

Mary's School of Prophecy Is Coronavirus the Disaster that Kim Clement Prophesied?

Now tonight I have some good news and some bad news, so I'll start with the bad news first. The bad news is, believe it or not my diocese has cancelled all masses indefinitely. Would you believe that? This is the Syracuse Diocese and I'm wondering if this is the abomination of desolation that we have to be aware of, or at least it is a prefiguring of the abomination. I think it's to let us know where we will have guaranteed masses during the Tribulation. It doesn't sound like there will be masses in this area during the Tribulation. This is like a test run. I think the Holy Spirit is giving us this virus to prepare us for what's coming. Now the good news for those of you who are fans of Sister Renée Mauser, she called me up this afternoon and said that the health scare was not nearly as bad as she thought. In fact the doctor gave her a clear bill of health, and she worried all weekend she told me, but she said that was a trial that evidently the Lord allowed her to have. Anyway so that is the good news. I'm certainly happy to report that.

Now the title of this program, "Is coronavirus the disaster that Kim Clement prophesied", and this prophecy was back on March 25th 2011, and I've done quite a few videos on this before, and I have always suggested that the disaster that he talks about is probably nuclear war. I haven't ruled that out, but now that we are in this current coronavirus event, it fits actually better than the nuclear warfare. So I thought we could go through his prophecy. Now remember that he is the prophet, and that means he himself doesn't know what he's prophesying about. I have a link to it [here](#) so you can watch it for yourself and a link to [my video](#) which I published about a year ago on this prophecy.

He receives the prophecy on the Feast of the Annunciation. That's when the angel Gabriel announces to Mary that she is to be the mother of our Savior and she conceived our Lord and Savior. That, in other words, is exactly nine months before December 25th, so he received the message on March 25th 2011 which is almost exactly nine years ago, so there's 9 and 11, which is interesting. In other words it will be nine years ago in, let's see, nine days, so he did not understand the significance of the date. Of course he's a Protestant and in fact whenever he gets something from Mary, he is very apologetic about it, and of course he shouldn't be, but we Catholics of course understand that March 25th is the Feast of the Annunciation. So I thought we could go through this, in the light of that he may be prophesying about the coronavirus. So before we start, we are going to say two prayers. We are going to pray the "Come Holy Spirit" prayer and then the prayer that Ida Peerdeman was given.

In the name of the Father, the Son and the Holy Spirit. Amen. Come, Holy Spirit, fill the hearts of thy faithful and enkindle in them the fire of Thy love. Send forth Thy Spirit and they shall be created. And thou shalt renew the face of the earth.

And now a little prayer to Our Lady of All Nations: Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from corruption, disaster

and war. May the Lady of All Nations, who once was Mary, be our Advocate. Amen.

So the first thing I want to note on this prophecy of Kim Clement is that when he gave the prophecy, it was not in lines or verses or chapters. I broke it down into 15 lines, and I think if you see the way I did it, I think you'll agree with me that that's the way it should be, and there are three basic chapters. However they are not in sequence chronologically, which is a good sign that it very likely is apocalyptic literature, and I believe it is. The verses had to be rearranged and of course this is true with all of Daniel's great vision chapters, and in the same way with the Book of Revelation and so on. So rearranging verses and chapters by the way that does not interfere with what John says. He says don't add or subtract to scripture, but if you're rearranging verses, that does not add or subtract to scripture.

By the way if you are following in my books, this program is taken from volume 4, page 300. So one of the first things I discovered is that there are timestamps in this prophecy. There are five distinct time stamps, and when you type it out into verses, you realize that verses 2 and 4 for example are reversed as far as the chronology goes. So I examined all of the verses and I grouped them into three different chapters. The first chapter is about the presidency, Donald Trump. The second chapter is about a woman who shall rise up, and the last one is that the people accept Esther. Those are the three chapters. So let's take a look first at these distinct timestamps.

