when he only needed one. That one pebble is what put the dent in Goliath's forehead. David prefigures Jesus, just as King Ahasuerus does, but the weapon is Mary's Rosary. And next, verse number 10: **'Where they have said, 'we will make history without God. No you will not, no you will not, says the Lord.'** Notice, by the way, how verse 10 follows verse number 11 much better than the other way around. And who is the 'they' in this passage. The 'they' are the Illuminati, the Deep State, the elites, whatever you want to call them; they are the far left. They are the Socialists in this country and they are the ones who are trying to make history without God. And Donald Trump, at his rally last night, just like at the State of the Union, says this country will never be Socialist; which is, by the way, totally consistent with this prophecy from Kim Clement.

Let's look at verse number 3: **'God said they shall say we never dreamed that this would happen.'** Who is the 'they say'? Again the 'they say' is the Deep State or the Socialists; the ones who actually run this country, the ones who have most of the power, even though Donald Trump is President. **'They said that this in Japan would never happen.'** Now, what is the significance of that? Well, what happened in Japan as opposed to every other country in the world? The only thing that sets Japan apart from all other nations is that it suffered an atomic attack; in other words, nuclear warfare. That's why these two sentences are connected: because we are going to suffer a nuclear attack also! That is what Kim Clement is prophesying here; that's what we have to prepare for. That's why we have to pray Mary's Rosary. This is the weapon that will defeat the Antichrist and the forces of the Antichrist. That's the battle that we are talking about here. If you can think of something else I would be happy to hear it because I don't want to predict a nuclear attack, but I can't think of what else the Holy Spirit's reference to Japan would mean? It has to mean that we are going to suffer the same fate.

Let's look at verse 12: **'Therefore, the healing that is necessary for this nation shall come at a time in the middle of the**

presidency.' Now, I put a date for that as 2020 to 2021. It can't be that Donald Trump will serve just one term because we've already gone past the midpoint of the first term. It must be that Donald Trump will serve a two-term presidency. That means that the **'middle of the presidency'** would be 2020 to 2021, approximately. If that is the time for healing then the nuclear war must occur before then. Kim Clement is not only saying that we are going to suffer a nuclear attack, like Japan, but that it will occur within the next 18 or 20 months. He is giving us a time frame. Does this mean, for example, that Donald Trump will survive the nuclear attack? I would say so. If the presidency continues into the restoration is it possible that nuclear war would cancel the 2020 elections? That's also very possible. Let's summarize this first chapter: we realize that God determines the history of America, not what the Socialists say determines our history. God chose our president, Donald Trump. And lastly, get ready for nuclear war. So, the first chapter is all about Donald Trump and his presidency.

The next two chapters are about the healing and the restoration that comes about through the Blessed Virgin Mary. And I call this chapter: **'A Woman Shall Rise Up'**.

A WOMAN SHALL RISE UP

4 God says, listen to me. At the **beginning of the restoration (2020-21)**, as it begins, there shall be a woman that shall rise up. A woman that shall be strong in faith; virtuous. Beautiful in eyes and her eyes shall be so beautiful. Her eyes shall be round and big.

13 There shall be a woman that shall come and God said there shall be oil that shall be poured upon the nation and they shall suddenly feel the healing and they shall say, 'it is well with my soul, it is well with our soul.'

6 For she shall have the oil of gladness for the pain and the mourning that has taken place, and she shall pour out the oil on this nation.

14 For the soul of America has been corrupted; the soul of this nation has been corrupted with bitterness and anger. And God said, she shall say, 'no more bitterness, no more anger, no more division.'

8 Cartels shall be afraid of a woman - a woman anointed by God; a woman set aside. And God says, they will say 'we hated her, but now we love her.'

Verse number 4: **'God says, listen to me. At the beginning of the restoration** (that's the same as the last verse which was the 'middle of the presidency'; remember, the 'middle of the presidency' is the same as the 'beginning of the restoration', the same timeframe, November 2020 to January 2021, that would be the 'middle of the presidency' and the 'beginning of the restoration') **as it begins, there shall be a woman that shall rise up; a woman that is strong in faith, virtuous, beautiful in eyes, and her eyes shall be so beautiful, her eyes shall be round and big.'** But now, who is this woman that shall rise up? I'm going to suggest that this is the same woman who appeared to George Washington at Valley Forge, and that woman had to be Mary. He describes her as a **'singularly beautiful female'**. Thus this description that Kim Clement gives of her as being beautiful is the same that George Washington gave to the woman who visited him.

But, why does Kim Clement say that her eyes are big and round? In my previous video I said I didn't think this could be our Lady of Guadalupe but looking again at Our Lady of Guadalupe; she does have big eyes and they are round. It's the opening in the eyes that is not large. So I think it is very likely that Our Lady of Guadalupe is the specific manifestation of the woman that Kim Clement is talking about. But why would the Holy Spirit, through Kim Clement, tell us that her eyes were big and round? I think it's to make sure that we don't confuse

this woman with, for example, someone like Melania Trump.