FIVE TIMESTAMPS

- 1) A President who will come (2016-17)**
- 2) Middle of the presidency (2020-21)**
- 3) Beginning of the Restoration (2020-21)**
- 4) Healing shall begin (2021-22)**
- 5) Middle of the Restoration (2022-23)**

The first one is, "A president who will come". Now this refers to Donald Trump. In fact I'm going to show you his picture in just a minute, and obviously he was elected in the fall of 2016, November, and he was inaugurated in 2017. So that's a pretty specific timestamp. The

second time stamp is in the middle of the presidency. Now if he's only a one term president, we've already gone by the middle of the presidency, but I'm sure he will be elected to a second term. That means of eight years, four years would be the middle of the presidency, so that would be between November of this year, 2020 and January of next year would be the middle of the presidency, in other words only about eight or nine months from now.

The third time stamp is the "Beginning of the Restoration", and this is after the disaster that we are talking about, so it can't be any earlier. I said 2020. Now theoretically it could be this year, but more likely it would be starting in 2021, and the fourth timestamp is the "Healing shall begin", and I think would be more likely 2021 for the start of the healing. I don't think that's exactly the same as the beginning of the restoration. It could be, but I think that 3) and 4) I think I have correct. Now 5), the "Middle of the restoration", would obviously be followed by 3) and 4) and I put down there between 2022 and 23 or later, in fact it could be two or three years after that.

So now, let's take a look at the very first verse of this amazing prophecy from Kim Clement, and as I say, I have the link to it [here](#) if you want to watch it, because it's interesting how he presents his prophecy. He usually has music. I guess he was a talented musician himself, and I have a [link](#) to my second or third video. That's also here. So here's the first verse and I'll show a picture of Donald Trump.

A PRESIDENT WILL COME

1 There is a president who will come (2016-17). And God says he will have absolutely no fear, absolutely no fear. Will be decisive, make decisions.

The first verse is: **“There is a president who will come”**, and as I say, that would have to be between 2016 and 17. **“And God says, he will have absolutely no fear, absolutely no fear. Will be decisive, make decisions.”**

I would have to say that that is a pretty excellent description of Donald Trump. That's an amazing prophecy in itself because Kim Clement gave this prophecy back in March 25th 2011. Let's look at the next verse, verse number 11 comes next, as I say I had to rearrange these.

11 For I chose this nation before it was founded, before anybody came here, I chose this entire nation - all 50 states, every one of them, to send my gospel to the entire earth. Do you think I have changed my mind?

And I think that's an interesting prophecy in itself because, well for example this ministry, my own ministry reaches every country in the world. In fact there are many, many people on YouTube and on the internet who do preach to the entire world, so that's a true prophecy in itself. Please notice how many times he mentions this phrase, as far as referring to the nation. In fact in my previous video I said three times, but actually there are four mentions. You've got “this nation” number 1, then he says, “this entire nation”, number 2, then he says, “all 50 states” number 3 and “every one of them”, number 4 and of course the number 4 is a very important End Times number. So right off the bat in the second verse which is verse number 11, Kim Clement is given sacred numerology. The number 4 is the

most important End Times number, and we have the second feature of End Times apocalyptic literature and that is numerology and that is the number 50. The number 50 we will find out relates to the Book of Esther (*Esther 7:9*). We are going to find out that Mary is the one who saves this country, not Jesus, not the church. This woman that Kim Clement prophesize about, whom he calls Esther and of course the number 50 is very important in the Book of Esther and it also refers to the number of Hail Mary's in a five decade Rosary. Okay let's look at the next three verses.

10 Where they have said, 'we will make history without God.' No you will not. No you will not, says the Lord.

3 God said, they shall say, 'we never dreamed this would happen. They said that this in Japan would never happen'.

12 Therefore, the healing that is necessary for this nation shall come at a time in the middle of the presidency (2020-21).

Verse number 10: **“Where they have said, ‘we will make history without God.’ No you will not. No you will not, says the Lord.”** And this reminds me very much of King Nebuchadnezzar, Daniel chapter number 4 where God strikes King Nebuchadnezzar with madness, and he cuts down tree which symbolizes Western civilization, and God allows the tree which is Western civilization to be cut down in order that we will learn that it is God who decides the affairs of men; very similar to what Kim Clement is saying here.

Then verse number 3, **“God said, they shall say, ‘we never dreamed this would happen. They said that this in Japan would never happen’.**

I now believe that this is talking about the coronavirus. Now I thought that this was nuclear war because that's what happened to Japan. Japan is the only country that suffered a nuclear attack, but let's substitutes here the coronavirus, because I think most people would say this of the drastic measures that are being taken here in this country, I think it's fair to say that we never dreamed this would happen. So is Kim Clement prophesying about the coronavirus here? The only word in here that reminds me of nuclear warfare is Japan, but as you will see, when we go through this prophecy, he mentions China. He mentions medical emergency. He uses at least four terms and we'll come to it. He uses the word “healing”, which would be more appropriate if he is in fact prophesying about the coronavirus. Okay let's continue.

Verse number 12: **“Therefore, the healing that is necessary for this nation shall come at a time in the middle of the presidency.”**

So here we have the word, “healing”, which sounds much more like recovery from a virus. And when does this healing come? In the middle of the presidency; so as I say, if he is president for eight years, the middle of the presidency would begin in

November or it could extend to January. I don't believe this is an exact timeline prophecy, but it shows that the healing comes fairly quickly from today's date. In other words this virus will be over with relatively shortly. So let's look at the next verse, verse number 4, and this is part of chapter 2 which is called, "A Woman Shall Rise Up". Remember the first five verses I just spoke about were basically about the presidency in this country.

A WOMAN SHALL RISE UP

4 God says, listen to me. At the **beginning of the restoration (2020-21)**, as it begins, there shall be a woman that shall rise up. A woman that shall be strong in faith; virtuous. Beautiful in eyes and her eyes shall be so beautiful. Her eyes shall be round and big.

13 There shall be a woman that shall come and God said there shall be oil that shall be poured upon the nation and they shall suddenly feel the healing and they shall say, 'it is well with my soul, it is well with our soul.'

Verse number 4: **"God says, listen to me. At the beginning of the restoration"**, so this would be following the coronavirus, and that would be beginning in November, 2020 to January '21, or a little later I would say, **"as it begins, there shall be a woman that shall rise up. A woman that shall be strong in faith; virtuous. Beautiful in eyes and her eyes shall be so beautiful. Her eyes shall be round and big."**

And I know in my other video I showed a picture of Our Lady of Guadalupe, and there's been a lot of speculation about who he is talking about. People like Ivanka Trump for example, maybe Melania Trump, or there would be many possibilities. I think we will see that this has to be the Blessed Virgin Mary, although you couldn't tell it from here. She is called a beautiful woman, and that of course reminds me of the woman who appeared to George Washington during the Revolutionary War. If you read that prophecy, you must come to the conclusion that the woman had to be the Blessed Virgin Mary. Now some of the false prophets here on YouTube say that there was an angel who appeared to George Washington, but George Washington said it was a woman, and he knew the difference because he also saw angels in his vision, so I am convinced that the woman here, as well as in George Washington's vision was the Blessed Virgin Mary.

So now let's go to my next chart, which is talking about the woman who is going to save this country, not Jesus, not the church. This woman is going to save America.

Verse number 6: **"For she shall have the oil of gladness for the pain and the mourning that has taken place, and she shall pour out the oil on this nation."**

6 For she shall have the oil of gladness for the pain and the mourning that has taken place, and she shall pour out the oil on this nation.

14 For the soul of America has been corrupted; the soul of this nation has been corrupted with bitterness and anger. And God said, she shall say, 'no more bitterness, no more anger, no more division.'

8 Cartels shall be afraid of a woman - a woman anointed by God; a woman set aside. And God says, they will say 'we hated her, but now we love her.'