Melania's eyes are not big, they are not round; they are more almond shaped. As I was doing research for this program I found out that those are not her natural eyes. She has gone through plastic surgery. They have given her what they call 'cat's eyes'. Supposedly, that makes her more attractive and it does make her attractive. It sets her apart from other women. But it shows that she for one does not satisfy this requirement. Some people say it might be a Ivanka Trump because she does have larger eyes and they are rounder. We'll see in a minute why it can't be Ivanka Trump either.

Let's look at verse 13: ***'There shall be a woman that shall come and God said there shall be oil that shall be poured upon the nation and they shall suddenly feel the healing and they shall say, it is well with my soul, it is well with our soul'***. So, this must be a spiritual healing that comes upon this country. Notice again, it is not Jesus who brings about the spiritual healing. It is not the Church; it is the Blessed Virgin Mary, it is this Woman. Mary's role in these End Times is very significant. Jesus is the Commander-in-Chief, as I often say, but Mary is his Five-star General. Who can this Woman possibly be if not Mary?

Let's look at verse 6: ***'For she shall have the oil of gladness for the pain and the mourning that has taken place, and she shall pour out the oil and she shall pour out the oil on this nation.'*** 'Pain and mourning' refers to nuclear war and 'mourning' can only refer to bloodshed. Let's look at verse 14: ***'For the soul of America has been corrupted; the soul of this nation has been corrupted with bitterness and anger. And God said, She shall say, no more bitterness, no more anger, no more division.'*** If you want to see 'bitterness and anger' take a look at the video of the Women's March here on YouTube. In this verse, Mary is laying down the law; did you notice that? Listen to Kim Clement's original prophecy, and he emphasizes that phrase: 'no more bitterness no more anger' and that's why this next verse, verse number 8, follows verse 14 much better, because it says: ***'Cartels shall be afraid of a woman, a woman anointed by God, a woman set aside.'*** Only Mary fulfills that prophecy. ***'And God says they will say we hated her but now we love her.'*** That's got to be Mary. People don't hate Esther, for example. They don't hate Ivanka Trump, they don't hate Melania Trump. However, very few Protestant congregations in this nation give Mary the honor that is due to her as the mother of Jesus. So now, let's move on and do a summary of this second chapter, number 2: Kim Clement introduces us to the Woman and the conclusion is that before 'we hated her but now we love her'.

So next, Kim Clement becomes much more specific in chapter number 3 which I call: ***'The People Shall Receive Esther'***, who is a pre figure of Mary. And this is a continuation of verse number 8 which said ***'we hated her but now we love her'***, and now they will receive Esther: ***'I have crowned her says the Lord as I crowned Esther and the people shall receive her.'*** This is Protestant America which is going to receive Mary and understand her role in these End Times.

THE PEOPLE SHALL RECEIVE ESTHER (MARY)

5 I have crowned her says the Lord, as I crowned Esther and the people shall receive her.

9 For she shall take the oil of healing and she shall pour it upon the scars of those left and those right and of the new party that has come forth and emerged where they shall say, 'Christ will reign and we shall not implement at all socialism.'

7 And God says, **healing shall begin (2020-21)** and then it shall flow rapidly. Schools will be free from potential damage and danger, shootings and murder, drug addiction.

2 And then in the **middle of the restoration (2022-23)** of America - rapidly because of a source of energy that shall come, quickly, because of medical breakthroughs, and because of agreements between nations, specifically China.

15 And she'll pour the oil that shall come from the spirit of the Lord Himself. If you as a nation believe it, if you want this, lift your voice and shout one more time and say **yes! Yes to Esther! (Yes to Esther! 15 times)**

Notice, God does not say in this passage I WILL crown her. This woman has already been crowned. That's why it can't be Melania Trump or Ivanka Trump or any other living woman; it has to be someone that God has already crowned. That's very important: the past tense. So, who has God already crowned? Well, if you read chapter 12 in the book of Revelation you will see a Woman in heaven with a crown of 12 stars on her head; that refers to Mary. Queen Esther is a prefiguring of Mary's role in these End Times. By the way, that verifies what I have said all along about who King Ahasuerus symbolizes. For more than 2,000 years Bible scholars have said that God does not appear in the book of Esther and I have said, yes God does appear in the book of Esther if you understand symbolism. King Ahasuerus symbolizes God And in this amazing prophecy from Kim Clement, God is saying, I crowned Esther, whereas in the book of Esther, it's King Ahasuerus who crowns Esther. That means that King Ahasuerus is a stand-in for Almighty God, which is what I have been saying all along. That also tells us that Esther must be a stand-in for someone also, and of course, she is: she's a stand-in for Mary.

Verse number 9: ***'For she shall take the oil of healing and she shall pour it upon the scars of those left and those right and of the new party that has come forth and emerged where they shall say Christ will reign and we shall not implement at all socialism.'*** So now, is Kim Clement prophesying here a civil war? In other words, the left versus the right; will we have a nuclear war plus a civil war? And I think that's exactly what the elites want, that's what the Deep State wants. They want all kinds of war and that's what they're going to get. They don't think it will lead to nuclear war but it will lead to that type of war on Japan just as Kim Clement prophesied earlier. But it's interesting that the right must win this war because as the prophecy says 'we shall not implement at all socialism'.

So, the 'new party' which Kim Clement is prophesying about here, the Holy Spirit through Kim Clement, even though it may not be Democrat or Republican, it's certainly not going to be socialist. And let's look at verse number 7: ***'And God says healing shall begin*** (now, that's another timestamp; that's when it begins, 2020 to 2021) ***and then it shall flow rapidly.'*** This is a little different timestamp. In other words, the 'flowing rapidly' is not the same as when it begins. ***'Schools will be free from potential damage and danger, shootings and murder, drug addiction.'*** Thus, the healing begins in the 'middle of the

presidency', that would be 2020-2021, roughly in that timeframe, and that's the same as the 'beginning of the restoration'. Then in the next phase it 'flows rapidly'; that would be the 'middle of the restoration' and that would be approximately 2022-2023. I'm not sure exactly on that since the restoration may last 10 or more years; if it does, then the middle of the restoration would be a little bit later than 2022.

Verse number 2 (now we finally get to verse number 2; remember we had to move that because chronologically it was out of place but here's where it comes, just before the last verse): **'And then in the middle of the restoration (2022 approximately) of America, rapidly because of a source of energy that shall come, quickly, because of medical breakthroughs, and because of agreements between nations, specifically China.'** It's very possible that China will have a big role in this nuclear attack against America. And this is the last of the timestamps 'the middle of the restoration'. As I say, we don't know exactly when that will be.

And now, we come to a final verse, verse number 15: **'And she'll pour the oil that shall come from the Spirit of the Lord Himself. If you as a nation believe it, if you want this, lift your voice and shout one more time and say yes, yes to Esther! Yes to Esther!'** And Kim Clement shouts this out 15 times, as you can see if you watch his original video. How many times does he shout out 'Yes to Esther'? Well, if you guessed 15 times you would be correct. That's not accidental, people. The number of verses is 15 verses; the number of times he shouts out 'Yes to Esther' is 15 times. There are 3 chapters; that's all a reference to Genesis 3:15. Those are all Rosary numbers. Take up your battle beads, people. This is how we are going to defeat the Antichrist when he comes to this country. So don't guess that Kim Clement actually counted out the number of times: he was guided by the Holy Spirit.

And it would be interesting to speculate: did Kim Clement understand his prophecy, and I really don't think so. Neither he nor anyone else noted that this prophecy was given on the Feast of the Annunciation, March 25th, which is nine months before December 25th: that's when the angel Gabriel announced to Mary that she was to be the mother of our Savior. And Daniel did not understand his prophecies. He asked the angel and the angel gave him the near time explanation but at the end of the prophecy, Daniel said 'no one understood' even though the angel had just explained it to him; but he understood that the angel had

not told him everything. And the angel finally says: '**Go your way, Daniel, the prophecy is for another time**', in other words, for the End Times. Now, Kim Clement received this prophecy in 2011 but it was not for that time; it's for this time, it's for 2019, this year; that's when this prophecy will begin to be much more obvious. And it could be that the nuclear war will break out this year. So don't be surprised.

Are you ready for a nuclear war? Go to the FEMA website; even FEMA tells you that you should be prepared for living at least three weeks off-grid. Are you aware, for example, that the United States and Russia have abrogated their missile treaty? That's not accidental. All these things are coming to fruition this year, in my opinion. And if you would like to learn how to take up your weapon, the battle beads, against the Antichrist, visit my channel every day at 10 a.m. and 5 p.m. Eastern Standard Time. We pray the Rosary specifically for Donald Trump and for this country. No soldier wants to go on the battlefield without being totally familiar with his weapon. And that's what Almighty God is telling us through this Kim Clement prophecy. The numerology is very significant, as I said at the beginning. It symbolizes Mary's Rosary. The symbolic interpretation takes precedence over the literal. That's why we know that Esther symbolizes Mary, just as King Ahasuerus symbolizes Almighty God. And you need a co-prophet; you need someone to explain it. No one has explained this prophecy before. That's my calling. And I'm not saying that I'm by any means greater than the prophet; it just takes two people to explain an End Times Apocalyptic prophecy.

So in conclusion, I hope you take Kim Clement's prophecy to heart; it's very significant. It's very important for all of us and I think we're going to see the fulfillment of his prophecy very, very soon.