Do you see that phrase, "pain and mourning"? That's one of the reasons I thought it had to be nuclear war, but that would also fit this coronavirus. People are dying already, and there are all kinds of pain, if you want to call it that, of living in panic. The whole country is in a panic; so far Kim's prophecy could fit the coronavirus.

Let's continue with that passage. Verse 14: **"For the soul of America has been corrupted; the soul of this nation has been corrupted with bitterness and anger. And God said, she shall say, 'no more bitterness, no more anger, no more division.'"**

Well certainly it's amazing that the Democrats and the Republicans are politicizing this, but certainly the Democrats more than the Republicans. The Republicans are charged with fixing the problem, and they're getting no support from the Democrats. I shouldn't say no support. I listened to a part of the president's press conference this afternoon and the reporters are still trying to agitate him, giving asking nasty questions you know. Their goal is to embarrass the president not to solve the problem, but I did notice that the reporters we're all sitting in every other chair. Did you notice that they were all sitting three feet away from each other? They weren't sitting right next together like they usually do.

So in verse 14, she says, "no more division", while certainly we have a tremendous political division in this country right now, and it's very bitter as Kim Clement is prophesying here. I think this is quite an amazing prophecy, the bitterness and the anger right now in this country. So this is another aspect that Kim Clement is giving an accurate prophecy here.

Verse number 8: **"Cartels shall be afraid of a woman - a woman anointed by God; a woman set aside. And God says, they will say 'we hated her but now we love her.'"**

I can't think of any woman who fits that description better than Mary, because there's no doubt Mary has no honor among Protestants, among Donald Trump's own religion, and we know from Isaiah 45 that not only is Donald Trump going to convert and become a Catholic, but also his Protestant brethren. So Kim's prophecy here lines up with Isaiah 45, and it's beginning to look more and more to

me as if this woman is Mary. So now let's look at some more of the clinching of this prophecy, and now this is the third section.

THE PEOPLE SHALL RECEIVE ESTHER (MARY)

5 I have crowned her says the Lord, as I crowned Esther and the people shall receive her.

9 For she shall take the oil of healing and she shall pour it upon the scars of those left and those right and of the new party that has come forth and emerged where they shall say, 'Christ will reign and we shall not implement at all socialism.'

“The People Shall Receive Esther” and that is Mary, and we just have seen that in the last verse that they will say we hated her, but now we love her and this is the verse that proves to me that this prophecy is about Mary.

5: “I have crowned her says the Lord, as I crowned Esther and the people shall receive her.”

Well, Almighty God has not crowned people like Ivanka Trump or Melania Trump. God **has** crowned Mary, and we find that in Revelation chapter 12 verse number 1, where we see the woman wearing a crown of 12 stars and that refers to Mary, and notice it's the past tense, **“I have crowned her”** in other words it can't be a contemporaneous woman.

Let's look at the next one; **“as I crowned Esther”**. Well, Esther is a pre figure of Mary in the Bible. It's interesting that God here tells Kim Clement, **“As I crowned Esther”**. For thousands of years, no one thought God was found in the Book of Esther. In fact they added a whole lot to the Book of Esther, just to add God to the book. God is not found anywhere in Esther, unless you understand the prophecy.

I've been here on YouTube for almost 12 years now, and I've done quite a few videos on Esther, and I explained that King Ahasuerus is a stand-in for Almighty God. That's never been understood before. One of the reasons they don't is because King Ahasuerus at the beginning of the Book of Esther is portrayed as drunk, but remember in apocalyptic literature, symbolism takes precedence over the literal interpretation. When it says that King Ahasuerus is drunk, it says he's filled with spirits. In other words he's filled with the Holy Spirit. That's what it symbolizes. So God crowned Esther. King Ahasuerus crowned Esther, and Esther is a clear prefiguring of Mary in these End Times.

Verse 5 continued, **“And the people shall receive her”**. Of course that's the good news. The Americans are going to have to turn to Mary, as I have been saying on this channel for many years.

Verse number 9: **“For she shall take the oil of healing and she shall pour it upon the scars of those left and those right and of the new party that has come forth.”**

I think Donald Trump will lead this new party. He will defeat the socialists on the Left. He will defeat the never-Trumpers, and I think he will lead a unifying party.

Verse 9 continued: **“and emerged where they shall say, ‘Christ will reign and we shall not implement at all socialism’”**. Donald Trump is Christ's representative. I am firmly convinced of that. Isaiah 45 is a prophecy about Donald Trump and Kim Clement here is prophesying about Donald Trump also, and how America is going to be saved out of this right now from this coronavirus. How are we going to be saved? Notice that Jesus does not save us. Notice that the church does not save us. It is this beautiful woman who saves us according to Kim Clement's prophecy and I agree with him.

Now we are up to the last three verses.

7 And God says, healing shall begin (2020-21) and then it shall flow rapidly. Schools will be free from potential damage and danger, shootings and murder, drug addiction.

2 And then in the middle of the restoration (2022-23) of America - rapidly because of a source of energy that shall come, quickly, because of medical breakthroughs, and because of agreements between nations, specifically China.

15 And she'll pour the oil that shall come from the spirit of the Lord Himself. If you as a nation believe it, if you want this, lift your voice and shout one more time and say yes! Yes to Esther! (Yes to Esther! 15 times)

Verse number 7: **“And God says, the healing shall begin”**. This is another timestamp and I put 2020, but that's not true. It's got to be probably 2021 to 2022, **“and then it shall flow rapidly.”** So first it begins and then it is rapid. **“Schools will be free from potential damage and danger, shootings and murder, drug addiction.”** It's interesting that the schools are closing. All the schools in my county are closed.

Verse number 2: **“And then in the middle of the restoration”**; now this would be I suspect in the middle of Donald Trump's second term, and that would be 2022 to 23, **“of America - rapidly because of a source of energy that shall come, quickly, because of medical breakthroughs”**. Isn't that interesting this term “medical breakthroughs”? That would not indicate I don't think nuclear war. It could very well indicate the aftermath of this coronavirus; **“and because of agreements between nations, specifically China.”** So Kim Clement here specifically mentions China. Isn't that interesting? That's why I'm beginning to think that he did have a vision about this coronavirus and how we in this country will defeat it.

Verse 15: 'And she'll pour the oil that shall come from the Spirit of the Lord Himself. If you as a nation believe it, if you want this, lift your voice and shout one more time and say yes! Yes to Esther.'

And how many times does Kim Clements shout out, "Yes to Esther"? Would you believe he shouts out 15 times? That is not accidental; 15 of course is the number of decades in a complete three mystery Rosary. These are all Rosary numbers, the three different chapters, the three different divisions in this prophecy, the 15 verses. That refers back to Genesis 3:15 where Mary crushes the head of the serpent. So I am asking especially Protestants in my audience, and I know a lot of you will be watching this. I would ask that you look into the Rosary. You don't even have to leave your denominations. In fact my own denomination the Roman Catholic Church is pretty much corrupted.

When Donald Trump converts, it will be to the remnant Catholic Church, not the Roman Catholic Church, also known as the "daughter of the robber" in Micah. The robber is the Roman Catholic Church. The daughter is the remnant Catholic Church. That's what Donald Trump will convert to and that is what many of you Protestants will convert to. I personally believe that is the meaning of QAnon's slogan, "Where We Go One, We Go All." I believe that is going to prove out to be a spiritual slogan. So I am asking you, do a little research on Mary's Rosary.

Kim Clement himself did not understand this prophecy, but that's typical of apocalyptic literature. All apocalyptic literature must be interpreted and that's what I just did, and I have changed my interpretation from my previous video in which I thought that Kim Clement was prophesying about a nuclear disaster. It looks to me more and more as if Kim Clement was prophesying about this coronavirus disaster.

Until I do see all of you again may God bless all of you and may all of you have a very blessed evening.
